Interesting case Cured by Dr. WILLIAM EVANS' Camomile Tonic and Family Aperient Pills.

BENJAMIN BROWN, corner of Shippen and George streets, Philadelphia, was afflicted for seven years with extreme nervousness, by which he was not able to write his name. His symptoms, were eruptions, daily spasmodic pains in the head, loss of appetite, palpitation of the heart, giddiness and dimness of sight, utter inability of engaging in any thing that demanded vigor or courage, sickness of the stomach, impaired appetite, coldness and weakness of the extremities, emaciation and general debility, disturbed rest, a sense of weight at the stomach after eating, great mental despondency, severe flying pains in the chest, back and side costiveness, a dislike for society and conversation. Mr. B. has made a trial of various medicines now before the public, but to no effect, until observing in a public paper some cures performed by Dr. Wm. Evans' Camomile Tonic and Family Aperient Pills, he was induced to give them a trial, of which he is at any time happy to state that they effectually cured him of the above distressing disease.

Persons who doubt the above cure, are most respectfully directed to the above mentioned person, at the corner of Shippen and George streets.

BENJAMIN BROWN, Philadelphia, October 26, 1828. For sale at the Drug Store of GEO. R. GILBERT & CO. Gettysburg, Nov. 6, 1838.

Health and Happiness. DR. Wm. EVANS' CAMOMILE PILLS. THE DIFFERENCE.

It cannot be denied that whilst many medicines which are recommended to the public, have not even the negative merit of harmlessness, there are others which it would be great injustice indeed and suicidal prejudice to involve, untried, in a common condemnation. And when a medicine comes endorsed with all the great profession, and warranted by the seal and signature of long and uniform success, its proprietor makes no unreasonable demand upon public confidence, when he claims for it a superior consideration.

THE CAMOMILE PREPARATION of Dr. Evans, of New York, is undeniably entitled to this enviable distinction; for whilst no medical authority in existence condemns it, every medical work which alludes to it, and every medical practitioner that is acquainted with it, freely acknowledges its pre-eminent virtues; and that the latter should do so in opposition to their personal interests, must be attributed either to their candor and love of truth, or to their unwillingness to fly in the face of all observation and the testimony of thousands.

Dr. W. EVANS does not pretend that his Camomile Pills will cure all diseases. He frankly and conscientiously admits that they will not. He lays no claim to the discovery of the "Philosopher's Stone, and wishes nobody to believe that he sells the Elixir of Life, but he does say and he does believe and he can prove that in debilitated and impaired constitutions; in nervous diseases of all kinds; in weakness of the digestive organs; in incipient consumptions whether of the lungs or of the liver; in the gradual debility occasioned by the use of purgatives; in palsy, rheumatism (more especially) in the sickness incident to mothers and females of relaxed nerves; in every case of delirium tremens, or that disease which is brought on by intemperance; in the wretched horrors of the mind and body which accrue from occasional inebriety, in the loss of appetite; languor, melancholy, pains in the head, limbs, or side; in corrupt, sallow, and uncleanly complexion, which arise from the bad state of the fluids; in all these cases, and in some others mentioned in the bills and directions given with his medicines, he does say that the Camomile Pills interchange occasionally with his aperient family pills, (the best known) which are sold with them, will afford immediate relief; and if used but for a fair period of trial, a perfect cure. This much is placed beyond doubt, by daily testimonies which would be given on oath; and for this much Dr. W. Evans can conscientiously request confidence. He therefore needs only to add that his camomile pills, together with his excellent aperient pills, can be obtained, wholesale or retail at No. 19th north 8th st. Philadelphia. Also for sale at the Drug Store of GEO. R. GILBERT & CO. Gettysburg, Nov. 6, 1838.

A Catalogue of Reasons for using Dr. Peters' Vegetable Pills. 1. BECAUSE experience has established their merits, and decided them to be lost, as also the most popular of modern medical discoveries. 2. Because they are composed of simples which have the power to do good in an immense number of cases, without possessing the means to do injury in any. 3. Because they are not a quack medicine, but the scientific compound of a regular physician, who has made his profession the study of his life and are here recommended as a standard family medicine by the regular faculty. For sale only at the Apothecaries and Drug Store of GEO. R. GILBERT & CO. Gettysburg, Nov. 6, 1838.

