To Dr. Wm. Evans.

Georgetown, D. C. June 25, 1838. RESPECTED FRIEND.—I am truly gratified that I can return my sincere thanks to you, who have been the cause of my being restored to perfect health. For five months past I have been laboring under a severe Chronic Inflammatory Rheumatism, attended with debility, loss of appetite, lowness of spirits, &c. Having frequently

"The True Riches of Life is Health."

We know that Health, and the ability to labor is the wealth of the great mass of the people in this as in most other countries. To preserve, therefore, that health by natural means, is a grand moral and political scheme, to fulfil which requires our utmost attention. THE unparalleled reputation which Peters' Pills have acquired as a Medical Restorative, is the most unquestionable proof that can be given of their immense importance to the afflicted, in almost every class of diseases. The number of letters received from patients recovering through their means is really prodigious, and the complaints which they have cured are almost as varied as they are numerous. But still there are some in which they are more especially beneficial than in others; and among those may be named the too often fatal complaints of the stomach and bowels, such as Cholera, Flatulency, and Indigestion, for which they are not only a certain but an immediate cure.

It is well known that from the disarrangement of the stomach and bowels, arise nine tenths of all the maladies of adult and declining life; that this is the foundation of Flatulency, Spasmodic Pains, Indigestion, Loss of Appetite, &c. and that those in their turn give birth to Dropsy, Liver Complaint, Consumption, and habitual lowness of spirits; therefore Peters' Pills being the very best medicine which has ever been discovered for the incipient diseases of the intestines, are necessarily the surest preventives of those dreadful, and also general disorders, which exhibit mature life, and drag so many millions to untimely graves. In speaking thus Dr. Peters arrogates nothing to himself that has not been conceded by the public, who count him as one of the world's own heralds and witnesses, but is placed in a responsible situation by the patronage which he has enjoyed for years, and which is increasing to an extent unprecedented in the annals of medicine, that makes him careful to assert nothing which is not borne out by the most inflexible proof, and hence he does not fear to be put to test in any trial, which he has promised respecting his Pills. Dr. Peters is most happy to be able to state, on the authority of a great number of regular physicians, that wherever his Vegetable Pills have been introduced, they have almost succeeded the adoption of mercurial experiments, for their peculiar faculty in sweetening the blood, and stimulating it to expel all noxious juices, and in giving strength and tone to the nerves, prevents disease from acquiring that strength which must be got under, if at all, by dangerous remedies. Prepared by JOS. PRIESTLY PETERS, M. D. 129 Liberty street, New York. Each box contains 40 pills; price 50 cents.

These celebrated Pills are sold by all the principal Druggists in Baltimore, Philadelphia, Washington City, and throughout the United States, the Canadas, Texas, Mexico, and the West Indies. For sale at the Drug Store of GEO. R. GILBERT, & CO. Gettysburg, Nov. 27, 1838. 1xm-35

Interesting case Cured

By Dr. WILLIAM EVANS' Camomile Tonic and Family Aperient Pills.

BENJAMIN BROWN, corner of Shippen and George streets, Philadelphia, was afflicted for seven years with extreme nervousness, by which he was not able to write his name. His symptoms, were eructation, daily spasmodic pains in the head, loss of appetite, palpitation of the heart, giddiness and dimness of sight, utter inability of engaging in any thing that demanded vigor or courage, sickness of the stomach, impaired appetite, coldness and weakness of the extremities, emaciation and general debility, disturbed rest, a sense of weight at the stomach after eating, great mental despondency, severe flying pains in the chest, back and side costiveness, a dislike for society and conversation. Mr. B. has made a trial of various medicines now before the public, but to no effect, until observing in a public paper some cures performed by Dr. Wm. Evans' Camomile Tonic and Family Aperient Pills, he was induced to give them a trial, of which he is at any time happy to state that they effectually cured him of the above distressing disease.

Persons who doubt the above cure, are most respectfully directed to the above mentioned person, at the corner of Shippen and George streets.

MORE than three millions of boxes of these celebrated PILLS have been sold in the United States since January, 1835. Hundreds and thousands bless the day they became acquainted with PETERS' VEGETABLE PILLS, which in consequence of their extraordinary goodness, have attained a popularity unprecedented in the history of medicine.

When taken according to the directions accompanying them, they are highly beneficial in the prevention and cure of Bilious Fever, Fever and Ague, Dyspepsia, Liver Complaints, Sick Headache, Jaundice, Asthma, Dropsy, Rheumatism, Enlargement of the Spleen, Piles, Cholera, Female Obstructions, Heart Burn, Furred Tongue, Nausea, Distension of the Stomach and Bowels, Insipient Diarrhoea, Flatulency, Habitual Constipation, and in all cases of Torpor of the Bowels, where a cathartic or aperient is needed. They are exceedingly mild in their operation, producing neither nausea, griping, nor debility. The efficacy of these Pills is so well known, and their use so general, that further comment is considered unnecessary.

GARLEGANT'S BALSAM OF HEALTH.

Prepared only by the sole Proprietor JOHN S. MILLER, Frederick City, Md.

