TO Dr. Wm. Evans. Georgetown, D. C. June 25, 1839. RESPECTED FRIEND.—I am truly gratified that I can return my sincere thanks to you, who have been the cause of my being restored to perfect health. For five months past I have been laboring under a severe Chronic Inflammatory Rheumatism, attended with debility, loss of appetite, lowness of spirits, &c. Having frequently heard of the truly excellent quality of your Camomile Pills, I at last determined to make trial of them, although not without considerable opposition from my physician and family. At last seeing my determination they agreed to the trial; and upon using the third package, I was altogether restored to health. How can I express my gratitude and sincere regard for such a saviour of human frames? My case was altogether hopeless, and I must confess myself surprised at the extraordinary result. No people were ever more blessed than we are with such remedies. The many quick advertisements which appear in the papers which I receive from your city, deterred me from using your pills before I did. I can truly say that no medicine in the known world has had such a beneficial effect as your Camomile and Aperient Pills. What makes the cure more extraordinary is that I am more than forty years of age, and for the last four years could just move about, and only at short intervals. I am at present entirely recovered, and my hopes are that you may enjoy a long and prosperous life. If I am spared, I will almost certainly come to Philadelphia to see you. If my name and letter will be of any service to you, you are at perfect liberty to make use of them and all I can do to aid you will be done with unbounded pleasure. Your truly grateful and humble servant. WILLIAM JOHNSON. For sale at the Drug Store of GEO. R. GILBERT & Co. Gettysburg, Nov. 6, 1838. 1y-32

Brandreth's Vegetable Pills PUBLIC OPINION.—Public opinion is perhaps the only unerring guide from whose decision there is no appeal; and was there ever such a manifestation of its approval, as there is with BRANDRETH'S VEGETABLE UNIVERB SAL PILLS! Step by step has this Medicinewormed itself into favor, in spite of every opposition and scorn. Triumphant has been its progress to its present sphere of extensive usefulness. It has surmounted obstacles before which quackery sinks paralyzed—and has gained for itself a reputation which neither FUSCICARIA, nor sippant sordid counterfeiting apothecaries can ever injure. These charlatans nevertheless so assail it with the malignant shafts of their despicable envy, and which rebounds upon themselves with a power each day on the increase, until they themselves will be covered with the slime of their own manufacturing. They can no more injure the reputation of BRANDRETH'S PILLS than they can lay their hands upon the sun. HOW TO BE SECURE FROM COUNTERFEITS.—Never to purchase Brandreth's Pills without being positively sure that the person selling has a copperplate certificate of Agency, and observe it has been renewed—NO CERTIFICATE BEING ANY GUARANTEE AFTER TWELVE MONTHS FROM DATE that Pills sold by the holder are genuine. All Pills having Wm. Brandreth on the label, and George Hodgkinson on the edge, are counterfeits, and made to DECEIVE THE PUBLIC and evade the law at the same time. These, and indeed ALL counterfeit Pills, if used according to the direction of my Pills, are calculated to DESTROY LIFE. They are made by men having no standing or respectability, without habitation or name—perfectly careless of consequences, provided money is obtained. [Extract from Dr. B's address to Citizens of U.S.] And be careful to remember that I have never authorized any Doctor, Druggist, Apothecary, or Pedler in the United States to sell my Pills. These contemptible rascals universally sell counterfeit Pills. Never forget that this class, Doctors, Druggists, Apothecaries, and Pedlars are the men who sell counterfeits, and that all Tradesmen who are made agents, have each of them a COPPER-PLATE certificate of Agency, signed in writing with a pen by me; and which certificate requires renewal every twelve months, it being no guarantee for more than one year from date—observe the date is not WRITTEN, it is COPPERPLATE. The following respective persons are my duly authorized AGENTS in Adams county, Pa. whose names are, THOMAS J. COOPER, Gettysburg, JOHN M. STEVENSON, do. J. A. & J. S. DAVIS, Littlestown, WILLIAM HILDEBAND, East Berlin, ADAM EPLY, New Chester, ABRAHAM KING, Hunterstown. My offices in Philadelphia are at No. 8 North Eighth Street, and 43 Chesnut Street. B. BRANDRETH, M. D. 241 Broadway, New York. N. B. All travellers from me have a power of Attorney, proved before the Clerk of the County of New York. Observe it.

