Health and Happiness.

Dr. Wm. Evans' Camomile Pills.

THE DIFFERENCE.

It cannot be denied that whilst many medicines which are recommended to the public, have not even the negative merit of harmlessness, there are others which it would be great injustice indeed and suicidal prejudice to involve, untried, in a common condemnation.

THE CAMOMILE PREPARATION of Dr. Evans, of New York, is undeniably entitled to this enviable distinction; for whilst no medical authority in existence condemns it, every medical work which alludes to it, and every medical practitioner that is acquainted with it, freely acknowledges its pre-eminence.

THOMAS J. COOPER, Gettysburg, JOHN M. STEVENSON, do. J. A. & J. S. DAVIS, Littlestown.

Dr. W. EVANS does not pretend that his Camomile Pills will cure all diseases.—He frankly and conscientiously admits that they will not.

THE vices of the summer, and the peculiar opportunities for exemplifying to the country the happy effects of Dr. W. Evans' Camomile Tonic Pills, upon debilitated constitutions.

It has been ascertained beyond contradiction, that persons can be cured permanently and effectually of Hernia or Rupture by the use of Hull's Truss.

QUACKS AND THEIR DESTRUCTIVE GHOSTS.—The united testimony of physicians throughout the United States has fully proved the fact that Peters' Vegetable Pills are the only true Vegetable Pills which will stand the test of analysis.

THE cures, the great, effectual and undeniable cures which this fine tonic and restorative remedy effects in the cases that are particularly in other advertisements, are daily exciting the admiration and enlisting the candid acknowledgment of the medical profession who witness them.

A Catalogue of Reasons for using Dr. Peters' Vegetable Pills.

1. BECAUSE experience has established their merit, and decided them to be best, as also the most popular of modern medical discoveries.

2. Because they are composed of simples which have the power to do good in an immense number of cases, without possessing the means to do injury in any.

3. Because they are not a quack medicine, but the scientific compound of a regular physician, who has made his profession the study of his life and are hence recommended as a standard family medicine by the regular faculty.

PUBLIC OPINION.—Public opinion is perhaps the only unerring guide from whose decision there is no appeal; and was there ever such a manifestation of its approval, as there is with BRANDRETH'S VEGETABLE UNIVER-SAL PILLS?

How to be secure from counterfeits. Never to purchase Brandreth's Pills without being positively sure that the person selling has a copperplate certificate of Agency, and observe it has been renewed—no CERTIFICATE BEING ANY GUARANTEE AFTER TWELVE MONTHS FROM DATE that Pills sold by the holder are genuine.

These, and indeed all counterfeits, if used according to the direction of my Pills, are calculated to DESTROY LIFE. They are made by men having no standing or respectability, without habitation or name—perfectly careless of consequences, provided money is obtained.

And be careful to remember that I have never authorized any Doctor, Druggist, Apothecary, or Pedlar in the United States to sell my Pills. These contemptible persons universally sell counterfeits. Never forget that this class, Doctors, Druggists, Apothecaries, and Pedlars are the men who sell counterfeits, and that all Tradesmen who are made agents, have each of them a COPPER-PLATE certificate of Agency, signed in writing with a pen by me; and which certificate requires renewal every twelve months, it being no guarantee for more than one year from date—observe the date is not WRITTEN, it is COPPERPLATE.

To Dr. Wm. Evans.

Georgetown, D. C. June 26, 1839.

RESPECTED FRIEND.—I am truly gratified that I can return my sincere thanks to you, who have been the cause of my being restored to perfect health.

For five months past I have been laboring under a severe Chronic Inflammatory Rheumatism, attended with debility, loss of appetite, lowness of spirits, &c. Having frequently heard of the truly excellent quality of your Camomile Pills, I at last determined to make trial of them, although not without considerable opposition from my physician and family.

At last seeing my determination they agreed to the trial; and upon using the third package, I was altogether restored to health. How can I express my gratitude and sincere regard for such a savior of human frames? My case was altogether hopeless, and I must confess myself surprised at the extraordinary result.

No people were ever more blessed than we are with such remedies. The many quick advertisements which appear in the papers which I receive from your city, deterred me from using your pills before I did. I can truly say that no medicine in the known world has had such a beneficial effect as your Camomile and Aperient Pills.

What makes the cure more extraordinary is that I am more than forty years of age, and for the last four years could just move about, and only at short intervals. I am at present entirely recovered, and my hopes are that you may enjoy a long and prosperous life. If I am spared, I will almost certainly come to Philadelphia to see you.

If my name and letter will be of any service to you, you are at perfect liberty to make use of them and all I can do to aid you will be done with unbounded pleasure. Your truly grateful and humble servant. WILLIAM JOHNSON.
