To Dr. Wm. Evans.

Georgetown, D. C. June 25, 1835.

RESPECTED FRIEND,—I am truly gratified that I can return my sincere thanks to you, who have been the cause of my being restored to perfect health. For five months past I have been laboring under a severe Chronic Inflammatory Rheumatism, attended with debility, loss of appetite, lowness of spirits, &c. Having frequently heard of the truly excellent quality of your Camomile Pills, I at last determined to make trial of them, although not without considerable opposition from my physician and family. At last seeing my determination they agreed to the trial; and upon using the third package, I was altogether restored to health. How can I express my gratitude and sincere regard for such a saviour of human frames? My case was altogether hopeless, and I must confess my self surprised at the extraordinary result. No people were ever more blessed than we are with such remedies. The many quick advertisements which appear in the papers which I receive from your city, deterred me from using your pills before I did. I can truly say that no medicine in the known world has had such a beneficial effect as your Camomile and Aperient Pills. What makes the cure more extraordinary is that I am more than forty years of age, and for the last four years could just move about, and only at short intervals. I am at present entirely recovered, and my hopes are that you may enjoy a long and prosperous life. If I am spared, I will almost certainly come to Philadelphia to see you.

If my name and letter will be of any service to you, you are at perfect liberty to make use of them and all I can do to aid you will be done with unbounded pleasure. Your truly grateful and humble servant,
WILLIAM JOHNSON.

Important to the Sick.

THE vicissitudes of the summer, and the preceding spring, have afforded peculiar opportunities for exemplifying to the country the happy effects of Dr. W. Evans' Camomile Tonic Pills, upon debilitated constitutions. In cases of extreme nervous suffering, which stimulating tonics only momentarily relieve, and at length greatly aggravate, a single box of these beautifully compounded pills has proved an immediate and continual benefit. The loss of appetite and tremulous exhaustion which all invalids feel during this oppressive season, are relieved within two or three hours by one dose only; and in many cases a few doses will fortify the system a long time against a recurrence of these attacks. To Ladies especially, who suffer from nausea and lassitude incidental to interesting changes of health, these pills are friends indeed, and a bottle of them has hence become a favorite boomer and toilette confidant of ladies in wedded life. If taken before exercise in the open air, they will generally prevent the lassitude and fatigue which frequently attend it at this season; and if taken afterwards they never fail to relieve these sensations in a few moments. That oppressive sensation of arterial fullness and throbbing in the head, which is generally experienced in fervid and sultry weather, is so speedily removed by these Pills that they are recommended by a great number of our best Physicians in preference to any other prescriptions, as they are well known to be in many other cases.

The cures, the great, effectual and undoubted cures which this fine tonic and restorative remedy effects in the cases that are particularized in other advertisements, are daily exciting the admiration and eliciting the candid acknowledgment of the medical profession who witness them. Directions for taking these Camomile Pills, as well as Dr. W. Evans' Aperient Family Pills, always accompany them; and they may be obtained wholesale and retail, at 19th north 8th st. Philadelphia.

Brandreth's Vegetable Pills.

PUBLIC OPINION.—Public opinion is per se the only unerring guide from whose decision there is no appeal; and was there even a manifestation of its approval, as there is with BRANDRETH'S VEGETABLE UNIVERSE SAL PILLS? Step by step has this Medication wormed itself into favor, in spite of envy, detraction and scorn. Triumphant has been its progress to its present sphere of extensive usefulness. It has surmounted obstacles before which quackery sinks paralyzed—and has gained for itself a reputation which neither physicians, nor shippant sordid counterfeiting apothecaries can ever injure. These charlatans nevertheless no assail it with the malignant shafts of their despicable envy, and which rebounds upon themselves with a power each day on the increase, until they themselves will be covered with the slime of their own manufacturing. They can no more injure the reputation of BRANDRETH'S PILLS than they can lay their hands upon the sun.

How to be secure from COUNTERFEITS. Never to purchase Brandreth's Pills without being positively sure that the person selling has a copperplate certificate of Agency, and observe it has been renewed—no CERTIFICATE BEING ANY GUARANTEE AFTER TWELVE MONTHS FROM DATE that Pills sold by the holder are genuine.

All Pills having Wm. Brandreth on the label, and George Hodgkinson on the edge, are counterfeits, and made to DECEIVE THE PUBLIC and evade the law at the same time.

ADVERTISEMENTS.

These, and indeed ALL counterfeit Pills, if used according to the direction of my Pills, are calculated to DESTROY LIFE. They are made by men having no standing or respectability, without habitation or name—perfectly careless of consequences, provided money is obtained.

[Extract from Dr. B's address to Citizens of U. S.]

And be careful to remember that I have never authorized any Doctor, Druggist, Apothecary, or Pedler in the United States to sell my Pills. These contemptible rascals universally sell counterfeits. Never forget that this class, Doctors, Druggists, Apothecaries, and Pedlars are the men who sell counterfeits, and that all Tradesmen who are made agents, have each of them a COPPER-PLATE certificate of Agency, signed in writing with a pen by me; and which certificate requires renewal every twelve months, it being no guarantee for more than one year from date—observe the date is not WRITTEN, it is COPPER-PLATE.

