Interesting case Cured by Dr. WILLIAM EVANS' Camomile Tonic and Family Aperient Pills.

BENJAMIN BROWN, corner of Shippen and George streets, Philadelphia, was afflicted for seven years with extreme nervousness, by which he was not able to write his name. His symptoms, were excruciating, daily spasmodic pains in the head, loss of appetite, palpitation of the heart, giddiness and dimness of sight, utter inability of engaging in any thing that demanded vigor or courage, sickness of the stomach, impaired appetite, coldness and weakness of the extremities, emaciation and general debility, disturbed rest, a sense of weight at the stomach after eating, great mental despondency, severe flying pains in the chest, back and side costiveness, a dislike for society and conversation. Mr. B. has made a trial of various medicines now before the public, but to no effect, until observing in a public paper some cures performed by Dr. Wm. Evans' Camomile Tonic and Family Aperient Pills, he was induced to give them a trial, of which he is at any time happy to state that they effectually cured him of the above distressing disease.

Persons who doubt the above cure, are most respectfully directed to the above mentioned person, at the corner of Shippen and George streets. BENJAMIN BROWN. Philadelphia, Oct. 26, 1828. For sale at the Drug Store of GEO. R. GILBERT & CO. Gettysburg, Nov. 6, 1838.

Important to the Sick.

THE vicissitudes of the summer, and the preceding spring, have afforded peculiar opportunities for exemplifying to the country the happy effects of Dr. Wm. Evans' Camomile Tonic Pills, upon debilitated constitutions.

In cases of extreme nervous suffering, which stimulating tonics only momentarily relieve, and at length greatly aggravate, a single box of these beautifully compounded pills has proved an immediate and continual benefit. The loss of appetite and tremulous exhaustion which all invalids feel during this oppressive season, are relieved within two or three hours by one dose only; and in many cases a few doses will fortify the system a long time against a recurrence of these attacks.

To Ladies especially, who suffer from nausea and lassitude incidental to interesting changes of health, these pills are friends indeed, and a bottle of them has hence become a favorite boudoir and toilette confidant of ladies in wedded life. If taken before exercise in the open air, they will generally prevent the lassitude and fatigue which frequently attend it at this season; and if taken afterwards they never fail to relieve these sensations in a few moments.

That oppressive sensation of arterial fullness and throbbing in the head, which is generally experienced in fervid and sultry weather, is so speedily removed by those Pills that they are room-recommended by a great number of our best Physicians in preference to any other prescriptions, as they are well known to be in many other cases.

The cures, the great, effectual and undeniable cures which this fine tonic and restorative remedy effects in the cases that are particularized in other advertisements, are daily exciting the admiration and enlisting the candid acknowledgment of the medical profession who witness them. Directions for taking these Camomile Pills, as well as Dr. Wm. Evans' Aperient Family Pills, always accompany them; and they may be obtained wholesale and retail, at 19th north 8th st. Philadelphia.

Also for sale at the Drug Store of GEO. R. GILBERT & CO. Gettysburg, Nov. 6, 1838.

Health and Happiness. Dr. Wm. EVANS' CAMOMILE PILLS. THE DIFFERENCE.

IT cannot be denied that whilst many medicines which are recommended to the public, have not even the negative merit of harmlessness, there are others which it would be great injustice indeed and suicidal prejudice to involve, untried, in a common condemnation. And when a medicine comes endorsed with all the great profession, and warranted by the seal and signature of long and uniform success, its proprietor makes no unreasonable demand upon public confidence, when he claims for it a superior consideration.

THE CAMOMILE PREPARATION OF Dr. Evans, of New York, is undeniably entitled to this enviable distinction; for whilst no medical authority or existence condemns it, every medical work which alludes to it, and every medical practitioner that is acquainted with it, freely acknowledges its pre-eminence; and that the latter should do so in opposition to their personal interests, must be attributed either to their candor and love of truth, or to their unwillingness to fly in the face of all observation, and the testimony of thousands.