Health and Happiness. Dr. Wm. Evans' CAMOMILE PILLS. THE DIFFERENCE. IT cannot be denied that whilst many medicines which are recommended to the public, have not even the negative merit of harmlessness, there are others which it would be great injustice indeed and suicidal prejudice to involve, untried, in a common condemnation. And when a medicine comes endorsed with all the great profession, and warranted by the seal and signature of long and uniform success, its proprietor makes no unreasonable demand upon public confidence, when he claims for it a superior consideration. THE CAMOMILE PREPARATION of Dr. Evans, of New York, is undeniably entitled to this enviable distinction; for whilst no medical authority in existence condemns it, every medical work which alludes to it, and every medical practitioner that is acquainted with it, freely acknowledges its pre-eminent virtues; and that the latter should do so in opposition to their personal interests, must be attributed either to their candor and love of truth, or to their unwillingness to fly in the face of all observation and the testimony of thousands. Dr. W. EVANS does not pretend that his Camomile Pills will cure all diseases.—He frankly and conscientiously admits that they will not. He lays no claim to the discovery of the "Philosophy Stone," and wishes nobody to believe that he sells the "Elixir of Life," but he does say and he does believe and he can prove that in debilitated and impaired constitutions; in nervous diseases of all kinds; in weakness of the digestive organs; in incipient consumptions whether of the lungs or of the liver; in the dreadful debility occasioned by the use of purgatives; in palsy, rheumatism (more especially) in the sickness incident to mothers and females of relaxed nerves; in every case of delirium tremens, or that disease which is brought on by intemperance; in the wretched horrors of the mind and body which accrue from occasional inebriety, in the loss of appetite; languor, melancholy, pains in the head, limbs, or side; in corrupt, sallow, and uncomely complexions, which arise from the bad state of the fluids; in all these cases, and in some others mentioned in the bills and directions given with his medicines, he does say that the Camomile Pills interchangeably occasionally with his aperient family pills, (the best known) which are sold with them, will affect immediate relief; and if used but for a fair period of trial, a perfect cure. This much is placed beyond doubt, by daily testimonies which would be given on oath; and for this much Dr. W. Evans can conscientiously request confidence. He therefore need only to add that his camomile pills, together with his excellent aperient pills, can be obtained, wholesale or retail at No. 19th north 8th St. Philadelphia. A Catalogue of Reasons for using Dr. Peters' Vegetable Pills. 1. BECAUSE experience has established their merits, and decided them to be best, as also the most popular of modern medical discoveries. 2. Because they are composed of simples which have the power to do good in an immense number of cases, without possessing the means to do injury in any. 3. Because they are not a quack medicine, but the scientific compound of a regular physician, who has made his profession the study of his life and are hence recommended as a standard family medicine by the regular faculty. Important to the Sick. THE vicissitudes of the summer, and the preceding spring, have afforded peculiar opportunities for exemplifying to the country the happy effects of Dr. W. Evans' Camomile Tonic Pills, upon debilitated constitutions. In cases of extreme nervous suffering, which stimulating tonics only momentarily relieve, and at length greatly aggravate, a single box of these beautifully compounded pills has proved an immediate and continual benefit. The loss of appetite and tremulous exhaustion which all invalids feel during this oppressive season, are relieved within two or three hours by one dose only; and in many cases a few doses will fortify the system a long time against a recurrence of these attacks. To Ladies especially, who suffer from nausea and lassitude incidental to interesting changes of health, these pills are friends indeed, and a bottle of them has hence become a favorite boudoir and toilette confidant of ladies in wedded life. If taken before exercise in the open air, they will generally prevent the lassitude and fatigue which frequently attend it at this season; and if taken afterwards they never