To Dr. Wm. Evans. Georgetown, D. C. June 25, 1838. **RESPECTED FRIEND.**—I am truly gratified that I can return my sincere thanks to you, who have been the cause of my being restored to perfect health. For five months past I have been laboring under a severe Chronic Inflammatory Rheumatism, attended with debility, loss of appetite, lowness of spirits, &c. Having frequently heard of the truly excellent quality of your Camomile Pills, I at last determined to make trial of them, although not without considerable opposition from my physician and family. At last seeing my determination they agreed to the trial; and upon using the third package, I was altogether restored to health. How can I express my gratitude and sincere regard for such a saviour of human frames? My case was altogether hopeless, and I must confess myself surprised at the extraordinary result. No people were ever more blessed than we are with such remedies. The many quick advertisements which appear in the papers which I receive from your city, deterred me from using your pills before I did. I can truly say that no medicine in the known world has had such a beneficial effect as your Camomile and Aperient Pills. What makes the cure more extraordinary is that I am more than forty years of age, and for the last four years could just move about, and only at short intervals. I am at present entirely recovered, and my hopes are that you may enjoy a long and prosperous life. If I am spared, I will most certainly come to Philadelphia to see you. If my name and letter will be of any service to you, you are at perfect liberty to make use of them and all I can do to aid you will be done with unbounded pleasure. Your truly grateful and humble servant, WILLIAM JOHNSON. For sale at the Drug Store of GEO. R. GILBERT & CO. Gettysburg, Nov. 6, 1838. 1y-3

Interesting case Cured By Dr. WILLIAM EVANS' Camomile Tonic and Family Aperient Pills. BENJAMIN BROWN, corner of Ship Pen and George streets, Philadelphia, was afflicted for seven years with extreme nervousness, by which he was not able to write his name. His symptoms, were excruciating, daily spasmodic pains in the head, loss of appetite, palpitation of the heart, giddiness and dimness of sight, utter inability of engaging in any thing that demanded vigor or courage, sickness of the stomach, impaired appetite, coldness and weakness of the extremities, emaciation and general debility, disturbed rest, a sense of weight at the stomach after eating, great mental despondency, severe flying pains in the chest, back and side costiveness, a dislike for society and conversation. Mr. B. has made a trial of various medicines now before the public, but to no effect, until observing in a public paper some cures performed by Dr. Wm. Evans' Camomile Tonic and Family Aperient Pills, he was induced to give them a trial, of which he is at any time happy to state that they effectually cured him of the above distressing disease. Persons who doubt the above cure, are most respectfully directed to the above mentioned person, at the corner of Shippen and George streets. BENJAMIN BROWN, Philadelphia, October 26, 1838. TOMATO PILLS. DR. MILES' Compound Extract of Tomato Pills, a substitute for Calomel.—For sale at the Apothecary and Drug Store of GEO. R. GILBERT, & CO. April 9, 1839. If-2 **WORM TEA.** THIS safe and effectual remedy seldom fails to destroy and carry off worms from the stomach and bowels of children, and afford relief from those nauseating and distressing symptoms, with which they are generally attended. Its operation is perfectly mild and gentle, and it can do no harm if the patient should not be affected with worms. Prepared and sold by GEO. R. GILBERT, & CO. April 9, 1839. If-2 **Brandreth's Vegetable Pills.** PUBLIC OPINION.—Public opinion is per haps the only unerring guide from whose decision there is no appeal; and was there ever such a manifestation of its approval, as there is with BRANDRETH'S VEGETABLE UNIVER-SAL PILLS? Set by step has this Medicinewormed itself into favor, in spite of envy, malevolence and calumny. Triumphant has been its progress to its present position of extensive usefulness. It has surmounted obstacles before which quackery sinks paralyzed—and has gained for itself a reputation which neither physicians, nor flippant scribble-conferring speculators can ever injure. These charitable exercises do not assail it with the malignant shafts of their despicable envy, and which rebounds upon themselves with a power each day on the increase, until they themselves will be covered with the slime of their own manufacturing. They can no more injure the reputation of BRANDRETH'S PILLS than they can lay their hands upon the sun. How to be secure from counterfeits.