HYPOCHONDRIACISM. Cured by Dr. Evans' Camomile Tonic and Family Aperient Pills.

MRS. GOOD, of Mount Joy, Lancaster county, Pa., was afflicted for seven years with distressing symptoms of which she was confined to her bed for nine months. Her symptoms were, depression of spirits, sickness at the stomach, headache, impaired appetite, great pressure and weight at the stomach after eating, great mental despondency, flying pains in the chest, back and sides, costiveness, emaciation, coldness and weakness of the extremities, a dislike for society or conversation, involuntary sighing and weeping, and languor and lassitude upon the least exercise. Mrs. Good was in the most desperate situation, and could obtain no relief until she was advised by her neighbors to make trial of Dr. Evans' Camomile Pills of which she is happy to state that she is now enjoying all the blessings of perfect health. Persons desirous of further information will be satisfied of every particular of her astonishing cure by applying at No. 10, N. Eighth street Philadelphia, or at her residence.

To the Afflicted.

THE BEST PROOF which can be given of the UNRIVALLED EFFICACY OF DR. RELF'S Botanical Drops.

in addition to the wonderful cures that have been effected through this extraordinary Medicine, is the following new and interesting case:—

FEVER SORE! A most aggravated Case. Extract of a letter, dated Norember,—"I am now using the Relf's Botanical Drops in a very important and difficult case. It is of a person who has had a Fever Sore for more than twelve years, which has resisted the skill and medicines of the best Physicians—being applied to about five weeks since, I advised the use of the Botanical Drops, and they have had a most surprising effect, having reduced the leg (which was dreadfully swollen) more than six inches in circumference, and I think will effect a perfect cure; I am now out of the Drops, and wish you to send me some by the bearer."

Cure Completed. [Extract of a letter from the subject of the foregoing communication, Mr. Jac. Cheney, of Reading, Mass.]

"Sir—My leg which before did not look like a human limb, is now entirely healed up, and come to its proper shape. I am free from pain, and can walk without limping. My appetite is good, and my sleep refreshing and quiet, and I can follow my occupation with comfort. Previous to taking the Drops, I had given up all hopes of relief."

The above remarkable case of cure is attested to by

Rev. JARED REID, and DANIEL CHUTE, Esq. Justice Peace, Reading, (Mass.)

Scrofula.

In 1831, an Agent writes,—"In another case (the Botanical Drops) undoubtedly had the happiest effect. In this instance the disease appeared to pervade the whole system. It was undoubtedly of a scrofulous nature. The glands in various parts became enlarged, hard and very painful, and became otherwise so affected with the disease as to be under the necessity of giving up business and confine himself to his room for several weeks; one or two of the swellings suppurated, and discharged a considerable quantity. The bones, the physician told him, were also materially diseased. It was precisely under these circumstances that he commenced the use of the Botanical Drops, and as he used nothing else, (with the exception of some purgative occasionally) and perfectly restored to health, we are, (of course) warranted in drawing the conclusion, that this happy result was brought about solely by their agency."

Another Case.

"There is a person in this place taking the Botanical Drops evidently with the greatest advantage. He declares, to use his own words, 'It is doing wonders for him,' and as it were 'snatching him from the grave!'"

St. Anthony's Fire.

A Lady of the first respectability, (written Agent) has recently been cured of a very obstinate case of St. Anthony's Fire, by the use of Dr. Relf's Botanical Drops, after having previously received the best advice in vain.

Scabbed Eruptions.

A distant Agent writes—"I have witnessed two most astonishing cures of eruptions or cutaneous disease, effected by the Botanical Drops, that had eluded the skill of the most eminent Physicians in the neighboring city (Philadelphia); they were cases of two or three years standing; one of which was literary covered with a kind of scabbed eruption. They are members of highly respectable families, and declare without reserve that they believe the Botanical Drops to be one of the most valuable Medicines ever offered for diseases of that kind.

The proprietor might exhibit numerous other testimonials to prove the extraordinary efficacy of this invaluable medicine. The prejudice of the most incredulous given way on beholding the astonishing cures performed by it—and various Physicians who have witnessed its efficacy, not only approve of its use, but in many cases recommend it without reserve. These Drops will be found one of the most powerful alterative, purifier, and sweeter of the blood yet discovered, and may be used as one of the best remedies for the Scrofula, Salt Rheum, Leprosy, St. Anthony's Fire, Fever Sores, (even when the bones are affected) White Swellings (if applied with Dr. Jebb's Lintment,) foul and obstinate Ulcers, Sore Legs and Eyes, Scaldhead in Children, Scurvy and Scrofulic Gout, Pimpled or Carbuncled Faces, Festering Eruptions, and Venereal Taints throughout the body, in which last case the Drops often cure when Mercury fails. They are also the best Spring and Autumnal Physic to purify and cleanse the system from humors which frequently appear at these seasons of the year. They also aid the process of digestion, and by purifying the blood, prevent the secretion of malignant humors on the lungs.