Dr. W. EVANS does not pretend that his Camomile Pills will cure all diseases.—He frankly and conscientiously admits that they will not. He lays no claim to the discovery of the "Philosopher's Stone, and wishes nobody to believe that he sells the Elixir of Life," but he does say and he does believe and he can prove that in debilitated and impaired constitutions; in nervous diseases of all kinds; in weakness of the digestive organs; in incipient consumptions whether of the lungs or of the liver; in the dreadful debility occasioned by the use of purgatives, in palsy, rheumatism (more especially) in the sickness incident to mothers and females of relaxed nerves; in every case of delirium tremens, or that disease which is brought on by intemperance; in the wretched horrors of the mind and body which accrue from occasional inebriety, in the loss of appetite; languor, melancholy, pains in the head, limbs, or side; in corrupt, sallow, and uncomely complexions, which arise from the bad state of the fluids; in all these cases, and in some others mentioned in the bills and directions given with his medicines, he does say, that the Camomile Pills interchangeably occasionally with his aperient family pills, (the best known) which are sold with them, will affect immediate relief; and if used but for a fair period of trial, a perfect cure. This much is placed beyond doubt, by daily testimonies which would be given on oath; and for this much Dr. W. Evans can conscientiously request confidence. He therefore need only to add that his camomile pills, together with his excellent aperient pills, can be obtained, wholesale or retail at No. 19th north 8th st. Philadelphia. Also for sale at the Drug Store of GEO. R. GILBERT & CO. Gettysburg, Nov. 6, 1838.

To Dr. Wm. Evans. Georgetown, D. C. June 28, 1838.

RESPECTED FRIEND.—I am truly gratified that I can return my sincere thanks to you, who have been the cause of my being restored to perfect health. For five months past I have been laboring under a severe Chronic Inflammatory Rheumatism, attended with debility, loss of appetite, loss of spirits, &c. Having frequently heard of the truly excellent quality of your Camomile Pills, I at last determined to make trial of them, although not without considerable opposition from my physician and family. At last seeing my determination they agreed to the trial; and upon using the third package, I was altogether restored to health. How can I express my gratitude and sincere regard for such a saviour of human frames? My case was altogether hopeless, and I must confess myself surprised at the extraordinary result. No people were ever more blessed than we are with such remedies. The many quick advertisements which appear in the papers which I receive from your city, deterred me from using your pills before I did. I can truly say that no medicine in the known world has had such a beneficial effect as your Camomile and Aperient Pills. What makes the cure more extraordinary is that I am more than forty years of age, and for the last four years could just move about, and only at short intervals. I am at present entirely recovered, and my hopes are that you may enjoy a long and prosperous life. If I am spared, I will almost certainly come to Philadelphia to see you.

If my name and letter will be of any service to you, you are at perfect liberty to make use of them and all I can do to aid you will be done with unbounded pleasure. Your truly grateful and humble servant. WILLIAM JOHNSON.

BALSAM OF HEALTH. Prepared only by JOHN S. MILLER, Frederick City, Md.

THIS valuable Medicine has only been introduced to the public in various parts of the country, and hundreds of persons have used it, and found its beneficial effects, and 7 out of ten cases have been permanently cured of the Dyspepsia, Cholera, Nervous Tremors, loss of Spirit, Palpitation of the heart; and all those trains of diseases, resulting from a disordered condition of the stomach and liver, or derangement of the digestive function, such as general debility or weakness, flatulency, loss of appetite, sour eructations and acidities of the stomach, costiveness, head ache, jaundice, flatulent and bilious colic, &c.

The proprietor does not recommend it as most patent medicines, as a cure all, and when used is found wanting, so that the public have got so much deceived, that they can scarcely be prevailed upon to try any more, which is not the case with this Balsam of Health, as hundreds of persons have received the most happy and good effects, which the proprietor can prove, if required by the testimony of many respectable persons that have been cured of the above diseases, he has only given the certificates of several persons below, as it would occupy too much room in this advertisement to insert all the certificates, which he has in his possession—many of which can be seen in his Directions, which accompany each Bottle.