—Never to purchase Brandreth's Pills without being positively sure that the person selling has a copperplate certificate of Agency, and observe it has been renewed—no CERTIFICATE BEING ANY GUARANTEE AFTER TWELVE MONTHS FROM DATE that Pills sold by the holder are genuine. All Pills having Wm. Brandreth on the label, and George Hollister on the edge, are counterfeits, and made to DECEIVE THE PUBLIC and waste the law at the same time. There, and in all counterfeits Pills, if used according to the direction of my Pills, are calculated to DESTROY LIFE. They are made by men having no standing or respectability, without habitation of name—perfectly careless of consequences, provided money is obtained. [Extract from Dr. B.'s address to Citizens of U. S.] And be careful to remember that I have never authorized any Doctor, Druggist, Apothecary, or Pedler in the United States to sell my Pills. These contemptible rascals universally sell counterfeits. Never forget that this class, Doctors, Druggists, Apothecaries, and Pedlars are the men who sell counterfeits, and that all Tradesmen who are made agents, have each of them a COPPER-PLATE certificate of Agency, signed in writing with a pen by me; and which certificate requires renewal every twelve months, it being no guarantee for more than one year from date—observe the date is not WRITTEN, it is COPPERPLATE. The following respective persons are my duly authorized AGENTS in Adams county, Pa. whose names are: THOMAS J. COPPER, Gettysburg, JOHN M. STEYER, do. J. A. & J. S. DAVIS, Linntown, WILLIAM HILDEBRAND, East Berlin, ABAM EPLEY, New Chester, ZERESHAM KING, Hutersstown. My offices in Philadelphia are at No. 9 North Eighth Street, and 47 Chestnut Street. B. BRANDRETH, M. D. 231 Broadway, New York. N. B. All travelers from me have a power of Attorney, passed before the Clerk of the County of New York. Observe it.

Health and Happiness. DR. Wm. EVANS' CAMOMILE PILLS. THE DIFFERENCE. IT cannot be denied that whilst many medicines which are recommended to the public, have not even the negative merit of harmlessness, there are others which it would be great injustice indeed and suicidal prejudice to involve, untried, in a common condemnation. And when a medicine comes endorsed with all the great profession, and warranted by the seal and signature of long and uniform success, its proprietor makes no unreasonable demand upon public confidence, when he claims for it a superior consideration. THE CAMOMILE PREPARATION of Dr. Evans, of New York, is undeniably entitled to this enviable distinction; for whilst no medical authority in existence condemns it, every medical work which alludes to it, and every medical practitioner that is acquainted with it, freely acknowledges its pre-eminence virtues; and that the latter should do so in opposition to their personal interests, must be attributed either to their candor and love of truth, or to their unwillingness to fly in the face of all observation and the testimony of thousands. Dr. W. EVANS does not pretend that his Camomile Pills will cure all diseases.—He frankly and conscientiously admits that they will not. He lays no claim to the discovery of the "Philosopher's Stone, and wishes nobody to believe that he sells the Elixir of Life, but he does say and he does believe and he can prove that in debilitated and impaired constitutions; in nervous diseases of all kinds; in weakness of the digestive organs; in incipient consumptions whether of the lungs or of the liver; in the dreadful debility occasioned by the use of purgatives; in palsy, rheumatism (more especially) in the sickness incident to mothers and females of relaxed nerves; in every case of delirium tremens, or that disease which is brought on by intemperance; in the wretched horrors of the mind and body which accrue from occasional inebriety, in the loss of appetite; languor, melancholy, pains in the head, limbs, or side; in corrupt, sallow, and uncomely complexions, which arise from the bad state of the fluids; in all these cases, and in some others mentioned in the bills and directions given with his medicines, he does say that the Camomile Pills interchange occasionally with his aperient family pills, (the best known) which are sold with them, will affect immediate relief; and if used but for a fair period of trial, a perfect cure. This much is placed beyond doubt, by daily testimonies which would be given on oath; and for this much Dr. W. Evans can conscientiously request confidence. He therefore need only to add that his camomile pills, together with his excellent aperient pills, can be obtained, wholesale or retail at no. 19th north 8th st. Philadelphia. THE NECESSITY of a Restorative and Sustaining Medicine at this season of extreme trial to the nervous system and digestive organs, is felt by thousands of persons who never thought of taking the Camomile Tonic Pills prepared by Dr. Wm. ADVERTISEMENTS. **FRANKLIN J. SMITH PRACTITIONER OF MEDICINE & SURGERY.