Sir-I do hereby certify, that I have been afflicted with Dyspepsia for the last 4 or 5 years, which has been increasing on me over since to such a degree, that for the last 3 or 4 weeks previous to using your valuable Garlegent's Balsam of Health, I am certain I had not eat one ounce a day of any kind of food, neither was I able to sleep with any kind of comfort during the time, because of a severe pain in the stomach. In fact. I 'had given up myself as incurable, as I had recourse to so many different remedies without any benefit. At length I lieard of your Balsam of Health being advertised, and was induced to try it. I accordingly bought one bottle from your agent, (Wm. Miller, Winchester.) After taking the first three doses, I found the stomach to retain in some degree what I cat, and the pain in a great measure subsiding. After using only one and a half botties I found myself entirely well, and can now eat any thing I have an inclination for, and can sleep well at night. It was surprising to sec the quanti--17 of morbid matter I discharged from my stomach, which I am inclined to believe was coated thick with it, which no doubt rendered all diet indigesti-Me. : Given under may hand this let day of Docomber, 1836.

BEAUTIFUL HEAD A is the grandest draument belonging to the human frame. How strangely the loss of it changos the countenance and prematurely brings on the appearance of old age, which causes many to recoil at being uncovered, and sometimes even to shun society to avoid the jests and secers of their soun society to avoid the jests and sheets of their acquaintance; the remainder of their lives are consequently spontlin retirement. In short, not even the loss of property fills the generous thinking youth with that heavy sinking gloom as does the loss of his hair. To avort all these unpleasant circumstances. cumstances, OLDRIDGE'S BALM OF CO-LUMBIA stops the hair from falling off, on the first application and a few bottles restores it again. It likewise produces cyobrows and whiskers; preonts the hair from turning grey, makes it curl the virtues of Oldridge's Bulm, are shown by the

TO THE AFFLICTED PUBLIC. Tr is considered of great importance for the public to know the following facts:

About four years ago, Solomon Hays, the person to whom the celebrated Dr. Gridley had, on his death bod, imparted the secret of making a Liniment to cure the Piles, authorized it to be put up and sold under the name of Hays' Liniment, and enjoined that all who would use one bottle for the Piles, and return the empty bottle,

should have the prices refunded.
Since that time, upwards of fifty thousand bettles have been seld, out of which, not ten have been returned, and those only because the per-ALL persons indebted to the Estate of sons did not use it properly!! It is now determined by the proprietor, that the public shall be made more fully acquainted with its virtues, so that these suffering with that with its virtues, so that these suffering with that the subdreadful complaint may avail themselves of its use.
There are many thousand certificates of the most respectable and authentic character, many of which may be examined where the article is sold.