Certificate of Nicholas Weaver. This is to certify that I bought of your agent at Gettysburg, several bottles, of your valuable Balsam of Health, which completely cured me of the Dyspepsia. I had taken much of other patent Medicines, but found no relief, until I made use of your Balsam of Health, which effected a radical cure, and do recommend it to all those who are troubled with that obstinate disorder Dyspepsia. NICHOLAS WEAVER. Gettysburg, Pa. Nov. 2, 1836.

Certificate of Jos. S. Snapp, Frederick Co. Va. Mr. John Miller, Sir—I do hereby certify, that I have been afflicted with Dyspepsia for the last 4 or 5 years, which has been increasing on me ever since to such a degree, that for the last 3 or 4 weeks previous to using your valuable Garlegant's Balsam of Health, I am certain I had not eaten once a day of any kind of food, neither was I able to sleep with any kind of comfort during the time, because of a severe pain in the stomach. In fact, I had given myself as incurable, as I had recourse to so many different remedies without any benefit. At length I heard of your Balsam of Health being advertised, and was induced to try it. Accordingly I bought one bottle from your agent, (Wm. Miller, Winchester.) After taking the first three doses, I found the stomach to retain in some degree what I eat, and the pain in a great measure subsiding. After using only one and a half bottles I found myself entirely well, and can now eat anything I have an inclination for, and can sleep well at night. It was surprising to see the quantity of morbid matter I discharged from my stomach, which I am inclined to believe was coated thick with it, who no doubt rendered all diet indigestible. Given under my hand this 1st day of December, 1836.

JOS. S. SNAPP. Frederick County, Va. The proprietor requests all those persons that are afflicted in the way above described, to give his medicine a fair trial, and he assures them they will not be disappointed.

He does assure the public and citizens of this place and county, that his Balsam is Botanical in its composition, and is perfectly innocent, and can be used by both sexes of any age, with perfect safety without any change of habit or diet.

For sale only in Hagerstown, by MILLER and LUTZ, in Waynesboro, Pa. by M. M. STONER, and in Shippensburg, by JOHN BRACKENBRIDGE. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, May 15, 1838.

Brandreth's Vegetable Pills.

PUBLIC OPINION.—Public opinion is perhaps the only unerring guide from whose decision there is no appeal; and was there ever such a manifestation of its approval, as there is with BRANDRETH'S VEGETABLE UNIVERSAL PILLS! Step by step has this Medicine wormed itself into favor, in spite of ENY, BERTHOUD and SCORR. Triumphant has been its progress to its present sphere of extensive usefulness.

It has surmounted obstacles before which quackery sinks paralyzed—and has gained for itself a reputation which neither PURSUIT, nor siphon sordid counterfeiting apothecaries can ever injure. These charlatans nevertheless do assail it with the malignant shafts of their despicable envy, and which rebounds upon themselves with a power each day on the increase, until they themselves will be covered with the slime of their own manufacture. They can no more injure the reputation of BRANDRETH'S PILLS than they can lay their hands upon the sun.

How to be SECURE FROM COUNTERFEITS.—Never to purchase Brandreth's Pills without being positively sure that the person selling has a copperplate certificate of Agency, and observe it has been renewed—no CERTIFICATE BEING ANY GUARANTEE AFTER TWELVE MONTHS FROM DATE that Pills sold by the holder are genuine.

All Pills having Wm. Brandreth on the label, and George Hodgkinson on the edge, are counterfeit, and made to DECEIVE THE PUBLIC and evade the law at the same time.

These, and indeed ALL counterfeit Pills, if used according to the direction of my Pills, are calculated to DESTROY LIFE. They are made by men having no standing or respectability, without habitation or name—perfectly careless of consequences, provided money is obtained.

(Extract from Dr. B's address to Citizens of U. S.) And be careful to remember that I have never authorized any Doctor, Druggist, Apothecary, or Pedler in the United States to sell my Pills. These contemptible rascals universally sell counterfeit Pills. Never forget that this class, Doctors, Druggists, Apothecaries, and Pedlars are the men who sell counterfeits, and that all Tradesmen who are made agents, have each of them a COPPER-PLATE certificate of Agency, signed in writing with a pen by me; and which certificate requires renewal every twelve months, it being no guarantee for more than one year from date—observe the date is not WRITTEN, it is COPPERPLATE.