** Residence in Carlisle street, in the house formerly occupied by Dr. Burleych. e. WHERE he may be found prepared to attend to the duties of his profession. He tenders his gratitude for the encouragement he has received, and feels confident that his knowledge of the old medical system of theory and practice, in conjunction with his acquaintance of the Botanic system, will enable him skillfully and successfully to subdue disease, render general satisfaction, and merit a portion of the patronage of a generous and intelligent public. He still finds additional evidence of the benefits and utility of the botanic system, and from the practice facts have arisen to increase his faith in, and to confirm his former sentiments of the great superiority of the Thomsonian Medical Practice. He therefore recommends to the community with an entire consciousness of its intrinsic merits, and as a system that will neither injure nor poison them, but as the best, the safest, and the most efficacious in the United States, as certified by the following medical gentlemen of the old school. Professor B. Waterhouse, M. D. D. I. Terry, M. D. Rev. H. F. Norden, M. D. Alexander Draper, M. D. J. W. Comfort, M. D. W. Caldwell, M. D. W. Ripley, M. D. W. K. Griffin, M. D. T. Everleigh, M. D. Important to the Sick. THE vicissitudes of the summer, and the preceding spring, have afforded peculiar opportunities for exemplifying to the community the happy effects of Dr. W. Evans' Camomile Tonic Pills, upon debilitated constitutions. In cases of extreme nervous suffering, which stimulating tonics only momentarily relieve, and at length greatly aggravate, a single box of these beautifully compounded pills has proved an immediate and continual benefit. The loss of appetite and tremulous exhaustion which all invalids feel during this oppressive season, are relieved within two or three hours by one dose only; and in many cases a few doses will fortify the system a long time against a recurrence of these attacks. To Ladies especially, who suffer from nausea and lassitude incidental to interesting changes of health, these pills are friends indeed, and a bottle of them has hence become a favorite headdress and toilette confidant of ladies in wedded life. If taken before exercise in the open air, they will generally prevent the lassitude and fatigue which frequently attend it at this season; and if taken afterwards they never fail to relieve these sensations in a few moments. That oppressive sensation of arterial fullness and throbbing in the head, which is generally experienced in fervid and sultry weather, is so speedily removed by those Pills that they are recommended by a great number of our best Physicians in preference to any other prescriptions, as they are well known to be in many other cases. The cures, the great effectual and undenia-ble cures which this fine tonic and restorative remedy effects in the cases that are particularized in other advertisements, are daily exciting the admiration and eliciting the candid acknowledgment of the medical profession who witness them. Directions for taking these Camomile Pills, as well as Dr. W. Evans' Aperient Family Pills, always accompany them; and they may be obtained wholesale and retail, at 19th north 8th st. Philadelphia. Also for sale at the Drug Store of GEO. R. GILBERT & CO. Gettysburg, Nov. 6, 1838. 1y-3

A Catalogue of Reasons for using Dr. Peters' Vegetable Pills. 1. BECAUSE experience has established their merits, and decided them to be the best, as also the most popular of modern medical discoveries. 2. Because they are composed of simples which have the power to do good in an immense number of cases, without possessing the means to do injury in any. 3. Because they are not a quick medicine, but the scientific compound of a regular physician, who has made his profession the study of his life and are hence recommended as a standard family medicine by the regular faculty. An advantage which this Machine has over others, is that the horse power is constructed to work under the overshot of a barn, so that rain does not interfere with its operations. JOHN TAYLOR. CLAYTON'S VEGETABLE PILLS "The True Riches of Life is Health." We know that Health, and the ability to labor is the wealth of the great mass of