fail to relieve these sensations in a few moments. That oppressive sensation of arterial fullness and throbbing in the head, which is generally experienced in fervid and sultry weather, is so speedily removed by these Pills that they are recommended by a great number of our best Physicians in preference to any other prescriptions, as they are well known to be in many other cases. The cures, the great, effectual and undeviating cures which this fine tonic and restorative remedy effects in the cases that are particularly mentioned in other advertisements, are daily exciting the admiration and eliciting the candid acknowledgment of the medical profession who witness them. Directions for taking these Camomile Pills, as well as Dr. W. Evans' Aperient Family Pills, always accompany them; and they may be obtained wholesale and retail, at 19th north 8th St. Philadelphia. Also for sale at the Drug Store of GEO. R. GILBERT & Co. Gettysburg, Nov. 6, 1838. 1y-32

QUACKS AND THEIR DESTRUCTIVE INFLUENCE.—The united testimony of physicians throughout the United States has fully proved the fact that Peters' Vegetable Pills are the only true Vegetable Pills which will stand the test of analysis; hence the proprietor would most earnestly urge them to the notice of those who have been in the habit of using, as cathartics or aperients, the destructive and irritating quack pills so generally advertised, and which are at best but slow consumers of the vital functions, and murderous agents, even to the most hale. It is true, most of them produce a purgative effect, and sometimes transient relief; but in most cases they injure the digestive organs, and a habitual resort to them must terminate in confirmed dyspepsia. It is true that cathartic and aperient medicines are often required, but the nicest discrimination should always be observed in the selection; and if this be done, nothing injurious can result from their use. To produce this much-desired result, Dr. Peters has made it his study for several years, and feels proud to say he has succeeded at length, and beyond his expectation. The object of his pills is to supersede the necessity of a frequent recourse to injurious purgatives, and to offer a medicine safe, certain, and pleasant in its operation. Prepared by JOS. PRIESTLY PETERS, M. D. No. 129 Liberty street, New York. Each box contains 40 pills. Price 50 cents. For sale at the Drug Store of GEO. R. GILBERT & Co. Gettysburg, Nov. 27, 1838. 4t-35

Interesting case Cured By Dr. WILLIAM EVANS' Camomile Tonic and Family Aperient Pills. BENJAMIN BROWN, corner of Shippen and George streets, Philadelphia, was afflicted for seven years with extreme nervousness, by which he was not able to write his name. His symptoms, were eructation, daily spasmodic pains in the head, loss of appetite, palpitation of the heart, giddiness and dimness of sight, utter inability of engaging in any thing that demanded vigor or courage, sickness of the stomach, impaired appetite, coldness and weakness of the extremities, emaciation and general debility, disturbed rest, a sense of weight at the stomach after eating, great mental despondency, severe flying pains in the chest, back and side costiveness, a dislike for society and conversation. Mr. B. has made a trial of various medicines now before the public, but to no effect, until observing in a public paper some cures performed by Dr. Wm. Evans' Camomile Tonic and Family Aperient Pills, he was induced to give them a trial, of which he is at any time happy to state that they effectually cured him of the above distressing disease. Persons who doubt the above cure, are most respectfully directed to the above mentioned person, at the corner of Shippen and George streets. BENJAMIN BROWN. Philadelphia, Octob'r 26, 1838. HYPOCHONDRIACISM. Cured by Dr. Evans' Camomile Tonic and Family Aperient Pills. MRS. GOOD, of Mount Joy, Lancaster county, Pa., was afflicted for seven years with distressing symptoms of which she was confined to her bed for nine months. Her symptoms were, depression of spirits, sickness at the stomach, headache, impaired appetite, great pressure and weight at the stomach after eating, great mental despondency, living pains in the chest, back and sides, costiveness, emaciation, coldness and weakness of the extremities, a dislike for society or conversation, involuntary sighing and weeping, and languor and lassitude upon the least exercise. Mrs. Good was in the most desperate situation, and could obtain no relief until