not received. Philadelphia Inquirer of Friday and Saturday ditto! We hope our friend of the Inquirer has not "cut" the Star.

Young Men.

ON SATURDAY NEXT the Young Men of Adams county will meet in this place, pursuant to the call which appeared in our paper of last week. Berks county has already spoken. Fifty delegates, we learn, have been selected to represent that County in the proposed Young Men's Con vention. Several other counties have issued calls for public meetings: and from present appearances. overy county will be fully represented.

We rejoice that the proposition to hold a Young Men's State Convention has been so readily res-ponded to. We honestly believe that it ought to be favored. The present Chief Magistrate of this commonwealth has pursued a policy which should commend him to all who desire to see Pennsyl-vania attain that pre-eminence among her sister Stotes which here the led on the First Tuesday of June next, after at least thirty days notice of such clection We rejoice that the proposition to hold a Young Commonwealth has pursue a poincy which should commonwealth has pursue a poincy which should vania attain that pre-emmence among her sister States which her local position, her boundless re-sources, and the intelligence and industry of her The radius of Messrs Woodward, Banks sources, and the intelligence and industry of her people qualify her to occup., The policy pursued by the present Executive has not like that of his mission of the amendments to the people shall be redecember to have the petition printed for the use to Austria, is there any gentleman willing by the present Executive has not needed to the people shall be predecessor, been one of mere temporary expedien-cy—a shifting off of the evil day—calculated to meet only the exigencies of the moment, without regard to future embarrassments and mischief. His measures were taken, not more with a view to pre-measures were taken, not more with a view to pre-measures were taken, not more with a view to pre-to the people shall be sented it, to have the petition printed for the use established, on the sentend metric for the people shall be sented it, to have the petition printed for the use and eat our substance, and finish the work of the petition referred to the Judiciary Committee. A bill will be reported, and will probably pass the measures were taken, not more with a view to pre-to the measures in line there of the sentend measures were taken, not more with a view to pre-to the measures in line there of the sentend measures were taken, not more with a view to pre-to the measures in line there of the sentend the petition referred to the judiciary Committee. Measures were taken, not more with a view to pre-to the measures in line there of the sentend the petition referred to the judiciary Committee. A bill will be reported, and will probably pass the the petition referred to the judice of prejedice

Men owe a deep debt of gratitude; and such an of the General election, will be fixed upon. one it is their interest, as well as the interest of every well-wisher of the Commonwealth, to see reelected-and no one can doubt that an efficient greatly promote such a result. We hope, therefore, that proper steps will be taken in this and every other county in the State, to send a proper delegation to the proposed Convention-assured. that great good will result to a cause which is cmphatically the cause of the people, by a proper or-

ganization of the young men of the State. young Men of Adams! Turn out, on Satur-day next, and show that you will not be behind your brethren in other counties in thus expressing vour annrobation of the wise policy pursued by Young Men of Adams! Turn out, on Saluryour intelligent FARMER GOVERNOR.

Dear Poetry!
