Brandreth's Vegetable Pills.

PUBLIC OPINION.—Public opinion is per haps the only unerring guide from whose decision there is no appeal; and was there ever such a manifestation of its approval, as there is with BRANDRETH'S VEGETABLE UNIVERSEL SAL PILLS? Step by step has this Medicin wormed itself into favor, in spite of every obsta cle and every. Triumph has been its prog ress to its present sphere of extensive usefulness. It has surmounted obstacles before which quakery sinks paralyzed—and has gained for itself a re putation which neither PURSUIANS, nor flippant scribbled counterfeiting apothecaries can ever injure. These charlatans nevertheless no assail it with malignant shafts of their despicable envy, and which rebounds upon themselves with a power each day on the increase, until they themselves will be covered with the alms of their own manu facturing. They can no more injure the reputation of BRANDRETH'S PILLS than they can lay their hands upon the sun.

How to BE AWARE FROM COUNTERFEITS.—Never to purchase Brandreth's Pills without being positively sure that the person selling has a legitimate certificate of Agency, and observe it has been renewed—no CERTIFICATE BEING ANY GUARANTEE AFTER TWELVE MONTHS FROM DATE that Pills sold by the holder are genuine.

All Pills having Wm. Brandreth on the label, and George Hodgkinson on the edge, are counterfeits, and made to DECEIVE THE PUBLIC and evade the law at the same time.

These, and indeed ALL counterfeit Pills, if used according to the direction of my Pills, are calculated to DESTROY LIFE. They are made by men having no standing or respectability, without habitation or name—perfectly careless of conse quences, provided money is obtained.

[Extract from Dr. B's address to Citizens of U. S.] And be careful to remember that I have never authorized any Doctor, Druggist, Apothecary, or Seller in the United States to sell my Pills. These contemptible persons universally sell counterfeit Pills. Never forget that this class, Doctors, Druggists, Apothecaries, and Sellers are the men who sell counterfeit Pills, and that all Tradesmen who are made agents, have each of them a COPPER PLATE certificate of Agency, signed in writing with a pen by me; and which certificate requires renewal every twelve months, it being no guaran tee for more than one year from date—observe the date is not WRITTEN, it is COPPERPLATE.

The following respective persons are my duly authorized AGENTS in Adams county, Pa. whose names are,

- THOMAS J. COOPER, Gettysburg,
JOHN M. STEVENSON, do.
J. A. & J. S. DAVIS, Lindsauntown.
WILLIAM HILDEBRAND, East Berlin.
ADAM EPLY, New Chester.
ABRAHAM KING, Hunterstown.

QUACKS AND THEIR DESTRUCTIVE INFLUENCE.

Quacks and their destructive in fluence throughout the United States has fully proved the fact that Peters' Vegetable Pills are the only true Vegetable Pills which will stand the test of analysis; hence the proprietor would most earnestly urge them to the notice of those who have been in the habit of using, as cathartics or aperients, the destructive and irritat ing quack pills so generally advertised, and which are at best but slow consumers of the vital functions, and murderous agents, even to the purgative effect, and sometimes transient relief; but in most cases they injure the digestive or gan, and an habitual course to them must termi nate in confirmed dyspepsia.

It is true that cathartic and aperient medicines are often required, but the nicest discrimination should always be observed in the selection; and if this be done, nothing injurious can result from their use. To produce this much desired result, Dr. Pe ters has made it his study for several years, and feels proud to say he has succeeded at length far beyond his expectations. The object of his pills is to supersede the necessity of a frequent recourse to injurious purgatives, and to offer a medicine safe, certain, and pleasant in its operation.

To Dr. Wm. Evans.

Respected Friend.—I am truly gratified that I can return my sincere thanks to you, who have been the cause of my being restored to perfect health. For five months past I have been laboring under a severe Chronic Inflammatory Rheumatism, attended with debility, loss of appetite, lowness of spirits, &c. Having frequently heard of the truly excellent quality of your Camomile Pills, I at last determined to make trial of them, although not without considerable opposition from my physician and family. At last seeing my determina tion they agreed to the trial; and upon using the third package, I was altogether restored to health. How can I express my gratitude and sincere regard for such a sa viour of human frames? My case was al together hopeless, and I must confess myself surprised at the extraordinary result. No people were ever more blessed than we are with such remedies. The many quick advertisements which appear in the papers which I receive from your city, deterred me from using your pills before I did. I can truly say that no medicine in the known world has had such a beneficial effect as your Camomile and Aperient Pills. What makes the cure more extraordinary is that I am more than forty years of age, and for the last four years could just move about, and only at short intervals. I am at present entirely recovered, and my hopes are that you may enjoy a long and prosperous life. If I am spared, I will almost cer tainly come to Philadelphia to see you.

If my name and letter will be of any ser vice to you, you are at perfect liberty to make use of them and all I can do to aid you will be done with unbounded pleasure. Your truly grateful and humble servant, WILLIAM JOHNSON.