she was advised by her neighbors to make trial of Dr. Evans' Camomile Pills of which she is happy to state that she is now enjoying all the blessings of perfect health. Persevering desirous of further information will be satisfied of every particular of her astonishing cure by applying at No. 10 N. Eighth street Philadelphia, or at her residence. "The True Riches of Life is Health." We know that Health, and the ability to labor in the wealth of the great mass of the people in this as in most other countries. To preserve, therefore, that health by NATURAL means, is a grand moral and political axiom, to fulfil which require our utmost attention. THE unparalleled reputation which Peters' Pills have acquired as a Medical Restorative, is the most unquestionable proof that can be given of their immense importance to the afflicted, in almost every class of disease. The number of letters received from patients recovering through their means is really prodigious, and the complaints which they have cured are almost as varied as they are numerous. But still there are some in which they are more especially beneficial than in others; and among those may be named the following, to wit: Scurvy, Dropsy, in the bowels, such as Cholera, Flatulency, and Indigestion, for which they are not only a certain but an immediate cure. It is well known that from the disarrangement of the stomach and bowels, arise nine tenths of all the maladies of adult and declining life; that this is the foundation of Flatulency, Spasmodic Pains, Indigestion, Loss of appetite, and the various ailments in their turn give birth to Dropsy, Liver Complaint, Consumption, and habitual lowness of spirits; therefore Peters' Pills being the very best medicine which has ever been discovered for the incipient diseases of the intestines, are necessarily the surest preventives of those dreadful, and almost general, affections, which are increasing in their number, and drag so many millions to untimely graves. In speaking thus Dr. Peters arrogates nothing to himself that has not been conceded by the public. He is no needy quack or unknown "cultivator," who comes before the world as his own herald and witness, but is placed in a responsible situation by the patronage which he has enjoyed for years, and which is increasing to an extent unprecedented in the annals of medicine, that makes him careful to assert nothing which is not borne out by the most infallible proof, and hence he does not fear to be put to test in any thing which he has promised respecting his Pills. Dr. Peters' most happy is to be able to state, on the authority of a great number of regular physicians, that wherever his Vegetable Pills have been introduced, they have almost superseded the adoption of mercurial operations, for their peculiar faculty in sweetening the blood, and stimulating it to expel all noxious juices, and in giving general strength and vigor to the system, is not to be acquired that strength which may be got under, if at all, by dangerous remedies. Prepared by JOS. PRIESTLY PETERS, M. D. 129 Liberty street, New York. Each box contains 40 pills; price 50 cents. These celebrated Pills are sold by all the principal Druggists in Baltimore, Philadelphia, Washington, G. C. and throughout the United States, the Canada, Texas, Mexico, and the West Indies. For sale at the Drug Store of GEO. R. GILBERT & Co. Gettysburg, Nov. 27, 1838. 4t-35

More Conclusive Proofs of the Efficacy of Dr. Wm. Evans' Camomile Pills. Liver Complaint cured by Dr. William Evans' Camomile Tonic and Aperient Pills. MRS. LYTLE, of Mount Joy, Lancaster county, Pa. Miss Lytle, daughter of the aforesaid Mrs. Lytle, has also been restored to health by the same invaluable medicine. Her symptoms were extreme nervousness, attended with severe pain in her side, sickness of the stomach, eructations, &c. Mrs. Lytle, is now the sure of informing the public that many cases similar to her own, (in her vicinity) have been restored to health by the same invaluable medicine. When taken according to the directions accompanying them, they are highly beneficial in the prevention and cure of Bilious Fever, Febrile Ague, Dyspepsia, Liver Complaints, Sick Headache, Jaundice, Asthma, Dropsy, Rheumatism, Enlargement of the Spleen, Lint, Cholera, Obstructions, Heart Burn, Furrow Tongue, Nausea, Distention of the Stomach and Bowels, Sleepless Diarrhea, Flatulency, Habitual Constipation, Loss of Appetite, Stomach and Spleen, where a cathartic or an aperient is needed.
