Important to the Sick.

THE vicissitudes of the summer, and the
preceding spring, have afforded pecu-
liar opportunities for exemplifying to the
country the happy effects of Dr. W. Evans'
Camomile Tonic Pills, upon debilitated con-
stitutions. In cases of extreme nervous suf-
fering, which stimulating tonics only mo-
mentarily relieve, and at length greatly ag-
gravate, a single box of these beautifully
compounded pills has proved an immediate
and continual benefit. The loss of appetite
and tremulous exhaustion which all invalids
feel during this oppressive season, are reliefed
within two or three hours by one dose on-
ly; and in many cases a few doses will fortify
the system a long time against a recur-
rence of these attacks. To Ladies especially,
who suffer from nausea and lassitude
incident to interesting changes of health,
these pills are friends indeed, and a bottle of
them has hence become a favorite honor-
and toilette confidant of ladies in wedded life.
If taken before exercise in the open air, they
will generally prevent the lassitude and fa-
tigue which frequently attend it at this sea-
son; and if taken afterwards they never fail
to relieve these sensations in a few moments.
That oppressive sensation of arterial fullness
and throbbing in the head, which is gener-
ally experienced in ferid and sultry weather,
is so speedily removed by these Pills that
they are recommended by a great number
of our best Physicians in preference to any
other prescriptions, as they are well known
to be in many other cases.

Public Opinion.—Public opinion is per-
haps the only unerring guide from whose
decision there is no appeal; and was there ever
such a manifestation of its approval, as there is
with BRANDRETH'S VEGETABLE UNIVERS-
SAL PILLS? Step by step has this Medicine
wormed itself into favor, in spite of every
snares and scorns. Triumphant has been its
progress to its present sphere of extensive useful-
ness. It has surmounted obstacles which quakers
sinks paralyzed—and has gained for itself a
reputation which neither physicians, nor flippant
solid countenancing apothecaries can ever injure.
These charlatans nevertheless do assail it with
the malignant shafts of their despicable envy,
and which rebounds upon themselves with a power
each day on the increase, until they themselves
will be covered with the slime of their own manu-
facturing. They can no more injure the reputa-
tion of BRANDRETH'S PILLS than they can
lay their hands upon the sun.

Interesting case Cured

By Dr. WILLIAM EVANS' Camomile Tonic
and Family Aperient Pills.
BENJAMIN BROWN, corner of Ship
pen and George streets, Philadelphia,
was afflicted for seven years with extreme
nervousness, by which he was not able to
write his name. His symptoms, were cras-
tation, daily spasmodic pains in the head,
loss of appetite, palpitation of the heart,
giddiness and dimness of sight, utter inability
of engaging in any thing that demanded
vigil or courage, sickness of the stomach,
impaired appetite, coldness and weakness of
the extremities, emaciation and general de-
bility, disturbed rest, a sense of weight at
the stomach after eating, great mental de-
pendency, severe flying pains in the chest,
back and side costiveness, a dislike for so-
ciety and conversation. Mr. B. has made
a trial of various medicines now before the
public, but to no effect, until observing in a
public paper some cures performed by Dr.
Wm. Evans' Camomile Tonic and Family
Aperient Pills, he was induced to give them
a trial, of which he is at any time happy to
state that they effectually cured him of the
above distressing disease.

Persons who doubt the above cure,
are most respectfully directed to the above
mentioned person, at the corner of Shippen
and George streets.

Brandreth's Vegetable Pills.

How to be secured from counterfeits.—
Never to purchase Brandreth's Pills without
being positively sure that the person selling has
a copierplate certificate of Agency, and observe
it has been renewed—NO CERTIFICATE BE-
ING ANY GUARANTEE AFTER TWELVE
MONTHS FROM DATE that Pills sold by the
holder are genuine.

All Pills having Wm. Brandreth on the label,
and George Hodgkinson on the edge, are counter-
feits, and made to DECEIVE THE PUBLIC
and evade the law at the same time.

These, and indeed all counterfeit Pills, if used
according to the direction of my Pills, are cal-
culated to DESTROY LIFE. They are made by
men having no standing or respectability, without
habitation or name—perfectly careless of conse-
quences, provided money is obtained.
[Extract from Dr. B's address to Citizens of U. S.]
And be careful to remember that I have never
authorized any Doctor, Druggist, Apothecary, or
Pedler in the United States to sell my Pills.
These contemptible persons universally sell
counterfeits. Never forget that this class, Doctors,
Druggists, Apothecaries, and Pedlars are the men
who sell counterfeits, and that all Tradesmen who
are made Agents, have each of them a COPPER-
PLATE certificate of Agency, signed in writing
with a pen by me; and which certificate requires
renewal every twelve months, it being no guaran-
tee for more than one year from date—observe the
date is not WRITTEN, it is COPPERPLATE.

authorized AGENTS in Adams county, Pa.,
whose names are,

HYPOCHONDRIACISM.

