PUBLIC NOTICES.

Saddles! Saddles! SADDLES!

Important Improvement in Spring-seated SADDLES!

THE Subscriber respectfully informs the Public generally, that he has purchased the Patent Right for making and vending Spring-seated Saddles of the Zig Zag or W' spring in the Seat.

And also a Spring attached to the Girth or Girths and to the tree. The saddle is made with or without a Pommel, just as persons may fancy.

Saddles made upon this plan are incomparably superior to any heretofore in use, in point of strength, durability and elasticity, to the horse and rider. The application of the spring to the girth is productive of ease and comfort to the horse, and protects him from injuries arising from violent or sudden exertions. The Spring is also applicable to LADIES' SADDLES.

It is deemed unnecessary to state any thing more. The public are invited to call and judge for themselves.

The Subscriber returns his sincere thanks to his Customers and the Public in general, for the very liberal support extended to him, and would respectfully inform them that he has at all times

A LARGE AND GENERAL ASSORTMENT OF Saddles, Bridles, Martin-gals, AND ALL KINDS OF Carriage, Wagon and Cart HARNESS

At his Old Stand in South Baltimore Street, Gettysburg.

All kinds of MARKETING taken in exchange for work. DAVID M'CREARY. December 26, 1836.

Look Here!

THE subscriber wishes to inform his patrons, and others who may wish to patronize him in future, that he has recently purchased Mr. Callihan's Patent Right for the use of his valuable improvement in making

Spring-seat SADDLES.

Notwithstanding the prejudices against these Saddles heretofore, he feels justified in saying, that he hopes to gain the confidence and patronage of the public—as he is enabled, on the present principle, to ensure all his saddles without any extra charge.— That a soft, easy saddle is desirable to all persons who ride much, and particularly to those who may not be favored with a very pleasant horse; I presume all persons will unhesitatingly patronize the spring saddles, when they will be ensured as long as the purchaser may deem necessary.

The elasticity of the Saddle acting in harmony with the symmetry of the horse and rider, not only affords ease to the man, but incalculable advantage to the horse. All persons of judgment and experience must know, that a dead, unelastic weight on a horse is oppressive. The Spring in the Girth affords the following advantages: 1st Moving or yielding with the horse's chest in breathing, no cramps or cholics or any disease can rise therefrom. 2d. The girth will outlast two or three of the common kind, because the yielding of the spring on the sudden expansion of the chest prevents the girth from breaking, and saves the rider from falling; many falls have been the fruits of breaking girths.

GENTLEMEN and LADIES are invited to apply, as the little difference in the cost of these and the hard Saddles is so trifling, and incomparable with the difference in comfort and safety.

N. B. Saddlers in the country can be accommodated with Township or Shop Rights at a trifling cost.

The subscriber returns his thanks to the public for the very liberal support extended to him, and would respectfully state that he has at all times

A LARGE AND GENERAL ASSORTMENT OF Saddles, Bridles, Martin-gals, Saddle-Bags, Portmanteaus and Trunks; Carriage, Wagon and Cart HARNESS,

with every other article in his line of business. All kinds of MARKETING taken in exchange for work at fair prices. EDWIN A. ATLEE. Gettysburg, Jan. 16, 1837.

SOLOMON ALBERT. Hampton, March 13, 1837.

O'NEILL'S Anti-Rheumatic Decoction and LINIMENT.

An infallible remedy for Chronic, Inflammatory and Mucous RHEUMATISM.

It also cures LUMBAGO and SCIATICA and will be seen by some of the certificates given from Physicians and others, that it is a sovereign remedy for SCROFULA, WHITE SWELLING, DISEASE OF THE HIP JOINT, and all affections arising from an IMPURE STATE OF THE BLOOD.

The undersigned takes pleasure in announcing to the public that he has discovered a Sovereign Remedy for Rheumatism &c. It never fails to cure where the medicine is taken agreeably to the directions which accompany each bottle.

Numberless instances might be given of the happy effects and powerful virtues of this preparation, in the cure of those painful and distressing diseases which have been named above, and against whose resistless attacks the artillery of medicine science has so long been directed in vain.