The following respective persons are my duly authorized AGENTS in Adams county, Pa. whose names are,

- THOMAS J. COOPER, Gettysburg,
- JOHN M. STEVENSON, do.
- J. A. & J. S. DAVIS, Littlestown.
- WILLIAM HILDEBAND, East Berlin.
- ADAM EPLY, New Chester.

FACTS bespeak attention, and are more profitable than ten thousand falsehoods however well told.

I am averso to the following method of sounding the merits of any system (as it has too often its origin in quackery and imposition.) but when we take into consideration the illiberal and unjust persecution the Botanic System has received. The correct and discriminating mind, will fully justify the present procedure, and clearly see the propriety and necessity that its friends should resort to every honorable way to exhibit the System and its merits, in their true value and character to the consideration of a discriminating and enlightened community.

ADVERTISEMENTS.

Diseases of the Lungs!

THE melancholy effects of which our obituaries painfully exhibit, have for some years been increasing to an alarming extent. The dreadful ravages of these complaints have in a vast number of cases been arrested, by the use of Dr. Relfe's Asthmatic or Consumptive Pills, which have proved one of the most useful medicines ever yet discovered, for complaints of the Lungs generally. This medicine has restored a large number of persons, from the very borders of the grave, to health and society, who had been given over by their friends, and in many instances even by their Physicians, as past relief! Among a large number of cases of cure by the use of this invaluable medicine, the following are presented to the public.

Copy of a Letter.

Dear Sir,—Having had a severe cough entirely removed by the use of your Dr. Relfe's Asthmatic Pills, (and occasional use of the Antibilious Pills!) I feel it a duty incumbent on me to inform you more minutely for the benefit of others who may in like manner be affected.

To be more particular, I would say that for about ten years past with little intermission, I have been afflicted with a hard, dry, hacking cough, attended with great pain and sinking of the stomach and with very little raising of phlegm—that I have tried from time to time many prescriptions, with no or at most, with a temporary relief and had become constrained to believe that I should receive no lasting relief when I was recommended to make a trial of the above named Pills, which I did with little confidence of a beneficial result, but contrary to my expectation, in a few days my cough was wholly broken up, and subsequently removed.

I feel thankful for the benefit I have received, and am fully persuaded that many, if not all, who are affected in the manner that I have been, would find a complete cure by doing as I have done. You are at liberty to make use of this communication in any manner that you may deem most expedient or productive of good.

Respectfully yours, &c.

(Signed) HORATIO N. CRANE.

Boston, March 14th, 1836.

Mr. Thompson Kidder.

Another Letter.

[From a gentleman of the first respectability, to whom reference can be made.]
Mr. Kidder,

Dear Sir,—Having been affected for several years past with weak lungs and a troublesome cough, which had become very alarming, I was induced to try the efficacy of your Relfe's Asthmatic Pills, from which I have derived so much benefit that I have recommended them to a number of my friends as a cure for coughs, colds, &c. and have heard of no instance in which the patient has not been benefited.

Believing as I do that this medicine has been the means of prolonging my life, and that of a near friend, who is subject to a pulmonary complaint, you may rest assured that I shall avail myself of every opportunity to make others acquainted with its virtues.

Yours, truly, A. A.

South Boston, Feb. 22d, 1836.

A Remarkable Case.

A gentleman states an extraordinary case, that of his wife, who was reduced so low by a pulmonary complaint, that symptoms of approaching dissolution began to exhibit themselves, so that her Physician intimated that nothing further could be done for her—that her case was past human skill, and the Doctor observed shortly after, while at a neighbors, that Mrs. W. was about to leave us. The same evening a relation recommended a trial of these (Relfe's Asthmatic) Pills, they were accordingly administered, producing such relief, and effecting so favorable a change during the night, that in the morning strong hopes were afforded of at least a partial restoration of her health, which was effected, and made comparatively comfortable by a continued use of these Pills.

Timely Relief.

A person recently from neglecting a slight cold, became so seriously affected with a severe cough, which notwithstanding every attempt to remove, became so bad as to oblige him to suspend attending to business, and finally to exhibit such alarming symptoms as to excite serious fears for the result—in these circumstances he was advised to make use of these Pills, which he did, and with such complete success, as to be able to resume his business in a few days, entirely cured!

Much more testimony might be produced to prove this one of the best medicines ever discovered for all stages of Consumption, Coughs, Colds, Asthma, Hoarseness, Wheezing, Difficulty of breathing, Tightness of the Chest, Pain in the Side, Spitting of Blood, &c. &c.

Price—Whole Box of 30 Pills, \$1 00—Half Box of 12 Pills, 50 cents.

None genuine unless signed T. KIDDER, on the wrapper, (sole proprietor and successor to Dr. Conway,) by whom they are for sale, at his counting room, No. 99, Court st. Boston, (up stairs,) and by his special agent,

S. H. BUEHLER.

Price \$1, or 6 bottles for \$5.

IN NO INSTANCE has the beautiful tonic, anodyne, and restorative preparation, well known and celebrated as Dr. Wm Evans' Camomile Pills, failed to afford the highest gratification to those who have tried them in any of the various cases for which they are recommended in the larger advertisements.