Cured by Dr. Evans' Camomile Tonic
and Family Aperient Pills.
MRS. GOOD, of Mount Joy, Lancas-
ter county Pa., was afflicted for seven
years with distressing symptoms of which
she was confined to her bed for nine months.
Her symptoms were, depression of spirits,
sickness at the stomach, headache, impaired
appetite, great pressure and weight at
the stomach after eating, great mental de-
pendency, flying pains in the chest, back
and sides, costiveness, emaciation, coldness
and weakness of the extremities, a dislike
for society or conversation, involuntary
sighing and weeping, and languor and lassit-
ude upon the least exercise. Mrs. Good
was in the most desperate situation, and
could obtain no relief until she was advised
by her neighbors to make trial of Dr. Evans'
Camomile Pills of which she is happy
to state that she now enjoys all the
blessings of perfect health. Persons desir-
ous of further information will be satisfied
of every particular of her astonishing cure
by applying at No. 10 N. Eighth street

To Dr. Wm. Evans.

Georgetown, D. C. June 28, 1838.
RESPECTED FRIEND.—I am truly
gratified that I can return my sincere
thanks to you, who have been the cause of
my being restored to perfect health. For
five months past I have been laboring under
a severe Chronic Inflammatory Rheumatism,
attended with debility, loss of appetite, low-
ness of spirits, &c. Having frequently
heard of the truly excellent quality of your
Camomile Pills, I at last determined to
make trial of them, although not without
considerable opposition from my physician
and family. At last seeing my determina-
tion they agreed to the trial; and upon
using the third package, I was altogether
restored to health. How can I express my
gratitude and sincere regard for such a sal-
vator of human frames? My case was al-
together hopeless, and I must confess my
self surprised at the extraordinary result.
No people were ever more blessed than we
are with such remedies. The many quick
advertisements which appear in the papers
which I receive from your city, deterred
me from using your pills before I did. I can
truly say that no medicine in the known
world has had such a beneficial effect as
your Camomile and Aperient Pills. What
makes the cure more extraordinary is that
I am more than forty years of age, and for
the last four years could just move about
and only at short intervals. I am at pres-
ent entirely recovered, and my bones are
that you may enjoy a long and prosper-
ous life. If I am spared, I will almost cer-
tainly come to Philadelphia to see you.
If my name and letter will be of any ser-
vice to you, you are at perfect liberty to
make use of them and all I can do to aid
you will be done with unbounded pleasure.
Your truly grateful and humble servant,
WILLIAM JOHNSON.

Health and Happiness.

Dr. Wm. EVANS' CAMOMILE PILLS.
THE DIFFERENCE.
It cannot be denied that whilst many med-
icines which are recommended to the
public, have not even the negative merit of
harmlessness, there are others which it
would be great injustice indeed and suicidal
prejudice to involve, untried, in a common
condemnation. And when a medicine comes
endorsed with all the great profession, and
warranted by the seal and signature of long
and uniform success, its proprietor makes
no unreasonable demand upon public con-
fidence, when he claims for it a superior con-
sideration.

THE CAMOMILE PREPARATION
of Dr. Evans of New York, is undeniably
entitled to this enviable distinction; for whilst
no medical authority in existence condemns
it, every medical work which alludes to it,
and every medical practitioner that is ac-
quainted with it, truly acknowledges its
premier virtues; and that the latter should
do so in opposition to their personal
interests, must be attributed either to their
candor and love of truth, or to their unwilling-
ness to fly in the face of all observation
and the testimony of thousands.

