INVALID!

ONE DISEASE has thou only - an impurity of the Blood, which, by impeding the circulation brings on pains or derangement in the organs or part where such impurity of blood settles.

IT is true a variety of causes may bring about this state of the blood - such as a violent bruise or fall, damp feet, indigestion, pain in the head, &c. - and although it may be said that these diseases have not their origin in impurity of the blood, yet the effect is the same - they all tend to the same end - and our only object is to prevent the irritating influences being kept up, by continually purging the body, as long as any unpleasant symptoms remain, with Dr. BRANDRETH'S VEGETABLE UNIVERSAL PILLS...

He would, therefore, invite those afflicted with Rheumatic pains to give him a call, and satisfy themselves. Not desiring those who are unacquainted with him to rely on his statement, but to come into his neighborhood and enquire of those who know, and satisfy themselves before they employ him. Saddles! Saddles!

Important Improvement in Spring-seated SADDLES!

THE Subscriber respectfully informs the Public generally, that he has purchased the Patent Right for making and vending Spring-seated Saddles of the Zig Zag or W spring in the Seat.

And also a Spring attached to the Girth or Girths and to the tree. The saddle is made with or without a Pommel, just as persons may fancy.

Saddles made upon this plan are incomparably superior to any heretofore in use, in point of strength, durability and elasticity, to the horse and rider. The application of the spring to the girth is productive of ease and comfort to the horse, and protects him from injuries arising from violent or sudden exertions. The Spring is also applicable to LADIES' SADDLES.

It is deemed unnecessary to state any thing more. The public are invited to call and judge for themselves.

The Subscriber returns his sincere thanks to his Customers and the Public in general, for the very liberal support extended to him, and would respectfully inform them that he has at all times

A LARGE AND GENERAL ASSORTMENT OF

Saddles, Bridles, Martin gals, AND ALL KINDS OF Carriage, Wagon and Cart HARNESS.

At his Old Stand in South Baltimore Street, Gettysburg. All kinds of MARKETING taken in exchange for work. DAVID M'CREARY. December 26, 1836.

Look Here!

THE subscriber wishes to inform his patrons, and others who may wish to patronize him in future, that he has recently purchased Mr. Callihan's Patent Right for the use of his valuable improvement in making

Spring-seat

SADDLES

Notwithstanding the prejudices against these Saddles heretofore, he feels justified in saying, that he hopes to gain the confidence and patronage of the public - as he is enabled, on the present principle, to ensure all his saddles without any extra charge.

That a soft, easy saddle is desirable to all persons who ride much, and particularly to those who may not be favored with a very pleasant horse; I presume all persons will unhesitatingly patronize the spring saddles, when they will be assured as long as the purchaser may deem necessary.

The elasticity of the Saddle acting in harmony with the symmetry of the horse and rider, not only affords ease to the man, but incalculable advantage to the horse. All persons of judgment and experience must know, that a dead, unelastic weight on a horse is oppressive. The Spring in the Girth affords the following advantages: 1st Moving or yielding with the horse's chest in breathing, no cramps or cholics or any disease can rise therefrom. 2d. The girth will outlast two or three of the common kind, because the yielding of the spring on the sudden expansion of the chest prevents the girth from breaking, and saves the rider from falling; many falls have been the fruits of breaking girths.

GENTLEMEN and LADIES are invited to apply, as the little difference in the cost of these and the hard Saddles is so trifling, and incomparable with the difference in comfort and safety.

N. B. Saddles in the country can be accommodated with Township or Shop Rights at a trifling cost.

The subscriber returns his thanks to the public for the very liberal support extended to him, and would respectfully state that he has at all times

A LARGE AND GENERAL ASSORTMENT OF

Saddles, Bridles, Martin gals, Saddle-Bugs, Portmanteaus and Trunks; Carriage, Wagon and Cart HARNESS,

with every other article in his line of business. All kinds of MARKETING taken in exchange for work at fair prices. EDWIN A. ATLEE. Gettysburg, Jan. 16, 1837.

PUBLIC NOTICES.

PATENT WATER-PROOF BOOTS

THE subscriber respectfully informs the public that he has purchased of the Patentee, (Mr. P. G. NAGLE, of Philadelphia,) all his right, title and interest in the County of Adams, for making, constructing, using and vending to others to be used, his patented method of making BOOTS AND SHOES COMPLETELY IMPERVIOUS TO WATER.

An article of this kind has long and anxiously been looked for by the public. The certificates are in the subscriber's possession, prove the great efficacy of this desirable desideratum. To prove the utility of this article, and its great advantages to the public, the Patentee has obtained from the American Institute two Diplomas or Premiums. The improvement renders the Leather soft and pliable and is a sure preventive against its breaking.

Public patronage is earnestly solicited. - All orders thankfully received and punctually attended to, by the subscriber, residing in Hampton, Adams county, Pa. SOLOMON ALBERT. Hampton, March 13, 1837.

O'NEILL'S

Anti-Rheumatic Decoction AND LINIMENT, An infallible remedy for Chronic, Inflammatory and Acute RHEUMATISM.

