It is time that of the result, had the contest been fairly con- currency quackery should end, at least for a ducted, may be readily formed. The ag. season .- Balt. Patriot. gregate vote received for Governor Ritner. counting the Northern Liberties, amounts to 124,026 votes; or upwards of 30,000 more than he received in 1835! His majority this year is 16,366 over the joint vote received by Wolf and Muhlenberg! He received a larger vote by tens of thousands than was ever before given to any Gubernatorial candidate. These facts will no doubt excite surprise, especially when it is known that notwithstanding this extraordinary vote, and the fearless, manly and patriotic course of Governor Ritner throughout, the Loco Focos contrived by fraud and foul play, to give his competitor an apparent majority. We mention them, more especially for the benefit of our friends at a distance, and in order that those friends may perceive on what a noble support our hopes were desk. It is a very interesting No. The adverfounded, when we so confidently predicted tisement will appear next week. the triumphant re-election of the Farmer Governor. Had the wildest and most extravagant political enemy supposed for a SMITH of Frederick (Md.) College. moment that Governor Ritner would at the recent contest have received 30,000 more votes than he received in '35—he must have admitted promptly and without the slightest vertisement of this highly valuable paper, yet since
