Dear Sir,-Having had a severe cough entirely removed by the use of your Dr. Relfe's Asthmatic Pills, (and occasional use of the Antibilious Pills!) I teel it a duty incumbent on me to inform you more minutely for the benefit of others who may in like mannor be affected.

To be more paticular, I would say that for about ten years past with but little intermission,I have been affected with a hard, dry, hacking cough, attended with great pain and sinking of the stomach and with very little raising of phlegm-that I have tried from time to time many prescriptions, with no or at most, with a temporary relief and had become constrained to believe that I should recieve no lasting relief when above named Pills, which I did with little confidence of a beneficial result, but contrary to my expectation, in a few days my cough was wholly broken up, and subse-

quently removed. I feel thankful for the benefit I have received, and am fully persunded that many if not all, who are affected in the manner that I have been, would find a complete cure by doing as I have done. You are at lib with a pen by me; and which certificate requires erty to make use of this communication in renewal every twelve months, it being no guarant any manner that you may deem most expedient or productive of good.