It also cures LUMBAGO and SCIATICA and will be seen by some of the certificates given from Physicians and others that it is a sovereign remedy for SCROFULA, WHITESWELLING, DISEASE OF THE HIP JOINT, and all affections arising from an IMPURE STATE OF THE BLOOD.

The undersigned takes pleasure in announcing to the public that he has discovered a Sovereign Remedy for Rheumatism &c. It never fails to cure where the medicine is taken according to the directions which accompany each bottle.

Innumerable instances might be given of the happy effects and powerful virtues of this preparation, in the cure of those painful and distressing diseases which have been named above, and against whose restless attacks the art of medicine has so long been directed in vain.

The transcendent merits of this preparation, its curative powers and unparalleled efficacy in the cure of Rheumatism &c. have drawn forth the voluntary plaudits of thousands, who by its use have been restored from pain and torture, stiffness and decrepitude, to ease, strength, activity and vigorous health; credulity and scepticism must disappear before the powerful array of testimony to throw it up. Seeing Garligant's Balsam of Health advertised, I was induced to try a bottle; after taking the very first dose it appeared to strengthen my stomach; and every dose of the first bottle helped me so much, that in the course of a few days my stomach began to retain the food I eat, and I was enabled to use the Balsam until I was entirely restored.

Dear Sir - In compliance with your request, I cheerfully add my testimony in favor of your Anti-Rheumatic Medicine, and no selfish consideration could induce me to withhold it. My motto is, "honor to whom honor is due." I was greatly afflicted with Chronic Rheumatism, and discovered that the "Materia Medica" contained nothing that would reach my disease. It is unproved; suffice it to say, that I have been severely afflicted for many years, and suffered great pain; and that I obtained two bottles of your Anti-Rheumatic decoction, and two phials of the Liniment, which accompanied it, and that it has banished every vestige of Rheumatism from my system. The afflicted would do well to resort to this remedy. Your obt. servant &c. JOSEPH GETZENDANNER, M. D.

Certificate of Nicholas Weaver.

This is to certify that I bought of your agent at Gettysburg, several bottles, of your valuable Balsam of Health, which completely cured me of the Dyspepsia. I had taken much of other patent Medicines, but found no relief until I made use of your Balsam of Health, which effected a radical cure, and do recommend it to all those who are troubled with that obstinate disorder Dyspepsia. N. WEAVER. Gettysburg, Pa. Nov. 2, 1836.

Certificate from the Rev. D. F. Schaffer, Pastor of the Lutheran Church.

JOHN S. MILLER - (Dear Sir - I do not think it my duty to inform you that I consider Garligant's Balsam of Health, prepared by you, a superior article. My wife has long been in a delicate state of health, and of course no means were left untried of which we could hear; myself opposed to nostrums and patent medicines - I nevertheless consented to purchase a bottle of your Balsam of Health, and I do hereby certify that Mrs. Schaffer derived more benefit from the use of it than of any other medicine paid for, and that your cure was effected, as regards the disease you mention, your Balsam will, if used in the first stage of the disease. D. F. SCHEFFER, E. D. Frederick; Aug. 23, 1836.

P. S. I used the Balsam in my own family and administered it to some indigent persons, and invariably found it a most efficacious vermifuge.

Hundreds of persons have used it, and more than ten cases have been permanently cured of Dyspepsia, cholera, Nausea, Tremor, Lowness of spirits, Palpitation of the heart, and all those train of Diseases resulting from a disordered condition of the stomach and liver, or derangement of the Digestive functions, such as GENERAL DEBILITY or WEAKNESS, FLATULENCE, LOSS OF APPETITE, SOUR ERUCTIONS and ACIDITIES OF THE STOMACH, COSTIVENESS, HEADACHE, JAUNDICE, FLATULENCE AND BILIOUS COLIC, &c. To Adults and Children who are troubled with Worms, it will operate as a safe and thorough vermifuge. It is entirely Botanical in its composition, and may be used by both sexes and of any age, with perfect safety, without any change of habit or diet.

A full and satisfactory Direction accompanies each Bottle, which can be had at one Dollar per Bottle, and by the quantity at a liberal Discount of the proprietor and of all his agents, which are named at the bottom of each direction.

New testimony of its cures are frequently received, a few of which follow this advertisement, and many more can be seen on the directions around each Bottle.

About two years ago I was severely afflicted with the dyspepsia, which I had for the last fifteen years, previous to the above named time, which was very much increased by my having a blood vessel ruptured upon my lungs, occasioned by lifting - which increased my complaint, dyspepsia and general weakness and debility to such a degree, that for two years previous to my using the Garligant Balsam, I never eat a meal without my stomach becoming so inflated that I had immediate nausea to throw it up. Seeing Garligant's Balsam of Health advertised, I was induced to try a bottle; after taking the very first dose it appeared to strengthen my stomach; and every dose of the first bottle helped me so much, that in the course of a few days my stomach began to retain the food I eat, and I was enabled to use the Balsam until I was entirely restored.
