MONEY MATTERS - BANK CONVENTION. with closed doors! These Bankers have ARRIVED EAST. DEPARTED WEST. no tact. They ought to do like other conventions-settle all their business in private caucuses and then act it all over in public or the look of the thing.

It is rumored that there is much difficultv in the way of a general and early resumption of specie payments, which we can very well believe. It is added that our New York Banks are eager for immediate resumption, which is hardly so probable. They will all, we hope, be ready to resume next April; but how sooner? However, the sooner the better, only they must be certain that they can stay resumed when they attempt it. Out of the Convention (and of its doings nothing has transpired, save in the shape of vague rumors) matters wear a promising aspect. Stocks keep up; money is less urgently in demand than it has been, and business is very fair for the season. Our prosnects for the winter are far less gloomy than they have been. The beautifully temperate. weather which has generally prevailed thro'. out the Autumn, and up to this late period, has done much for us. The receipts of country produce during the last month have been very great.
