THE subscriber wishes to inform his patrons, and others who may wish to patronize him in future, that he has recently purchased Mr. Calliban's Patent Right for the use of his valuable improvement in making

Notwithstanding the prejudices against these Saddles heretofore, he feels justifiable in saying, that he hopes to gain the confidence and patronage of the public-as he is enabled, on the present principle, to ensure all his saddles without any extra charge.-That a soft, easy saddle is desirable to all unhesitatingly patronize the spring saddles, when they will be ensured as long as the urchaser may deem necessary,

The elasticity of the Saddle acting in harmony with the symetry of the horse and plicable to LADIES' SADDLES. rider, not only affords case to the man, but incalculable advantage to the horse, All persons of judgment and experience must know, that a dead, unelastic weight on a horse is oppressive. The Spring in the Girth affords the following advantages; 1st 31-26 Moving or yielding with the horse's chest in breathing, no cramps or cholics or any disease can rise therefrom. 2d. The girth will outlast two or three of the common kind, because the yielding of the spring on the sudden expansion of the chest prevents the girth from breaking, and saves the rider from falling; many falls have heep the frysts of break-

ing girths. GENTLEMEN and LADIES are invited to apply, as the little difference in the cost of these and the hard Saddles is so trifling, and incomparable with the difference in counfort and safety,

N. B. Saddlers in the country can be accommodated with Township or Shop Rights at a trifling cost.

The subscriber returns his thanks to the public for the very liberal support extended to him, and would respectfully state that

drain it by pergation, and expansions that they there who have adopted this reasonable practice, [because consistent with our nature] that they have acted rightly, the result having been sound health. About ten thousand persons can be re-will be attained by the use of them, and passed which he offers to the public. Clergymen, phy will be attained by the use of them, and passed which he offers to the public. Clergymen, phy sicians, and those who have been relieved, have free from pain and infirmities.

They are not enveloped with the mysteries of borne voluntary witness to its astonishing effices cy; and those who have the misfortune to be afflic. other medicines; they only require to be perseted with this distressing complaint may be assurwored in with sufficiently large doses, and the patient will come off well; when a disease is ob- ed of immediate relief by resorting to this requedy. stinate, patients frequently do not take doses large The following is from the Fredericktown Her ald, edited by Wm. Ogdon Niles, Esq. April 6th,

enough. The medicines are comprised in three different articles only, vizz in two kinds of pills, of 1833; different strength or power, designated by No. 1 and No. 2; the first is a most powerful, but mild the public in this day's paper, if we form an opinand gentle apperient, or opening medicine, de- ion from the character of the maker, and numer-taching and partially removing the billious ropy ious certificates in his possession from highly read ous certificates in his possession from highly rest pectable individuals, who have been curred by the humors, whilst the No.2 pills carry off those an humors, whilst the No.2 pills carry of those and poctable individuals, who nave deen curred by the the serous acid and putrid humors incidental to the body; and act together as a ferret in a warren, never resting until every avenue to the human frame is thoroughly scarched, and cleansed of its impurities. The Vegetable Cleansing Powders are of great assistance to patiente, and facilitate the evacua-and bodies. Mr. O'Neill merits the grating of

assistance to patients, and facilitate the evacuation of bad humans; they soften, clease, and de the afflicted, and the testimony of respectable tach the acrimonious philegm, are cooling, and physicians forbids these imputations which are allay the thirst. One, two, or three powders may be taken throughout the day, mixed in half a tumbler of water.

The pills are sold in packets of \$1, \$2 and \$3, and 25 and 50 cent boxes-the two former consist of three boxes each, viz. one box of No. 1, and two boxes of No. 2-the latter, one large box with a division; the powders are in separate boxes at 371 cents each.

BTIn consequence of the repeated solicitation of the Agents, and for the convenience of the Pub-lio in general, boxes of 50 cents, and 25 cts each, For the Piles. can now be had of all the Agents.

MORISONIANA, the Family Adviser of the British College of Health, 3d Edition, price \$2,75; and PRACTICAL PROOFS of the Hygeian Sys tem of Physiology, including the "Origin of Life." Treatise on Small Pox," "Letter on Cholera Morbus," and many attested cures affected in this country, as well as in Great Britain. 6th Edition, price 375 conts. The Hygenian Medicines are all imported into

this country at a great expense, notwithstanding which, they are sold at the same price as in Eng. land. They have been six years before the A-merican public; their preeminent success in the

relief of the afflicted, thousands can testify. UTCAUTION.-In consequence of the high estimation in which Morrison's Pills are held by the public, it has induced an innumerable host of unprincipled counterfeitors to attempt imitations under deceptive terms thus to delude the unwary, and foist their nostrums for the Genuine Hygeian Medicine; in consequence of which the Agent has taken the precautionary measure of having an Extra Yellow Label fixed on each Packet by on his statement, but to come into his signed by the Agent of each State and District, and by their Sub-Agents, in every County; the imitation of which will subject the forger to the everest punishment the Law can inflict; and it is further to be noticed, that none of the above Medicines can be obtained in any Drug Store Liroughout the Union; the Drug Stores being the principal source through which the Counterfeiters

^{vend} their spurious articles.