the people in this as in most other countries. To preserve, therefore, that health by natural means, is a grand moral and political axiom, to fulfill which requires our utmost attention. THE unparalleled reputation which Peters' Pills have acquired as a Medical Restorative, is the most unquestionable proof that can be given of their immense importance to the afflicted, in all most every class of diseases. The number of letters received from patients recovering from their means is really prodigious, and the complaints which they have cured are almost as varied as they are numerous. But still there are some in which they are more especially beneficial than in others; and among those may be named the too often fatal complaints of the stomach and bowels, such as Cholera, Flatulency, and Indigestion, for which they are not only a certain but an immediate cure. It is well known that from the disarrangement of the stomach and bowels, arise nine tenths of all the maladies of adult and declining life; that this is the foundation of Flatulency, Spasmodic Pains, Indigestion, Loss of Appetite, &c. and that in their turn give birth to Dropsy, Liver Complaint, Consumption, and habitual lowness of spirits; therefore Peters' Pills being the very best medicine which has ever been discovered for the incipient diseases of the intestines, are necessary to the avert preventives of those dreadful, and almost general disorders, which annul the mature life and drag so many millions to untimely graves. In speaking thus Dr. Peters arrogates nothing to himself that has not been conceded by the public. He is no needy quack or unknown speculator, who comes before the world as his own herald and witness, but is placed in a responsible situation by the patronage which he has enjoyed for years, and which is increasing to an extent unprecedented in the annals of medicine, that makes him careful to assert nothing which is not borne out by the most inflexible proof, and hence he does not fear to put to test in any thing which he has promised respecting his Pills. Dr. Peters is most happy to be able to state, on the authority of a great number of regular physicians, that wherever his Vegetable Pills have been introduced, they have almost superseded the adoption of mercurial preparations, for their peculiar faculty in sweetening the blood, and stimulating it to expel all noxious juices, and in giving strength and tone to the nerves, prevents disease from acquiring that strength which must be got under, if at all, by dangerous medicines. Prepared by JOS. PRIESTLY PETERS, M. D. 129 Liberty street, New York. Each box contains 40 pills; price 50 cents. These celebrated Pills are sold by all the principal Druggists in Baltimore, Philadelphia, Washington City, and throughout the United States, the Canadas, Texas, Mexico, and the West Indies. For sale at the Drug Store of GEO. R. GILBERT, & CO. Gettysburg, Nov. 27, 1838. 1x-35

Peters' Vegetable Pills. MORE than three millions of boxes of these celebrated PILLS have been sold in the United States since January, 1835. Hundreds and thousands bless the day they became acquainted with PETERS' VEGETABLE PILLS, which in consequence of their extraordinary goodness, have attained a popularity unprecedented in the history of medicine. When taken according to the directions accompanying them, they are highly beneficial in the prevention and cure of Bilious Fever, Fever and Ague, Dyspepsia, Liver Complaints, Sick Headache, Flatulency, Acidities, Dropsy, Rheumatism, Enlargement of the Spleen, Piles, Cholera, Female Obstructions, Heart Burn, Furred Tongue, Nausea, Distention of the Stomach and Bowels, Inipient Diarrhoea, Flatulency, Habitual Costiveness, Loss of Appetite, Stomach or Sallow Complexion, and in all cases of Torpor of the Bowels, where a cathartic or an aperient is required. They are exceedingly mild in their operation, producing neither nausea, griping, nor debility. The efficacy of these Pills is so well known, and their use so general, that further comment is considered unnecessary. For further particulars, see Dr. PETERS' pamphlet, which can be had GRATIS, at the Drug Store of G. K. TYLER, General Agent for the State of Maryland. For sale at the Drug Store of GEO. R. QUACKS AND THEIR DESTRUCTIVE NOSTRUMS.