CLARIFICATIONS PETERS' VEGETABLE PILLS

"The True Riches of Life is Health." We know that Health, and the ability to labor is the wealth of the great mass of the people in this as in most other countries. To preserve, therefore, that health by natural means, is a grand moral and political scheme, to fulfil which requires the utmost attention.

It is well known that from the disarrangement of the stomach and bowels, arise nine tenths of the maladies of adult and declining life; that this is the foundation of Flatulency, Spasmodic Frigidity, Indigestion, Loss of Appetite, &c. and that these in their turn give birth to Dropsy, Liver Complaint, Consumption, and habitual weakness of spirits; therefore Peters' Pills being the very best medicine which has ever been discovered for the incipient diseases of the intestines, are necessarily the surest preventives of those dreadful, and almost general disorders, which ultimately terminate in death.

It is not borne out by the most inflexible proof, and hence he does not fear to put to test in any thing which he has promised respecting his Pills. Dr. Peters is most happy to be able to state, on the authority of a great number of regular physicians, that wherever his Vegetable Pills have been introduced, they have almost superseded the adoption of mercurial experiments, for their peculiar faculty in sweetening the blood, and stimulating it to expel all noxious juices, and in giving strength and tone to the nerves, prevents disease from acquiring that strength which must be got under, if at all, by dangerous remedies.

Prepared by JOS. PRIESTLY PETERS, M. D. 129 Liberty street, New York. Each box contains 30 pills; price 50 cents. These celebrated Pills are sold by all the principal Druggists in Baltimore, Philadelphia, Washington City, and throughout the United States, the Canada, Texas, Mexico, and the West Indies.

For sale at the Drug Store of GEO. R. GILBERT & CO. Gettysburg, Nov. 27, 1838.

IN NO INSTANCE has the beautiful Tonic, anodyne, and restorative preparation, well known and celebrated as Dr. Wm. Evans' Camomile Pills, failed to afford the highest gratification to those who have tried them in any of the various cases for which they are recommended in the larger advertisements.

Peters' Vegetable Pills. MORE than three millions of boxes of these celebrated PILLS have been sold in the United States since January, 1835.

When taken according to the directions accompanying them, they are highly beneficial in the prevention and cure of Billious Fever, Fever and Ague, Dyspepsia, Liver Complaints, Sick Headache, Indigestion, Flatulency, Rheumatism, Enlargement of the Spleen, Piles, Cholice, Female Obstructions, Heart Burn, Furred Tongue, Nausea, Distension of the Stomach and Bowels, Nausea, Diarrhoea, Flatulency, Habitual Costiveness, Loss of Appetite, Bloated or Sallow Complexion, and in all cases of Torpor of the Bowels, where a cathartic or aperient is needed. They are exceedingly mild in their operation, producing neither nausea, griping, nor debility.

The efficacy of these Pills is so well known, and their use so general, that further comment is considered unnecessary.

For further particulars, see Dr. PETERS' Pamphlet which can be had GRATIS, at the Drug Store of G. K. TYLER, General Agent for the State of Maryland.

He still finds additional evidence of the benefits and utility of the botanic system, and from the practice facts have arisen to increase his faith in, and to confirm his former sentiments of the great superiority of the Thompsonian Medical Practice. To Dr. Wm. Evans. Georgetown, D. C. June 28, 1838.