None genuine unless signed T. KIDDER, on the wrapper, (sole proprietor and successor to Dr. Conway,) by whom they are for sale, at his counting room, No. 99, Court st. Boston, (up stairs,) and by his special appointment, at

GARLEGGANT'S BALSAM OF HEALTH.

Prepared only by the sole Proprietor JOHN S. MILLER, Frederick City, Md.

JUST received, a further supply of this valuable medicine by the subscriber, which has already acquired a celebrity which few others ever held in so short a time received. This Balsam of Health, is a medicinal and vegetable compound, warranted a safe and effectual remedy not only for the Dyspepsia, but for the whole train of diseases resulting from and connected with a disordered condition of the stomach and liver, or derangement of the digestive functions, such as general debility or weakness, flatulency, loss of appetite, sour eructations and acidities of the stomach, coarsiveness, head ache, jaundice, flatulency and bilious cholera, &c. As a Family Medicine, it stands unrivalled and should be possessed by all heads of families particularly by those that are subject to a constipation of the bowels, it operates as a gentle aperient gives tone and action to the stomach and bowels, and enlivens and invigorates the whole system. This medicine does not contain a particle of mercury, but is composed altogether of vegetable matter, which renders it perfectly harmless, and can be taken at all times, and is no hindrance to business, nor any proper customary habits.

New testimony of cases are frequently received a few are subjoined, certificates from highly respectable persons and many more could be produced, but it is deemed unnecessary, as if these will not be believed neither will a host of certificates be credited. Therefore the proprietor earnestly requests the afflicted to give his Balsam of Health a fair trial and he is confident that they will not be disappointed.

The public are respectfully requested to read his directions in which they will find many cures performed and apply for his medicine, which can be obtained of his Agent in this town by whole sale and retail.

S. H. BUEHLER.

Mr. Joh. S. Miller—Sir:—I do certify that I bought of your agent at Gettysburg several bottles of your valuable Balsam of Health, which completely cured me of the Dyspepsia. I had taken much of other Patent Med. since, but found no relief, until I made use of your Balsam of Health, which effected a radical cure, and I do recommend it to all those who are troubled with that obstinate disorder Dyspepsia.

NICHOLAS WEAVER. Gettysburg, Pa. Nov. 2, 1836.

Mr. Joh. S. Miller—Sir:—I do certify, that I have been afflicted with Dyspepsia for the last four or five years, which has been increasing on me ever since to such a degree, that for the last three or four weeks previous to my using your valuable GarleGGant's Balsam of Health, I am certain I had not eaten one ounce a day of any kind of food, neither was I able to sleep with any kind of comfort during the time, because of a severe pain in the stomach. In fact, I had given up myself as incurable, as I had recourse to so many different remedies without any benefit. At length I heard of your Balsam of Health being advertised, and was induced to try it. I accordingly bought one bottle from your agent, (Wm. Miller, Winchester.) After taking the first three doses, I found the stomach to retain in some degree what I eat, and the pain in a great measure subsiding. After using only one and a half bottles I found myself entirely well; and can now eat any thing I have an inclination for, and can sleep well at night. It was surprising to see the quantity of morbid matter I discharged from my stomach, which I am inclined to believe was coated thick with it, which no doubt rendered all diet indigestible. Given under my hand this 1st day of December 1836.

A Catalogue of Reasons for using Dr. Peters' Vegetable Pills.

1. BECAUSE experience has established their merits, and decided them to be best, as also the most popular of modern medical discoveries. 2. Because they are composed of simples, which have the power to do good in an immense number of cases, without possessing the means to do injury in any. 3. Because they are not a quick medicine, but the scientific compound of a regular physician, who has made his profession the study of his life and are hence recommended as a standard family medicine by the regular faculty.

Interesting case Cured

By Dr. WILLIAM EVANS' Camomile Tonic and Family Aperient Pills.

BENJAMIN BROWN, corner of Shippen and George streets, Philadelphia, was afflicted for seven years with extreme nervousness, by which he was not able to write his name. His symptoms, were eructation, daily spasmodic pains in the head, loss of appetite, palpitation of the heart, giddiness and dimness of sight, utter inability of engaging in any thing that demanded vigor or courage, sickness of the stomach, impaired appetite, coldness and weakness of the extremities, emaciation and general debility, disturbed rest, a sense of weight at the stomach after eating, great mental despondency, severe flying pains in the chest, back and side costiveness, a dislike for society and conversation. Mr. B. has made a trial of various medicines now before the public, but to no effect, until observing in a public paper some cures performed by Dr. Wm. Evans' Camomile Tonic and Family Aperient Pills, he was induced to give them a trial, of which he is at any time happy to state that they effectually cured him of the above distressing disease.

