Brandreth's Vegetable Pills.

PUBLIC OPINION.—Public opinion is perhaps the only unerring guide from whose decision there is no appeal; and was there ever such a manifestation of its approval, as there is with BRANDRETH'S VEGETABLE UNIVERSAL PILLS? Step by step has this Medicine wormed itself into favor, in spite of envy, detraction and scorn. Triumphant has been its progress to its present sphere of extensive usefulness. It has surmounted obstacles before which quakers sink paralyzed—and has gained for itself a reputation which neither flattery, nor sycophant, nor sordid counterfeiting apothecaries can ever injure. These charlatans nevertheless to assail it with the malignant shafts of their despicable envy, and which rebounds upon themselves with a power each day on the increase, until they themselves will be covered with the slime of their own manufacturing. They can no more injure the reputation of BRANDRETH'S PILLS than they can lay their hands upon the sun.

How to be secure from counterfeits.—Never to purchase Brandreth's Pills without being positively sure that the person selling has a copperplate certificate of Agency, and observe it has been renewed—NO CERTIFICATE BEING ANY GUARANTEE AFTER TWELVE MONTHS FROM DATE that Pills sold by the holder are genuine.

All Pills having Wm. Brandreth on the label, and George Hodgkinson on the edge, are counterfeits, and made to DECEIVE THE PUBLIC and evade the law at the same time.

These, and indeed ALL counterfeit Pills, if used according to the direction of my Pills, are calculated to DESTROY LIFE. They are made in men having no standing or respectability, without habitation or name—perfectly careless of consequences, provided money is obtained.

[Extract from Dr. B's address to Citizens of U. S.] And be careful to remember that I have never authorized any Doctor, Druggist, Apothecary, or Pedler in the United States to sell my Pills. These contemptible rascals universally sell counterfeits. Never forget that this class, Doctors, Druggists, Apothecaries, and Pedlars are the men who sell counterfeits, and that all Tradesmen who are made agents, have each of them a COPPER-PLATE certificate of Agency, signed in writing with a pen by me; and which certificate requires renewal every twelve months, it being no guarantee for more than one year from date—observe the date is not WRITTEN, it is COPPER-PLATE.

The following respective persons are my duly authorized AGENTS in Adams county, Pa., whose names are

THOMAS J. COOPER, Gettysburg, JOHN M. STEVENSON, do. J. A. & J. S. DAVIS, Littlestown. WILLIAM HILDEBAND, East Berlin. ADAM EPLY, New Chester. ABRAHAM KING, Hunterstown.

My offices in Philadelphia are at No. 8 North Eight Street, and 43 Chesnut Street. B. BRANDRETH, M. D. 211 Broadway, New York.

N. B. All travellers from me have a power of Attorney, proved before the Clerk of the County of New York. Observe it.

PUBLIC NOTICES.

BEAUTIFUL HEAD OF HAIR

is the grandest ornament belonging to the human frame. How strangely the loss of it changes the countenance and prematurely brings on the appearance of old age, which causes many to recede at being uncovered, and sometimes even to shun society to avoid the jeers and sneers of their acquaintance; the remainder of their lives are consequently spent in retirement. In short, not even the loss of property fills the generous thinking youth with that heavy sinking gloom as does the loss of his hair. To most all these unpleasant circumstances, OLDRIDGE'S BALM OF CO. LUMBIA stops the hair from falling off on the first application and a few bottles restores it again. It likewise produces eyebrows and whiskers; prevents the hair from turning gray, makes it curl beautifully, and frees it from scurf. Numerous certificates of the first respectability in support of the virtues of Oldridge's Balm, are shown by the proprietors.

Read the following: ROBERT WHARTON, Esq. late Mayor of Philadelphia, has certified, as may be seen below, to the high character of the following gentleman.

The undersigned do hereby certify that we have used the Balm of Columbia discovered by J. H. Oldridge, and have found it to be a restorative not only as a preventive against the falling off of hair, but also a certain
