The cures, the great, effectual and undeniable cures which this fine tonic and restorative remedy effects in the cases that are particularly in other advertisements, are daily exciting the admiration and eliciting the candid acknowledgment of the medical profession who witness them.

Health and Happiness. Dr. Wm. EVANS' CAMOMILE PILLS. THE DIFFERENCE. It cannot be denied that whilst many medicines which are recommended to the public, have not even the negative merit of harmlessness, there are others which it would be great injustice indeed and suicidal prejudice to involve, untried, in a common condemnation.

THE CAMOMILE PREPARATION of Dr. Evans, of New York, is undeniably entitled to this enviable distinction; for whilst no medical authority in existence condemns it, every medical work which alludes to it, and every medical practitioner that is acquainted with it, freely acknowledges its pre-eminence.

Dr. W. EVANS does not pretend that his Camomile Pills will cure all diseases. He frankly and conscientiously admits that they will not. He lays no claim to the discovery of the "Philosopher's Stone, and wishes nobody to believe that he sells the Elixir of Life."

PREPARED ONLY BY JOHN S. MILLER, Frederick City, Md. THIS valuable Medicine has only been introduced to the public in various parts of the country, and hundreds of persons have used it, and found its beneficial effects, and 7 out of ten cases have been permanently cured of the Dyspepsia, Cholera, Nervous Tremors, loss of Spirits, Palpitation of the heart; and all those trains of diseases, resulting from a disordered condition of the stomach and liver, or derangement of the digestive function, such as general debility or weakness, flatulence, loss of appetite, sour eructations and acidities of the stomach, costiveness, head ache, jaundice, distended and bilious cholera, &c.

Certificate of Nicholas Weaver. This is to certify that I bought of your agent at Gettysburg, several bottles, of your valuable Balm of Health, which completely cured me of the Dyspepsia. I had taken much of other patent Medicines, but found no relief, until I made use of your Balm of Health, which effected a radical cure, and do recommend it to all those who are troubled with that obstinate disorder Dyspepsia.

Certificate of Jos. S. Snapp, Frederick Co. Va. Mr. John Miller, Sir--I do hereby certify, that I have been afflicted with Dyspepsia for the last 4 or 5 years, which has been increasing on me ever since to such a degree, that for the last 3 or 4 weeks previous to using your valuable Garlegant's Balsam of Health, I am certain I had not eaten one ounce a day of any kind of food, neither was I able to sleep with any kind of comfort during the time, because of a severe pain in the stomach. In fact, I had given up myself as incurable, as I had recourse to so many different remedies without any benefit. At length I heard of your Balsam of Health being advertised, and was induced to try it. Accordingly I bought one bottle from your agent, (Wm. Miller, Winchester.) After taking the first three doses, I found the stomach to retain in some degree what I eat, and the pain in a great measure subsided. After using only one and a half bottles I found myself entirely well, and can now eat any thing I have an inclination for, and can sleep well at night. It was surprising to see the quantity of morbid matter I discharged from my stomach, which I am inclined to believe was costed thick with it, which no doubt rendered all diet indigestible. Given under my hand this 1st day of December, 1836.

JOSEPH S. SNAPP. The proprietor requests all those persons that are afflicted in the way above described, to give him medicine a fair trial, and he assures them they will not be disappointed.

Public Opinion. Public opinion is perhaps the only unerring guide from whose decision there is no appeal; and was there ever such a manifestation of its approval, as there is with BRANDRETH'S VEGETABLE UNIVERSAL PILLS? Step by step has this Medicine worn itself into favor, in spite of ENVY, DESTRUCTION and SCORN. Triumph has been its progress to its present sphere of extensive usefulness. It has surmounted obstacles before which quackery sinks paralyzed--and has gained for itself a reputation which neither ENVICIOUSNESS, nor sordid counterfeiting apothecaries can ever injure. These charlatans nevertheless do assail it with the malignant shafts of their despicable envy, and which rebounds upon themselves with a power each day on the increase, until they themselves will be covered with the slime of their own manufacturing. They can no more injure the reputation of BRANDRETH'S PILLS than they can lay their hands upon the sun.

TO THE AFFLICTED PUBLIC. It is considered of great importance for the public to know the following facts: About four years ago, Solomon Hays, the person to whom the celebrated Dr. Gridley has, on his death bed, imparted the secret of making a Liniment to cure the Piles, authorized it to be put up and sold under the name of Hays' Liniment, and enjoined that all who would use one bottle for the Piles, and return the empty bottle, should have the price refunded. Since that time, upwards of fifty thousand bottles have been sold, out of which, not ten have been cured, and those cured, because the persons did not use it properly! Such wonderful success, probably never attended any other article. It is now determined by the proprietor, that the public shall be made more fully acquainted with its virtues, so that those suffering with that dreadful complaint may avail themselves of its use. There are many cases of this kind, in which the most respectable and authentic character, many of which may be examined where the article is sold. It is used as an external application, and for many other complaints enumerated in the wrapper, is considered remarkably effective; but for the PILLS it is equally good, and the agents are now being sent to all cases where it does not cure. It is being used in hospitals in our principal cities with great effect.

NON FICIOUS. This extraordinary chemical composition, the result of science and the invention of a celebrated medical man, the introduction of which to the public was invested with the solemnity of a death-bed bequest, has since gained a reputation unparalleled for its utility, and the correctness of the lamented Dr. Gridley's last confession, that "he dared not die without giving to posterity the benefit of his knowledge on the subject," and he therefore bequeathed to his friend and attendant S. Hays, the secret of his discovery. It is now used in the principal hospitals, and the private practice in our country, first and most certainly for the cure of the PILLS, and also extensively and effectually as to bilious credulity, unless where its effects are witnessed. Externally in the following complaints: For Dropsy--Creating extraordinary absorption at once. All Swellings--Reducing them in a few hours. Hemorrhoids, and all Chronic, giving quick case. Sore Throat--By cankers, ulcers, colds, Croup and Whooping Cough--Externally and over the chest. All Bruises, Sprains, and Burns, curing in a few hours. Sores and Ulcers--Whether fresh or long standing. Sore Ears--Giving relief in a few days. Its operation upon adults and children in reducing rheumatic swellings, and loosening coughs and tightness of the chest by relaxation of the parts, has been surprising beyond conception--The common remark of those who have used it in the PILLS, is, "It acts like a charm."

It is used only as an external application, and as a powerful agent in curing the above named complaints, is justified by scientific principles. CAUTION--Observe that each bottle of the genuine has a splendid engraved wrapper with the name of Mr. Hays and Comstock & Co. on it. For Sale at the Drug Store of SAMUEL H. BUEHLER. ILLUSTRATION OF REALITY. Read the following and be convinced!

A BEAUTIFUL HEAD OF HAIR is the grand ornament belonging to the human frame. How strongly the loss of it changes the countenance and prematurely brings on the appearance of old age, which causes many to recoil at being uncovered, and sometimes even to shun society to avoid the jests and sneers of their acquaintance; the remainder of their lives are consequently spent in regret. In short, not even the lowest grade of society fills the entering youth with that heavy sinking gloom as does the loss of his hair. To avert all these unpleasant circumstances, OLDRIIDGE'S BALM OF COLUMBIA stops the hair from falling off on the first application and a few bottles restores it again. It likewise protects eyebrows and whiskers, prevents itching humors, keeps the complexion clear, beautiful, and free from all scurf. Numerous certificates of the first respectability in support of the virtues of Oldridge's Balm, are shown by the proprietors.
