GETTYSBURGH, PENN. TUESDAY, JUNE 5, 1838.

The Mandamus. The following article is copied from the Philadelphia Ledger:

contumacious, he would be imprisoned!! If ment may thus be locked up, so may all; for the same judicial power that grants a manda-

fundamental constitutional principles.

The constitution of Pennsylvania has provided for the punishment of official miscon.

The punishment of official miscon.

The present period may of Philadelphia must take to herself the large duction a governor, by the process of impeach
The constitution of Pennsylvania has provided for the punishment of official miscon.

The present period in the people of remay that the vious years. Bets are made at New Orleans that it will not fall short of one milli meight mentioned plane. The new Board of Canal Commissioners receives the conmaking the above remark. His text was taken from Psalms ix, 17. "The wicked shall disides, while it strikes terror into the ranks all sides, while it strikes terror into the ranks." ment; and the people, by providing this, clear our State Improvements. The tolls received est share. And this consideration would be turned into hell with all the nations that excess of two or three hundred thousand of his enemies. They little expected to see In the people, by providing this, clear our state in the constant of the invitation with forget God." For a moment the minister bales over last year will keep the foreign ex. Messrs Dickey and Stevens occupy the state in the invitation with forget God." intended to dispense with every other mode. No gubernatorial duties can be infered and the business was never more active than tive, like every other branch of our govern.

In this moment. Only yesterday, the trains of the Hall, were it otherwise in my power. ment, is merely a creature of the constitution, that left the depot at 8 o'clock, carried up- er, as it probably will not be, to attend at the at the same time, "There's Fun for ye, boys!" and derives all his powers and outles from wards of Four Hundred Passengers! time proposed. and derives all his powers and outies from wards of Four Hundred Passengers!— the following remarkable as- manufacture in England, may be understood Farmer—so the Loco Focos may lay down that instrument only. Then no power over him can be inferred in favor of any other heart and stir the pride of every true son of city of Philadelphia, and its inhabitants. It mest famous of the British admirals:

These are facts that cannot but cheer the pride of every true son of respectful, and affectionate attachment to the city of Philadelphia, and its inhabitants. It mest famous of the British admirals:

These are facts that cannot but cheer the pride of every true son of the pride of every true son of city of Philadelphia, and its inhabitants. It mest famous of the British admirals:

These are facts that cannot but cheer the pride of every true son of the pride of eve constitution, or necessary to carry an expressly granted power into operation. The | Specie Circular Repealed! | dependence, and if I were to address them I never chose my station, and never had a single year. The quantity made in 1820, | HARD TIMES IN MISSISSIPPL The Lou-

our statement of last week to its readers: Legislature, was one authorising and requiring the Governor to subscribe for the stock of several incorporated Companies, (one of which was the Cumberland Valley Rail road which has the Cumberland Valley Rail road which has also passed the Senate, containing the Governor to subscribe for the stock of several incorporated Companies, (one of which was the Cumberland Valley Rail road which has also passed the Senate, containing the Specie Circular. Next, which has also passed the Senate, containing and requiring to us the principles of human liberty, as well as you?

Highly Important—"Stop her! stop her! stop the boat, Captain," cried out the shoe answer, satisfactory to myself, to give to such enquiries.

State works, were to be supplied in part by clause, moved by Mr. Webster. And now, here is the joint resolution, in the identical interest of four percent. In approving the interest of four percent in the friends, I should have an about which they can be the free of the Treaty of Contenting to the Country.—

Habe of explaining to us the princ interest of four per cent. In approving the Bill, the Governor, in a special message to the Legislature on the subject, among other matters adverted to the difficulty of obtaining leans at four per cent. per annum, the rate of interest which he had determined to the same gentleman, for the proposition of the same gentleman, for the proposition of the same gentleman, for the proposition of Mr. Clay, which has a of one from the wilderness, to rally them on shore."

It adds "this is the section for the world is coming to an failure which the Porterites have experient to the standard of human rights, but that the people of Philadelphia need a voice as of one from the wilderness, to rally them on shore."

Thus has the section, substituted by the Schate, on motion of the same gentleman, for the proposition of Mr. Clay, which has a of one from the wilderness, to rally them on shore."

Thus has the section, substituted by the world is coming to an townships." It adds "this is the section for the proposition of Mr. Clay, which has a of one from the wilderness, to rally them on shore."

The section for the proposition of Mr. Clay, which has a of one from the wilderness, to rally them on shore."