—The united testimony of physicians throughout the United States fully prove the fact that Peters' Vegetable Pills are the only true Vegetable Pills which will stand the test of analysis; hence the proprietor would most earnestly urge them to the notice of those who have been in the habit of using, as cathartics or aperients, the destructive and irritating quack pills so generally advertised, and which are so often used, but slow consumers of the vital functions, and murderous agents, even to the most hale. It is true, most of them produce a purgative effect, and sometimes transient relief; but in most cases they injure the digestive organs, and an habitual resort to them must terminate in confirmed dyspepsia. It is true that certain artificial medicines are often required, but the most discrimination should always be observed in the selection; and if this be done, nothing injurious can result from their use. To produce this much-desired result, Dr. Peters has made it his study for several years, and feels proud to say he has succeeded at length in his expectations. The object of his pills is to supersede the necessity of a frequent recourse to injurious purgatives, and to offer a medicine safe, certain, and pleasant in its operation. Prepared by JOS. PRIESTLY PETERS, M. D. No. 129 Liberty street, New York. Each box contains 40 pills. Price 50 cents. For sale at the Drug Store of GEO. R. GILBERT, & CO. Gettysburg, Nov. 27, 1838. 1x-35

THE CAMOMILE PREPARATION of Dr. Evans, of New York, is undeniably entitled to this enviable distinction; for whilst no medical authority in existence condemns it, every medical work which alludes to it, and every medical practitioner that is acquainted with it, freely acknowledges its pre-eminence virtues; and that the latter should do so in opposition to their personal interests, must be attributed either to their candor and love of truth, or to their unwillingness to fly in the face of all observation and the testimony of thousands. Dr. W. EVANS does not pretend that his Camomile Pills will cure all diseases.—He frankly and conscientiously admits that they will not. He lays no claim to the discovery of the "Philosopher's Stone, and wishes nobody to believe that he sells the Elixir of Life, but he does say and he does believe and he can prove that in debilitated and impaired constitutions; in nervous diseases of all kinds; in weakness of the digestive organs; in incipient consumptions whether of the lungs or of the liver; in the dreadful debility occasioned by the use of purgatives; in palsy, rheumatism (more especially) in the sickness incident to mothers and females of relaxed nerves; in every case of delirium tremens, or that disease which is brought on by intemperance; in the wretched horrors of the mind and body which accrue from occasional inebriety, in the loss of appetite; languor, melancholy, pains in the head, limbs, or side; in corrupt, sallow, and uncomely complexions, which arise from the bad state of the fluids; in all these cases, and in some others mentioned in the bills and directions given with his medicines, he does say that the Camomile Pills interchange occasionally with his aperient family pills, (the best known) which are sold with them, will affect immediate relief; and if used but for a fair period of trial, a perfect cure. This much is placed beyond doubt, by daily testimonies which would be given on oath; and for this much Dr. W. Evans can conscientiously request confidence. He therefore need only to add that his camomile pills, together with his excellent aperient pills, can be obtained, wholesale or retail at no. 19th north 8th st. Philadelphia. A Catalogue of Reasons for using Dr. Peters' Vegetable Pills. 1. BECAUSE experience has established their merits, and decided them to be the best, as also the most popular of modern medical discoveries. 2. Because they are composed of simples which have the power to do good in an immense number of cases, without possessing the means to do injury in any. 3. Because they are not a quick medicine, but the scientific compound of a regular physician, who has made his profession the study of his life and are hence recommended as a standard family medicine by the regular faculty. FARMERS, LOOK HERE THE subscriber has opened a Shop, on Second street, a few doors east from the Market Street, in Chambersburg, where he will build SMITH GARDNER'S PORTABLE HORSE POWER THRESHING MACHINE, which he will sell in Franklin, Adams and Bedford counties. These machines are now in operation in this county, and are equal if not superior to any other—and may be had, by persons wishing to obtain them, in any of the above-named counties, on the shortest notice, by applying to the subscriber, who hopes by strict attention to business to secure a share of public patronage. An advantage which this Machine has over others, is that the horse power is constructed to work under the overshot of a barn, so that rain does not interfere with its operations. JOHN TAYLOR. Chambersburg, June 5, 1838. If-10
