BOTANIC REMEDY, For Fever and Ague, warranted a prompt nervousness, by which he was not able to and effectual cure, prepared by Vaughman

South Boston, Feb. 22d 1636. A Remarkable Case.

A gentleman states an extracrdinary case, that of his wife, who was reduced se low by a pulmonary complaint, that symp toms of approaching dissolution began to exhibit themselves, so that her Physician intimated that nothing further could be dong for her-that her case was past human skill, and the Doctor observed shortly after, while at a neighbors, that Mrs. W was about to leave as. The same evening a relation recommended a trial of thes (Relfe's Asthmatic) Fills, they were accord ingly administered, producing such relict and effecting so favorable a change during the night, that in the morning strong hope were afforded of at least a partial restoration of her health, which was effected, and made comparitively comfortable by a continued use of these Pills.

Timely Relief.

A person recently from neglecting i slight cold, became so seriously affected with a severe cough, which notwithstanding overy attempt to remove, became so bad as to oblige him to suspend attending to business, and finally to exhibit such alarm ing symptoms as to excite scripus fears for the result-in these circumstances he was advised to minke use of these Pills, which he did, and with such complete success, as to be able to resume his business in a few days, entirely cured !!

QUACKS AND THEIR DESTRUCTIVE NOSTRUMS.—The united testimony of physicians throughout the United States has fully proved the fact that Peters' Vegetable Pillsare attended with debility, loss of appetite, low-ness of spirite, &c. Having frequently heard of the truly excellent quality of your the only true Vegetable Pills which will stand the test of analyzation; hence the proprietor would most carnestly urge them to the notice of Camomilo Pills, I at last determined to those who have been in the habit of using, as ca make trial of them, although not without thartics or aperients, the destructive and Irritatconsiderable opposition from my physician ting quack pills so generally advortises, and which are at best but slow consumers of the vital and family. At last seeing my determinaiton they agreed to the trial; and upon functions, and murderous agents, even to the using the third package, I was altogether most hale. It is true, most of them produces purgative effect, and sometimes transient relief; restored to health. How can I express my but in most cases they injure the digestive or

gans, and an habitual resort to them must termi ato in confirmed dyspepsia. It is true that cath irtic and aperient medicine together hopeless, and I must confess my are often required, but the neest discrimination should always be obsorved in the selection ; and if this be done, nothing injurious can result from

their use. To produce this much-desired, result, Dr. P. which I receive from your city. deterred ters has made it has study for several years, and feels proud to say he has succeeded at length far beyond his expectations.