RESPECTED FRIEND.—I am truly gratified that I can return my sincere thanks to you, who have been the cause of my being restored to perfect health. For five months past I have been laboring under a severe Chronic Inflammatory Rheumatism, attended with debility, loss of appetite, lowness of spirits, &c. Having frequently heard of the truly excellent quality of your Camomile Pills, I at last determined to make trial of them, although not without considerable opposition from my physician and family. At last seeing my determination they agreed to the trial; and upon using the third package, I was altogether restored to health. How can I express my gratitude and sincere regard for such a saviour of human frames? My case was altogether hopeless, and I must confess myself surprised at the extraordinary result. No people were ever more blessed than we are with such remedies. The many quick advertisements which appear in the papers which I receive from your city, deterred me from using your pills before I did. I can truly say that no medicine in the known world has had such a beneficial effect as your Camomile and Aperient Pills. What makes the cure more extraordinary is that I am more than forty years of age, and for the last four years could just move about, and only at short intervals. I am at present entirely recovered, and my hopes are that you may enjoy a long and prosperous life. If I am spared, I will most certainly come to Philadelphia to see you.

QUACKS AND THEIR DESTRUCTIVE INSTRUMENTS.—The united testimony of physicians throughout the United States has fully proved the fact that Peters' Vegetable Pills are the only true Vegetable Pills which will stand the test of analysis; hence the proprietor would most earnestly urge them to the notice of those who have been in the habit of using, as cathartics or aperients, the destructive and irritating quack pills so generally advertised, and which are at best but slow consumers of the vital functions, and murderous agents, even to the most hale. It is true, most of them produce a purgative effect, and sometimes transient relief; but in most cases they injure the digestive organs, and a habitual resort to them must terminate in confirmed dyspepsia.

It is true that cathartic and aperient medicines are often required, but the nicest discrimination should always be observed in the selection; and if this be done, nothing injurious can result from their use.

To produce this much desired result, Dr. Peters has made it his study for several years, and he feels proud to say he has succeeded at length far beyond his expectations. The object of his pills is to supersede the necessity of a frequent recourse to injurious purgatives, and to offer a medicine safe, certain, and pleasant in its operation. Prepared by JOS. PRIESTLY PETERS, M. D. No. 129 Liberty street, New York. Each box contains 40 pills. Price 50 cents.

BRANDRETH'S VEGETABLE PILLS. PUBLIC OPINION.—Public opinion is perhaps the only unerring guide from whose decision there is no appeal; and was there ever such a manifestation of its approval, as there is with BRANDRETH'S VEGETABLE UNIVERSAL PILLS? Step by step has this Melinwormed itself into favor, in spite of every sneer and scorn. Triumphant has been its progress in its present sphere of extensive usefulness. It has surmounted obstacles before which quackery sinks paralyzed—and has gained for itself a reputation which neither physicians, nor slipshod social counterfeiting apothecaries can ever injure. These charlatans nevertheless assail it with the malignant shafts of their despicable envy, and which rebounds upon themselves with a power each day on the increase, until they themselves will be covered with the slime of their own manufacturing. They can no more injure the reputation of BRANDRETH'S PILLS than they can lay their hands upon the sun.

How to be secured from counterfeits.—Never to purchase Brandreth's Pills without being positively sure that the person selling has a copperplate certificate of Agency, and observe it has been received—no CERTIFICATE BEING ANY GUARANTEE AFTER TWELVE MONTHS FROM DATE that Pills sold by the holder are genuine. All Pills having Wm. Brandreth on the label, and George Hodgkinson on the edge, are counterfeits, and made to DECEIVE THE PUBLIC and evade the law at the same time. These, and indeed all counterfeit Pills, if used according to the direction of my Pills, are calculated to DESTROY LIFE. They are made by men having no standing or respectability, without habitation or name—perfectly careless of consequences, provided money is obtained. (Extract from Dr. B's address to Citizens of U. S.) And be careful to remember that I have never authorized any Doctor, Druggist, Apothecary, or Pedlar in the United States to sell my Pills. These contemptible persons universally sell counterfeits. Never forget that this class, Doctors, Druggists, Apothecaries, and Pedlars are the men who sell counterfeits, and that all Tradesmen who are made agents, have each of them a COPPER-PLATE certificate of Agency, signed in writing with a pen by me; and which certificate requires renewal every twelve months, it being no guarantee for more than one year from date—observe the date is not WRITTEN, it is COPPER-PLATE.