Persons who doubt the above cure, are most respectfully directed to the above mentioned person, at the corner of Shippen and George streets.

Health and Happiness. Dr. Wm. EVANS' CAMOMILE PILLS.

THE DIFFERENCE.

IT cannot be denied that whilst many medicines which are recommended to the public, have not even the negative merit of harmlessness, there are others which it would be great injustice indeed and suicidal prejudice to involve, untried, in a common condemnation. And when a medicine comes endorsed with all the great professions, and warranted by the seal and signature of long and uniform success, its proprietor makes no unreasonable demand upon public confidence, when he claims for it a superior consideration.

THE CAMOMILE PREPARATION of Dr. Evans, of New York, is undeniably entitled to this enviable distinction; for whilst no medical authority in existence condemns it, every medical work which alludes to it, and every medical practitioner that is acquainted with it, freely acknowledges its pre-eminence virtues; and that the latter should do so in opposition to their personal interests, must be attributed either to their candor and love of truth, or to their unwillingness to fly in the face of all observation and the testimony of thousands.

Dr. W. EVANS does not pretend that his Camomile Pills will cure all diseases.—He frankly and conscientiously admits that they will not. He lays no claim to the discovery of the "Philosopher's Stone, and wishes nobody to believe that he sells the Elixir of Life," but he does say and he does believe and he can prove that in debilitated and impaired constitutions; in nervous diseases of all kinds; in weakness of the digestive organs; in incipient consumptions whether of the lungs or of the liver; in the dreadful debility occasioned by the use of purgatives, in palsy, rheumatism (more especially in the sickness incident to mothers and females of relaxed nerves; in every case of delirium tremens, or that disease which is brought on by intemperance; in the wretched horrors of the mind and body which accrue from occasional imbrutery, in the loss of appetite; languor, melancholy, pains in the head, limbs, or side; in corrupt, slow, and uncomely complexion, which arise from the bad state of the fluids; in all these cases, and in some others mentioned in the bills and directions given with his medicines, he does say, that the Camomile Pills interchangeably occasionally with his aperient family pills, (the best known) which are sold with them, will affect immediate relief; and if used but for a fair period of trial, a perfect cure. This much is placed beyond doubt, by daily testimonies which would be given on oath; and for this much Dr. W. Evans can conscientiously request confidence. He therefore need only to add that his camomile pills, together with his excellent aperient pills, can be obtained, wholesale or retail at No. 19th north 8th st. Philadelphia. Also for sale at the Drug Store of GEO. R. GILBERT & CO. Gettysburg, Nov. 6, 1838. 1y-32

ADVERTISEMENTS.

To Dr. Wm. EVANS. Georgetown, D. C. June 25, 1838.

RESPECTED FRIEND.—I am truly grateful that I can return my sincere thanks to you, who have been the cause of my being restored to perfect health. For five months past I have been laboring under a severe Chronic Inflammatory Rheumatism, attended with debility, loss of appetite, leanness of spirits, &c. Having frequently heard of the truly excellent quality of your Camomile Pills, I at last determined to make trial of them, although not without considerable opposition from my physician and family. At last seeing my determination they agreed to the trial; and upon using the third package, I was altogether restored to health. How can I express my gratitude and sincere regard for such a saviour of human frames! My case was altogether hopeless, and I must confess myself surprised at the extraordinary result. No people were ever more blessed than we are with such remedies. The many quick advertisements which appear in the papers which I receive from your city, deterred me from using your pills before I did. I can truly say that no medicine in the known world has had such a beneficial effect as your Camomile and Aperient Pills. What makes the cure more extraordinary is that I am more than forty years of age, and for the last four years could just move about, and only at short intervals. I am at present entirely recovered, and my hopes are that you may enjoy a long and prosperous life. If I am spared, I will almost certainly come to Philadelphia to see you.

If my name and letter will be of any service to you, you are at perfect liberty to make use of them and all I can do to aid you will be done with unbounded pleasure. Your truly grateful and humble servant, WILLIAM JOHNSON.

Brandreth's Vegetable Pills.

PUBLIC OPINION.—Public opinion is persuasion the only unerring guide from whose decision there is no appeal; and was there ever a manifestation of its approval, as there is with BRANDRETH'S VEGETABLE UNIVERSAL SAL PILLS! Step by step, has this Medicine wormed itself into favor, in spite of envy, detraction and scorn. Triumphant has been its progress to its present apogee of extensive usefulness. It has surmounted obstacles before which quakery sinks paralysed—and has gained for itself a reputation which neither puritanism, nor sipping sordid counterfeiting apothecaries can ever injure. These charlatans nevertheless assault it with the malignant shafts of their despicable envy, and which rebounds upon themselves with a power each day on the increase, until they themselves will be covered with the slime of their own facturing. They can no more injure the reputation of BRANDRETH'S PILLS than they lay their hands upon the sun.