The transcendent merits of this preparation, its sensitive powers and unparalleled efficacy in the cure of Rheumatism &c. have drawn forth the voluntary plaudits of thousands, who by its use have been relieved from pain and torture, stiffness and lameness, and who, in the use of this vigorous and healthy, and safe and efficacious remedy, have been enabled to resume their usual avocations, and to enjoy the pleasures of life.

Letter of Dr. Jos. Getzendanner of Montgomery Co., Md., who was long and severely afflicted with Chronic Rheumatism, and finally cured by two bottles of O'NEILL'S Medicine.

I cheerfully add my testimony in favor of your Anti-Rheumatic Medicine, and no selfish consideration could induce me to withhold it. My motto is, "honor to whom honor is due." I was greatly afflicted with Chronic Rheumatism, and discovered that the "Materia Medica" contained nothing that would reach my disease. It is unnecessary here to state in detail, how much I suffered, suffice it to say, that I have been severely afflicted for many years, and suffered great pain; and that I obtained two bottles of your Anti-Rheumatic decoction, and two phials of the Liniment, which accompanied it, and that it has banished every vestige of Rheumatism from my frame.— The afflicted would do well to resort to this remedy.

JOSEPH GETZENDANNER, M. D. From the Frederick Times and Dem. Advocate.

Highly Important to the Afflicted. It will not doubt be gratifying to our readers to learn the wonderful success of your Anti-Rheumatic Medicine, in the cure of those painful and distressing diseases which have been named above, and against whose resistless attacks the artillery of medicine science has so long been directed in vain.

JOSEPH GETZENDANNER, M. D. From the Baltimore Chronicle.

We are not in the habit of expressing an opinion of the efficacy of Patent Medicines, but in the case of the above mentioned remedy for Rheumatism, we feel called on, by principle of humanity, to state that it has had the most surprising effects. The inventor is a gentleman in whom the greatest reliance can be placed; but he has other than his own testimony in favor of the medicine which he offers to the public. Clergymen, physicians, and those who have been relieved, have borne voluntary witness to its astonishing efficacy; and those who have the misfortune to be afflicted with this distressing complaint may be assured of immediate relief by resorting to this remedy.

The following is from the Fredericktown Herald, edited by Wm. Ogden Niles, Esq. April 6th, 1833:

Mr. O'Neill's Rheumatic Medicine, offered to the public in this day's paper, if we form an opinion from the character of the maker, and numerous certificates in his possession from highly respectable individuals, who have been cured by the use of it, is one of the most valuable of recent discovery. Its effects upon those afflicted with chronic and inflammatory rheumatism, have been truly marvellous; a few bottles enabling them to dispense with crutches, bandages and bandages, which for years they have protected their limbs and bodies. Mr. O'Neill merits the gratitude of the afflicted, and the testimony of respectable physicians forbids those imputations which are generally attached to vendors of panaceas.

PUBLIC NOTICES.

DR. J. CARPENTER, BOTANIC PHYSICIAN.

RESPECTFULLY invites those who are troubled with Rheumatic pains, either chronic or inflammatory, to give him a call, having had very good success in curing Rheumatism; and having within the short space of time that he has been here had upwards of forty cases of Rheumatism under treatment, and having given relief in every case, and failed in but five or six cases of performing a complete cure—and some of these were through neglect on their part; and others to the long standing of the disease, so that no perfect cure could be expected. He would, therefore, invite those afflicted with Rheumatic pains to give him a call, and satisfy themselves. Not desiring those who are unacquainted with him to rely on his statement, but to come into his neighborhood and enquire of those who know, and satisfy themselves before they employ him.

Dr. Carpenter still continues to reside at his former residence in Liberty township, two miles North of Emmitsburg, and two miles from Rhodes Mill, on Middle-creek. October 3, 1836.

INVALID!

ONE DISEASE has thou only—an impurity of the blood, which by impeding the circulation brings on pain or derangement to the organs or parts where such impurity of blood settles.