Dr. W. EVANS does not pretend that
his Camomile Pills will cure all diseases.—
He frankly and conscientiously admits that
they will not. He lays no claim to the dis-
covery of the "Philosopher's Stone, and
wishes nobody to believe that he sells the
Elixir of Life, but he does say and he does
believe and he can prove that in debilitated
and impaired constitutions; in nervous dis-
eases of all kinds; in weakness of the diges-
tive organs; in incipient consumptions whether
of the lungs or of the liver; in the dread-
ful debility occasioned by the use of purgatives;
in palsy, rheumatism (more especially
in the sickness incident to mothers and
females of relaxed nerves; in every case of
delirium tremens, or that disease which is
brought on by intemperance; in the wretched
horror of the mind and body which ac-
cure from occasional inebriety, in the loss
of appetite; languor, melancholy, pains in
the head, limbs or side; in corrupt, sallow,
and uncomely complexions, which arise from
the bad state of the fluids; in all these cases,
and in some others mentioned in the bills
and directions given with his medicines, he
does say, that the Camomile Pills interchange-
ably, occasionally, with his aperient family
pills (the best known) which are sold with
them, will afford immediate relief; and if used
but for a fair period of trial, a perfect
cure. This much is placed beyond doubt,
by daily testimonies which would be given
on oath; and for this much Dr. W. Evans
can conscientiously request confidence. He
therefore need only to add that his camomile
pills, together with his excellent aperient
pills, can be obtained, wholesale or retail at
no. 19th north 8th st. Philadelphia. Also

ADVERTISEMENTS.

"The True Riches of Life is
Health."

We know that Health, and the ability to labor
is the wealth of the great mass of the people in this
and in most other countries. To preserve, there-
fore, that health by NATURAL MEANS, is a grand
moral and political scheme, to fulfill which re-
quires our utmost attention.
An unparalleled reputation which Peters' Pills
attract, is the most unquestionable proof that can be given
of their immense importance to the afflicted, in
most every class of diseases. The number of
cures received from patients recovering their
former means is really prodigious, and the ex-
amples which they have cured are almost as varied
as they are numerous. But still there are some
in which they are more especially beneficial
than in others; and among those may be named
the too often fatal complaints of the stomach and
bowels, such as Cholera, Flatulency, and Indige-
stion, for which they are not only a certain but an
immediate cure.
It is well known that from the disarrangement
of the stomach and bowels, arise nine tenths of all
the most dangerous and declining fevers that dis-
turb the human system, such as Typhoid, Typhus,
Indigestion, Loss of Appetite, &c. and that those
in their turn give birth to Dropsy, Liver Com-
plaint, Consumption, and habitual lowness of
spirits; therefore Peters' Pills being the very best
medicine which has ever been discovered for the
incipient diseases of the intestines, are necessarily
the most powerful means of curing all the above
and general disorders, which exhibit nature lit-
tle and drag so many millions to untimely graves.
In speaking thus Dr. Peters arrogates nothing
to himself that has not been conceded by the public.
He is no needy quack or unknown specu-
lator, who comes before the world as his own her-
ald and witness, but is placed in a responsible
situation by the patronage of the regular physi-
cians, that wherever his Vegetable Pills have
been introduced, they have almost succeeded the
adoption of measured experiments, for their pe-
culiar faculty in sweetening the blood, and stimu-
lating it to expel all noxious juices, and in giv-
ing strength and tone to the nerves, prevents dis-
ease from springing that directly which must be
of under the same circumstances which he has con-
fidedly prepared by JOS. PRIESTLY PETERS, M. D.
No. 129 Liberty street, New York. Each box
contains 40 pills; price 50 cents.

These celebrated Pills are sold by all the principal
Druggists in Baltimore, Philadelphia, Wash-
ington City, and throughout the United States,
Canada, Texas, Mexico, and the West In-
dies.

BACKS AND THEIR DESTRUCTIVE
NATURE.

THE united testimony of
physicians throughout the United States, has fully
proved the fact that Peters' Vegetable Pills
are the only true Vegetable Pills which will stand
the test of analysis; hence the proprietor
would most earnestly urge to the notice of
those who have been in the habit of using, as
calthetics or aperients, the destructive and irritat-
ing, and in some cases, generally speaking, and
which are at best but show consumers of the vital
functions, and murderous agents, even to the
most hale. It is true, most of them produce
a purgative effect, and sometimes transient relief;
but in most cases they injure the digestive or-
gans, and an habitual resort to them must termi-
nate in a confirmed dyspepsia.
It is true that cathartics and aperient medicines
are often required, but the nicest discrimination
should always be observed in the selection; and
if this be done, nothing injurious can result from
their use.

To produce this much-desired result, Dr. Pe-
ters has made it his study for several years, and
beyond his expectations. The object of his pills
is to supersede the necessity of a frequent recourse
to injurious purgatives, and to offer a medicine
safe, certain, and pleasant in its operation.