JUST received, a further supply of this valuable medicine by the subscriber, which has already acquired a celebrity which few others ever has in so short a time received. This Balsam of Health, is a medicinal and vegetable compound, warranted a safe and effectual remedy not only for the Dyspepsia, but for the whole train of diseases resulting from and connected with a disordered condition of the stomach and liver, or derangement of the digestive functions, such as general debility or weakness, flatulency, loss of appetite, sourcructations and acidities of the stomach, costiveness, head ache, jaundice, flatulency and bilious cholera, &c. As a Family Medicine, it stands unrivalled and should be possessed by all heads of families particularly by those that are subject to a constipation of the bowels, it operates as a gentle aperient gives tone and action to the stomach and bowels, and enlivens and invigorates the whole system. This medicine does not contain a particle of mercury, but is composed altogether of vegetable matter, which renders it perfectly harmless, and can be taken at all times, and is no hindrance to business, nor any proper customary habits.

New testimony of cases are frequently received a few are subjoined, certificates from highly respectable persons and many more could be produced, but it is deemed unnecessary, as if these will not be believed neither will a host of certificates be credited. Therefore the proprietor earnestly requests the afflicted to give his Balsam of Health a fair trial and he is confident that they will not be disappointed.

The public are respectfully requested to read his directions in which they will find many cures performed and apply for his medicine, which can be obtained of his Agent in this town by wholesale and retail.

S. H. BUEHLER.

Mr. John S. Miller—This is to certify that I bought of your agent at Gettysburg several bottles of your valuable Balsam of Health, which—completely cured me of the Dyspepsia. I had taken much of other patent Medicines, but found no relief, until I made use of your Balsam of Health, which effected a radical cure, and I do recommend it to all those who are troubled with that obstinate disorder Dyspepsia. NICHOLAS WEAVER. Gettysburg, Pa. Nov. 2, 1836.

Mr. John S. Miller—Sir—I do certify that I have been afflicted with Dyspepsia for the last four or five years, which has been increasing on me ever since to such a degree, that for the last three or four weeks previous to my using your valuable Garlegant's Balsam of Health, I am certain I had not eaten one ounce a day of any kind of food, neither was I able to sleep with any kind of comfort during the time, because of a severe pain in the stomach. In fact, I had given up myself as incurable, as I had recourse to so many different remedies without any benefit. At length I heard of your Balsam of Health being advertised, and was induced to try it. I accordingly bought one bottle from your agent, (Wm. Miller, Winchester.) After taking the first three doses, I found the stomach to remain in some degree what I eat, and the pain in a great measure subsiding. After using only one and a half bottles I found myself entirely well; and can now eat any thing I have an inclination for, and can sleep well at night. It was surprising to see the quantity of morbid matter I discharged from my stomach, which I am inclined to believe was coated thick with it, which no doubt rendered all diet indigestible. Given under my hand this 1st day of December, 1836.

Health and Happiness.

Dr. Wm. EVANS' CAMOMILE PILLS.

THE DIFFERENCE.

It cannot be denied that whilst many medicines which are recommended to the public, have not even the negative merit of harmlessness, there are others which it would be great injustice indeed and suicidal prejudice to involve, untried, in a common condemnation. And when a medicine comes endorsed with all the great profession, and warranted by the seal and signature of long and uniform success, its proprietor makes no unreasonable demand upon public confidence, when he claims for it a superior consideration.

THE CAMOMILE PREPARATION of Dr. Evans, of New York, is undeniably entitled to this enviable distinction; for whilst no medical authority in existence condemns it, every medical work which alludes to it, and every medical practitioner that is acquainted with it, freely acknowledges its pre-eminent virtues; and that the latter should do so in opposition to their personal interests, must be attributed either to their candor and love of truth, or to their unwillingness to fly in the face of all observation and the testimony of thousands.

Dr. W. EVANS does not pretend that his Camomile Pills will cure all diseases.—He frankly and conscientiously admits that they will not. He lays no claim to the discovery of the "Philosopher's Stone, and wishes nobody to believe that he sells the Elixir of Life," but he does say and he does believe and he can prove that in debilitated and impaired constitutions; in nervous diseases of all kinds; in weakness of the digestive organs; in incipient consumptions whether of the lungs or of the liver; in the delirium occasioned by the use of purgatives; in palsy, rheumatism (more especially) in the sickness incident to mothers and females of relaxed nerves; in every case of delirium tremens, or that disease which is brought on by intemperance; in the wretched horrors of the mind and body which accrue from occasional inebriety, in the loss of appetite; languor, melancholy, pains in the head, limbs, or side; in corrupt, sallow, and unbecomingly complexions, which arise from the bad state of the fluids; in all these cases, and in some others mentioned in the bills and directions given with his medicines, he does say, that the Camomile Pills interchangeably occasionally with his aperient family pills, (the best known) which are sold with them, will afford immediate relief; and if used but for a fair period of trial, a perfect cure. This much is placed beyond doubt, by daily testimonies which would be given on oath; and for this much Dr. W. Evans can conscientiously request confidence. He therefore need only to add that his camomile pills, together with his excellent aperient pills, can be obtained, wholesale or retail at no. 19th north 8th st. Philadelphia. - 1. BECAUSE experience has established their merits, and decided them to be the best, as also the most popular of modern medical discoveries. 2. Because they are composed of simples which have the power to do good in an immense number of cases, without possessing the means to do injury in any. 3. Because they are not a quick medicine, but the scientific compound of a regular physician, who has made his profession the study of his life and are hence recommended as a standard family medicine by the regular faculty.
