seived from a generous public, and now has Tuesday Evening, April 11. A LECTURE will be delivered by a member All persons desirous of promoting the ol jects of the association, are invited to attend become members and participate in the exercise of the meeting.

TO THE PUBLIC.

N HAVE understood, that for some time past, reporte have been in circulariou relative to the conduct of my Millers, which are of the most false and unprincipled character; and I should not have felt it necessary to pay any attention to said reports. were it not that some of my customers, not being acquainted with the circumstances, have been influenced thereby. I have traced the reports, and find that they have originated through motives of jealousy. I now give notice to the public, that all the charges made are false, and without any foundation in truth; and that I am prepared, by the clearest testimony, to prove the same. And further, I give notice to those engaged in he circulation of these foul slanders, that i hey do not cease propagating them, I shall oring them before a Court of Justice.