IT is true a variety of causes may bring about this state of the blood—such as a violent bruise or fall, damp feet, indigestion, pain in the head, &c.—and although it may be said that these diseases have no their origin in impurity of the blood, yet the effect is the same—they all end in impurity of the blood and our only object to prevent the irritating influences being kept up, is continually to purge the body, as long as any unpleasant symptoms remain, with

DR. BRANDRETH'S VEGETABLE UNIVERSAL PILLS, which, if persevered with in sufficient quantities to produce copious evacuations, will assist nature to restore every organ to a state of health. It is on the principle of draining. We drain a marshy piece of land, and from a state of sterility soon produce a most abundant fertility, and so it is with the human body. When any thing is the matter with it, we have only occasion to drain it by purgation, and experience has taught those who have adopted this reasonable practice, [because consistent with our nature,] that they have acted rightly, the result having been sound health. About ten thousand persons can be referred to in New York city, and nearly the same number in Philadelphia, who have been cured, when every other means had become unavailing, of diseases which appeared of the most opposite character, and wore to all appearance, no human means could save life, have patients, by the use of these Pills, been restored to perfect health, the devouring disease having been perfectly eradicated.

NOTICE.—Owing to the numerous attempts of Druggists, to destroy the fame of Doctor Brandreth's Vegetable Universal Pills, by selling a counterfeit, instead of the genuine article, the Public are cautioned against purchasing said Pills of any person, except the appointed agents, but especially to avoid Drug stores, as they are never in any case appointed as agents; and it is in their hands the spurious Pills are usually found.

The following are the appointed agents for this vicinity, for list of agents of other counties see their respective papers.

JACOB A. WINROTT, Gettysburg, BENJ. ZIEGLER, York, HENRY SIDLE, Dillsburg, York Co. CRULL & BARTON, Lewisburg, York Co. WM. GILMORE, Chambersburg, JOHN SHAFNER, Lancaster.

Dr. Brandreth's Offices are 169 Race street above 5th street, and 43 Chesnut street above 2d street, Philadelphia.

CAUTION.—Beware of purchasing the Brandreth's Pills of any Druggist, either in the city or country, as there are so many counterfeiters for sale in their stores. May 1, 1837.

About two years ago I was severely afflicted with the dyspepsia, which I had for the last fifteen years; previous to the above named time, which was very much increased by my having a blood vessel ruptured upon my lungs, occasioned by lifting— which increased my complaint, dyspepsia and general weakness and debility to such a degree, that for many months I was unable to eat, and every thing I eat. I continued to use the Balsam until I used seven bottles, which cured me entirely, and restored me to perfect health, which I have enjoyed ever since, and not before for fifteen years. I cheerfully recommend it to all persons who are afflicted with dyspepsia or debility of stomach. Given under my hand this 11th day of January, 1834.

HENRY LOUTHAN, Frederick county, Va.

Certificate of Nicholas Weaver. This is to certify that I bought of your agent at Gettysburg, several bottles, of your valuable Balsam of Health, which completely cured me of the Dyspepsia. I had taken much of other patent Medicines, but found no relief, until I made use of your Balsam of Health, which effected a radical cure, and do recommend it to all those who are troubled with that distressing disorder Dyspepsia. N. WEAVER. Gettysburg, Pa. Nov. 2, 1836.

Certificate from the Rev. D. F. Scheffer, Pastor of the Lutheran Church. JOHN S. MILLER.—Dear Sir,—I deem it my duty to inform you that I consider Garlegant's Balsam of Health, prepared by you, a superior medicine. My wife has long been in a delicate state of health, and of course no means were left untried of which we could hear; myself, opposed to nostrums and patent medicines—nevertheless consented to purchase a bottle of your Balsam of Health, and do hereby certify that Mrs. Scheffer derived more benefit from the use of it than of any other medicine. My opinion is that if a cure can be effected, as regards the disease you mention, your Balsam will, if used in the first stage of the disease. D. F. SCHEFFER, E. D. Frederick; Aug. 23, 1836.

P. S. I used the Balsam in my own family and administered it to some indigent persons, and invariably found it a most efficacious vermifuge. For sale only at the Drug Store of SAMUEL H. BUEHLER, Agent, Gettysburg, February, 13, 1837.