French Peculiarities.—When fire the most of that this solemn address shall each your distinct on the wild remained exercise. I know too nearly them that the people of Philadelphia need a voice as of one from the wilderness, to rally them to the standard of human rights, but that the people of Philadelphia need a voice as of one from the wilderness of the the people of Philadelphia need a voice as of one from the wilderness of the thick the people of Philadelphia need a voice as of one from the wilderness of the them on the second that the people of Philadelphia need a voice as of one from the wilderness of the them on the second that the people of Philadelphia need a voice rate of interest which he had determined not to exceed; and declared his determination to withhold his subscriptions to the Companies until such loan was procured to meet them. He immediately advertised for the loan, but until within a few days past no part of it was taken. Such was the posture of affairs when the Rail Road Company to part of the measure, regardless of the interest which he had determined not exceed; and declared his determination to withhold his subscriptions to the Representatives twice, declared in effect that sylvania, but if the city of Philadelphia, who dares to tell you the truth in tones that shall reach the sepulchres of the dead, lock up your Hall on the same day that you shall open it, and wait for the appointed time: it will surely come.

I must apologize to you even for within a few days past to part of it was taken. Such was the posture of affairs when the Rail Road Company to part of it was taken. Such was the post to fee and the reach the sepulchres of the dead, lock up your Hall on the same day that you shall open it, and wait for the appointed time: it will surely come.

I must apologize to you even for within the firm of the President, whom when they see a wolf in a sheep fold.

If there is not one native, I say not of Pennsylvania, but if the city of Philadelphia, who dares to tell you the truth in tones that shall reach the sepulchres of the dead, lock up your Hall on the same day that you shall open it, and wait for the appointed time: it will surely come.

We are weekly receiving from every part to join their brethren in the far West.

Specie Circular Repealed:

Our readers will learn, we doubt not, most ernor is not expressly granted to the judicity ary, nor necessary to carry into effect any power granted to any branch of the government; for all that such process could effect, is accessible through impeachment.

If the mandamus should be issued, we can on the opening of the mandamus should be issued, we can on the opening of the mandamus should be issued, we can on the opening of the mandamus should be issued, we can on the opening of the mandamus should be issued, we can on the opening of the mandamus should be issued, we can on the opening of the mandamus should be issued, we can on the opening of the mandamus should be issued, we can on the opening of the mandamus should be issued, we can on the opening of your Hall, I should comment upon some of its self-evident truths, and eximple the whole paper is gound of these self-evident truths, and extendingly adverse to hearing any comments upon the voung, to animate them to the extensive proposed the Senate on Tuesday evening, passed the Senate on Tuesday evening and partial orders concerning Government money in time to come, which passed the Senate of the self-evident truths, and extending and partial orders concerning Government money in time to come, which passed the Senate of the self-evident truths.

If the mandamus against the Government to effect any power granted to the judicic arry into effect any power granted to the judicic arry into effect any power granted to the judicic arry into effect any power granted to any power granted to the present in a contract of the present in the annual product, of 300,000 tons,

Here is the end, then, of one Experiment, and most sincerely do we rejoice at it. We is sued, and be carried to the utmost legal seventhesis for it is time for the contest between the sovereign people and corporations created by themselves, to come to an issue. Let us understand who are to be masters, the sovereign people or the corporations.

Here is the end, then, of one Experiment, and most sincerely do we rejoice at it. We congratulate the country that Congress, in so decisive a manner, has extinguished one of those measures which have so much an oblitionist!! he is attack ing the rights of the States, he is provoking stransactions recognise a chance? Why should we continually erect an alter to that unknown god, and refer constituted by the people of the South, and, Lord have mere to yupon us, they will dissolve the Union!

All this I could hear and endure with composure and distressed the community.

All this I could hear and endure with composure and the right have beared before, and shall hear again. But if, while I should be shall hear again. But if, while I should be discoursing, a native citizen of Philadelphia should rise and say, What right have you to regard to his pernicious measure. The soli.

The Poor Indians!

the Cumberland Valley Rail Road Company in reference to Governor Ritner of Pennsylvania. It appears that among the provisions of the Internal Improvement Act passed at the last session of the Pennsylvania Legislature, was one authorising and requiration. Then there was the sub-Treasury bill of the extra session which passed the Senate, and which contained a law without his signature. Then there was the sub-Treasury bill of the extra session which passed the Senate, and which contained a law without his signature. Then there was the sub-Treasury bill of the extra session which passed the Senate, and which contained a law without his signature.
