Interesting case Cured
By Dr. WILLIAM EVANS' Camomile Tonic
and Family Aperient Pills.

BENJAMIN BROWN, corner of Shippen and George streets, Philadelphia, was afflicted for seven years with extreme nervousness, by which he was not able to write his name. His symptoms, were excruciating, daily spasmodic pains in the head, loss of appetite, palpitation of the heart, giddiness and dimness of sight, utter inability of engaging in any thing that demanded vigor or courage, sickness of the stomach, impaired appetite, coldness and weakness of the extremities, emaciation and general debility, disturbed rest, a sense of weight at the stomach after eating, great mental despondency, severe flying pains in the chest, back and side costiveness, a dislike for society and conversation. Mr. B. has made a trial of various medicines now before the public, but to no effect, until observing in a public paper some cures performed by Dr. Wm. Evans' Camomile Tonic and Family Aperient Pills, he was induced to give them a trial, of which he is at any time happy to state that they effectually cured him of the above distressing disease.

Persons who doubt the above cure, are most respectfully directed to the above mentioned person, at the corner of Shippen and George streets.

"The True Riches of Life is Health."

We know that Health, and the ability to labor in the wealth of the great mass of the people in this as in most other countries. To preserve, therefore, that health by natural means, is a grand moral and political scheme, to fulfil which requires our utmost attention.

THE unparalleled reputation which Peters' Pills have acquired as a Medical Restorative, is the most unquestionable proof that can be given of their immense importance to the afflicted, and in almost every class of diseases. The number of letters received from patients recovering through their means is really prodigious, and the complaints which they have cured are almost as varied as they are numerous. But still there are some in which they are more especially beneficial than in others; and among those may be named the too often fatal complaints of the stomach and bowels, such as Cholera, Flatulence, and Indigestion, for which they are not only a certain but an immediate cure.

It is well known that from the disarrangement of the stomach and bowels, arise nine tenths of all the maladies of adult and declining life; that it is the foundation of Flatulency, Spasmodic Indigestion, Loss of Appetite, &c. and that those in their turn give birth to Dropsy, Liver Complaint, Consumption, and habitual looseness of spirits; therefore Peters' Pills being the very best medicine which has ever been discovered for the incipient diseases of the intestines, are necessarily the surest preventives of those dreadful, and almost general disorders, which ensue in the decline of life. Prepared by **JOS. PRIESTLY PETERS, M. D.** 129 Liberty street, New York. Each box contains 40 pills; price 50 cents.

These celebrated Pills are sold by all the principal Druggists in Baltimore, Philadelphia, Washington City, and throughout the United States, the Canada, Texas, Mexico, and the West Indies. For sale at the Drug Store of

Her symptoms were extreme nervousness, attended with severe pain in her side, sickness of the stomach, cructations, &c. QUACKS AND THEIR DESTRUCTIVE NOSTRUMS.—The untiring testimony of physicians throughout the United States has fully proved the fact that Peters' Vegetable Pills are the only true Vegetable Pills which will stand the test of analysis; hence the proprietor would most earnestly urge them to the notice of those who have been in the habit of using, as cathartics or aperients, the destructive and irritating quack pills so generally advertised, and which are at best but slow consumers of the vital functions, and murderous agents, even to the most hale. It is true, most of them produce a purgative effect, and sometimes transient relief; but in most cases they injure the digestive organs, and an habitual resort to them must terminate in confirmed dyspepsia.

It is true that cathartic and aperient medicines are often required, but the strictest discrimination should always be observed in the selection; and if this be done, nothing injurious can result from their use.

To produce this much desired result, Dr. Peters has made it his study for several years, and feels proud to say he has succeeded at length far beyond his expectations. The object of his pills is to supersede the necessity of a frequent recourse to injurious purgatives, and to offer a medicine safe, certain, and pleasant in its operation.

Prepared by **JOS. PRIESTLY PETERS, M. D.** No. 129 Liberty street, New York. Each box contains 40 pills. Price 50 cents.

Health and Happiness.
Dr. Wm. EVANS' CAMOMILE PILLS.
THE DIFFERENCE.

It cannot be denied that whilst many medicines which are recommended to the public, have not even the negative merit of harmlessness, there are others which it would be great injustice indeed and suicidal prejudice to involve, untried, in a common condemnation. And when a medicine comes endorsed with all the great profession, and warranted by the seal and signature of long and uniform success, its proprietor makes no unreasonable demand upon public confidence, when he claims for it a superior consideration.

THE CAMOMILE PREPARATION of Dr. Evans, of New York, is undeniably entitled to this enviable distinction; for whilst no medical authority in existence condemns it, every medical work which alludes to it, and every medical practitioner that is acquainted with it, freely acknowledges its pre-eminant virtues; and that the latter should do so in opposition to their personal interests, must be attributed either to their candor and love of truth, or to their unwillingness to fly in the face of all observation and the testimony of thousands.

Dr. W. EVANS does not pretend that his Camomile Pills will cure all diseases.—He frankly and conscientiously admits that they will not. He lays no claim to the discovery of the "Philosopher's Stone, and wishes nobody to believe that he sells the Elixir of Life," but he does say and he does believe and he can prove that in debilitated and impaired constitutions; in nervous diseases of all kinds; in weakness of the digestive organs; in incipient consumptions whether of the lungs or of the liver; in the dreadful debility occasioned by the use of purgatives; in palsy, rheumatism (more especially) in the sickness incident to mothers and females of relaxed nerves; in every case of delirium tremens, or that disease which is brought on by intemperance; in the wretched horrors of the mind and body which accrue from occasional inebriety, in the loss of appetite; languor, melancholy, pains in the head, limbs, or side; in corrupt, sallow, and uncomely complexions, which arise from the bad state of the fluids; in all these cases, and in some others mentioned in the bills and directions given with his medicines, he does say, that the Camomile Pills interchanged occasionally with his aperient family pills, (the best known) which are sold with them, will affect immediate relief; and if used but for a fair period of trial, a perfect cure. This much is placed beyond doubt, by daily testimonies which would be given on oath; and for this much Dr. W. Evans can conscientiously request confidence. He therefore need only to add that his camomile pills, together with his excellent aperient pills, can be obtained, wholesale or retail at No. 19th north 8th st. Philadelphia.