The following respective persons are my duly authorized AGENTS in Adams county, Pa., whose names are,

- THOMAS J. COOPER, Gettysburg, JOHN M. STEVENSON, do. J. A. & J. S. DAVIS, Littlestown, WILLIAM HILDEBAND, East Berlin, ADAM EPPLY, New Chester, ABRAHAM KING, Hunterstown.

My offices in Philadelphia are at No. 8 North Eighth Street, and 43 Chestnut Street. B. BRANDRETH, M. D. 241 Broadway, New York.

BEAUTIFUL HEAD OF HAIR

is the greatest ornament belonging to the human frame. How strangely the loss of it changes the countenance and prematurely brings on the appearance of old age, which causes many to recoil at being uncovered, and sometimes even to shun society to avoid the jeers and sneers of their acquaintances; the remainder of their lives are consequently spent in retirement. In short, not even the loss of property fills the generous thinking youth with that heavy sinking gloom as does the loss of his hair. To meet this want, we have used the Balm of Columbia discovered by J. Oldridge, and have found it highly serviceable not only as a preventive against the falling out of hair, but also a certain restorative.

In witness whereof, I have hereunto set my hand, and caused the seal of the city to be affixed, [L. S.] ROBERT WHARTON, Mayor.

Piles or Hemorrhoids.

IT is considered of great importance for the public to know the following facts: That the celebrated Dr. Gridley had, on his death bed, imparted the secret of making a Lintment to cure the Piles, authorized it to be put up and sold under the name of Hays' Lintment, and enjoined that all who would use one bottle for the Piles, and return the empty bottle, should have the price refunded.

Since that time, upwards of fifty thousand bottles have been sold, out of which, not ten have been returned, and those only because the persons did not use it properly!! Such wonderful success, probably, never attended any other article.

It is now determined by the proprietor, that the public shall be made more fully acquainted with its virtues, so that those suffering with that dreadful complaint may avail themselves of its use.

There are many thousand certificates of the most respectable and authentic character, many of which may be examined where the article is sold. It is used as an external application, and many have cured themselves by its use. It is considered remarkably effective; but for the Piles it has no equal, and the agents are now bound to refund in all cases where it does not cure.

It is being used in Hospitals in our principal cities with great effect.

No Fiction.—This extraordinary chemical composition, the result of the most judicious selection of a celebrated medical man, the introduction of which to the public was invested with the solemnity of a death-bed bequest, has since gained a reputation unparalleled, fully sustaining the correctness of the lamented Dr. Gridley's last confession, that "he dared not die without giving to posterity the benefit of his knowledge on the subject," and he therefore bequeathed to his friend and attendant S. Hays, the secret of his discovery.

It is now used in the principal hospitals, and the private practice in our country, first and most certainly for the cure of the Piles, and also so extensively and effectually as to be fully credited, unless where its effects are witnessed. External use in the following complaints:

For Dropsy.—Creating extraordinary absorption at once. All Swellings.—Reducing them in a few hours. Rheumatism.—A cure Chronic, giving quick ease. Sore Throat.—By cancers, ulcers, or colds. Croup and Whooping Cough.—Externally end over the chest.

All Bruises, Sprains, and Burns, curing in a few hours. Sores and Ulcers.—Whether fresh or long standing, and Fever sores.

Its operation upon adults and children in reducing rheumatic swellings, and loosening coughs and tightness of the chest, by its action on the parts, has been so surprising beyond conception, that a common remark of those who have used it in the Piles, is, "it acts like a charm."

It is used only as an external application, and as a sovereign power in curing the above named complaints, is justified by scientific principles.

Caution.—Observe that each bottle of the genuine has a splendid engraved wrapper, on which is the name of Mr. Hays and Comstock & Co. on it.