"The True Riches of Life is Health."

We know that Health, and the ability to labor in the wealth of the great mass of the people in this as in most other countries. To preserve, there fore, that health by NATURAL means, is a grand moral and political scheme, to fulfill which requires our utmost attention. The unparalleled reputation which Peters' Pills have acquired as a Medical Restorative, is the most unquestionable proof that can be given of their immense importance to the afflicted, in al most every class of diseases. The number of let ters received from patients recovering through their means is really prodigious, and the complaints which they have cured are almost as varied as the maladies of adults and declining life; and are some in which they are more especially benefical than in others; and among these may be named the too often fatal complaints of the stomach and bowels, such as Cholera, Flatulency, and Indiges tion, for which they are not only a certain but an immediate cure.

It is well known that from the disarrange ment of the stomach and bowels, arise nine tenths of all the maladies of adult and declining life; and this is the foundation of Flatulency, Spasmodic Pains, Indigestion, Loss of Appetite, &c. and that those in their turn give birth to Dropsy, Liver Com plaint, Consumption, and habitual lowness of spirits; therefore Peters' Pills being the very best medicine which has ever been discovered for the incipient diseases of the intestines, are necessa rily the safest preventives of those dreadful, and al ternately agonizing, and which so often terminate in death, and drag so many millions to untimely graves.

In speaking thus Dr. Peters arrogates nothing to himself that has not been conceded by the public. He is no needy quack or unknown specula tor, who comes before the world as his own her ald and witness, but is placed in a responsibility situation by the patronage which he has en joyed for years, and which is increasing to an extent unprecedented in the annals of medicine, that makes him careful to assert nothing which is not borne out by the most infallible proof, and hence he does not fear to be put to test in any thing which he has promised respecting his Pills. Dr. Peters is most happy to be able to state, on the authority of a great number of regular physi cians, that wherever his Vegetable Pills have been introduced, they have almost succeeded the adoption of mercurial experiments, for their pe culiar faculty in sweetening the blood, and stim ulating it to expel all noxious juices, and in giv ing strength and tone to the nerves, prevents dis ease from acquiring that strength which must be got under, if at all, by dangerous remedies.

Prepared by JOS. PRIESTLY PETERS, M. D. No. 129 Liberty street, New York. Each box contains 40 pills; price 50 cents. These celebrated Pills are sold by all the prin cipal Druggists in Baltimore, Philadelphia, Wash ington City, and throughout the United States, the Canadas, Texas, Mexico, and the West In dies.

Health and Happiness. Dr. Wm. Evans' CAMOMILE PILLS.

THE DIFFERENCE. It cannot be denied that whilst many medi cines which are recommended to the public, have not even the negative merit of harmlessness, there are others which it would be great injustice indeed and suicidal prejudice to involve, untried, in a common condemnation. And when a medicine comes endorsed with all the great professions, and warranted by the seal and signature of long and uniform success, its proprietor makes no unreasonable demand upon public confi dence, when he claims for it a superior con sideration.

THE CAMOMILE PREPARATION of Dr. Evans, of New York, is undeniably entitled to this enviable distinction; for whilst no medical authority in existence condemns it, every medical work which alludes to it, and every medical practitioner that is ac quainted with it, freely acknowledges its pre-eminent virtues; and that the latter should do so in opposition to their personal interests, must be attributed either to their candor and love of truth, or to their unwilling ness to fly in the face of all observation and the testimony of thousands.

Dr. W. EVANS does not pretend that his Camomile Pills will cure all diseases.—He frankly and conscientiously admits that they will not. He lays no claim to the dis covery of the "Philosopher's Stone, and wishes nobody to believe that he sells the Elixir of Life," but he does say and he does believe and he can prove that in debilitated and impaired constitutions; in nervous diseases of all kinds; in weakness of the diges tive organs; in incipient consumptions wheth er of the lungs or of the liver; in the dread ful debility occasioned by the use of purga tives, in palsy, rheumatism (more especial ly) in the sickness incident to mothers and females of relaxed nerves; in every case of delirium tremens, or that disease which is brought on by intemperance; in the wretched horrors of the mind and body which ac cure from occasional imbecility, in the loss of appetite; languor, melancholy, pains in the head, limbs, or side; in corrupt, sallow, and uncomely complexion, which arise from the bad state of the fluids; in all these cases, and in some others mentioned in the bills and directions given with his medicines, he does say, that the Camomile Pills interchange d occasionally with his aperient family pills, (the best known) which are sold with them, will affect immediate relief; and if used but for a fair period of trial, a perfect cure. This much is placed beyond doubt, by daily testimonies which would be given on oath; and for this much Dr. W. Evans can conscientiously request confidence. He therefore needs only to add that his camomile pills, together with his excellent aperient pills, can be obtained, wholesale or retail at No. 19th north 8th St. Philadelphia.
