QUACKS AND THEIR DESTRUCTIVE NOSTRUMS.—The united testimony of Physicians throughout the United States has fully proved the fact that Peters' Vegetable Pills are the only true Vegetable Pills which will stand the test of analysis; hence the proprietor would most earnestly urge them to the notice of those who have been in the habit of using, as cathartics or aperients, the destructive and irritating quack pills so generally advertised, and which are at best but slow consumers of the vital functions, and murderous agents, even to the most hale. It is true, most of them produce a purgative effect, and sometimes transient relief; but in most cases they injure the digestive organs, and an habitual resort to them must terminate in confirmed dyspepsia. It is true that cathartic and aperient medicines are often required, but the wisest discrimination should always be observed in the selection; and if this be done, nothing injurious can result from their use. To produce this much desired result, Dr. Peters has made it his study for several years, and feels proud to say he has succeeded at length far beyond his expectations. The object of his pills is to supersede the necessity of a frequent recourse to injurious purgatives, and to offer a medicine safe, certain, and pleasant in its operation. Prepared by JOSEPH PETERS, M. D. No. 129 Liberty street, New York. Each box contains 40 pills. Price 50 cents. For sale at the Drug Store of GEO. R. GILBERT, & CO. Gettysburg, Nov. 27, 1838.

Important to the Sick.
 THE vicissitudes of the summer, and the preceding spring, have afforded peculiar opportunities for exemplifying to the country the happy effects of Dr. W. Evans' **Camomile Tonic Pills**, upon debilitated constitutions. In cases of extreme nervous suffering, which stimulating tonics only momentarily relieve, and at length greatly aggravate, a single box of these beautifully compounded pills has proved an immediate and continual benefit. The loss of appetite and tremulous exhaustion which all invalids feel during this oppressive season, are relieved within two or three hours by one dose only; and in many cases a few doses will fortify the system a long time against a recurrence of these attacks. To Ladies especially, who suffer from nausea and lassitude incidental to interesting changes of health, these pills are friends indeed, and a bottle of them has hence become a favorite bond and toilette confidant of ladies in wedded life. If taken before exercise in the open air, they will generally prevent the lassitude and fatigue which frequently attend it at this season; and if taken afterwards they never fail to relieve these sensations in a few moments. That oppressive sensation of arterial fullness and throbbing in the head, which is generally experienced in fervid and sultry weather, is so speedily removed by those Pills that they are recommended by a great number of our best Physicians in preference to any other prescriptions, as they are well known to be in many other cases. The cures, the great, effectual and undenia-ble effects in the cases that are particularized in other advertisements, are daily exciting the admiration and eliciting the candid acknowledgment of the medical profession who witness them. Directions for taking these Camomile Pills, as well as Dr. W. Evans' Aperient Family Pills, always accompany them; and they may be obtained wholesale and retail, at 19th north 8th st. Philadelphia. Also for sale at the Drug Store of GEO. R. GILBERT & CO. Gettysburg, Nov. 6, 1838.

IN NO INSTANCE has the beautiful tonic, anodyne, and restorative preparation, well known and celebrated as Dr. Wm. Evans' **Camomile Pills**, failed to afford the highest gratification to those who have tried them in any of the various cases for which they are recommended in the larger advertisements. For sale at the Drug Store of GEO. R. GILBERT & CO. Gettysburg, Nov. 6, 1838.

BENJAMIN BROWN, corner of Shippen and George streets, Philadelphia, was afflicted for seven years with extreme nervousness, by which he was not able to write his name. His symptoms, were eructation, daily spasmodic pains in the head, loss of appetite, palpitation of the heart, giddiness and dimness of sight, utter inability of engaging in any thing that demanded vigor or courage, sickness of the stomach, impaired appetite, coldness and weakness of the extremities, emaciation and general debility, disturbed rest, a sense of weight at the stomach after eating, great mental despondency, severe flying pains in the chest, back and side costiveness, a dislike for society and conversation. Mr. B. has made a trial of various medicines now before the public, but to some effect, until observing in a public paper some cures performed by Dr. Wm. Persons who doubt the above cure, are most respectfully directed to the above mentioned person, at the corner of Shippen and George streets.

Diseases of the Lungs!
 THE melancholy effects of which our obituaries painfully exhibit, have for some years been increasing to an alarming extent. The dreadful ravages of these complaints have in a vast number of cases been arrested, by the use of Dr. Rollo's Asthmatic or Consumptive Pills, which have proved one of the most useful medicines ever yet discovered, for complaints of the Lungs generally. This medicine has restored a large number of persons, from the very borders of the grave, to health and society, who had been given over by their friends, and in many instances even by their Physicians, as past relief! A very large number of cases of cure by the use of this invaluable medicine, the following are presented to the public.
Copy of a Letter.

Dear Sir,—Having had a severe cough entirely removed by the use of your Dr. Rollo's Asthmatic Pills, (and occasional use of the Antibilious Pills!) I feel it a duty incumbent on me to inform you more minutely for the benefit of others who may in like manner be affected.
 To be more particular, I would say that for about ten years past with but little intermission, I have been afflicted with a hard, dry, hacking cough, attended with great pain and sinking of the stomach and with very little raising of phlegm—that I have tried from time to time many prescriptions, with no or at most, with a temporary relief and had become constrained to believe that I should receive no lasting relief when I was recommended to make trial of the above named Pills, which I did with little confidence of a beneficial result, but contrary to my expectation, in a few days my cough was wholly broken up, and subsequently removed.
 I feel thankful for the benefit I have received, and am fully persuaded that many, if not all, who are affected in the manner that I have been, would find a complete cure by doing as I have done. You are at liberty to make use of this communication in any manner that you may deem most expedient or productive of good.
 Respectfully yours, &c.
HORATIO N. CRANE.
 Boston, March 14th, 1836.
 Mr. Thompson Kidder.

Another Letter.
 [From a gentleman of the first respectability, to whom reference can be made.]
 Mr. Kidder,
 Dear Sir:—Having been affected for several years past with weak lungs and a troublesome cough, which had become very alarming, I was induced to try the efficacy of your Relie's Asthmatic Pills, from which I have derived so much benefit that I have recommended them to a number of my friends as a cure for coughs, colds, &c. and have heard of no instance in which the patient has not been benefited.
 Believing as I do that this medicine has been the means of prolonging my life, and that of a near friend, who is subject to a pulmonary complaint, you may rest assured that I shall avail myself of every opportunity to make others acquainted with its virtues.
 Yours, truly,
 A. A.
 South Boston, Feb. 22d, 1836.

A Remarkable Cure.
 A gentleman states an extraordinary case, that of his wife, who was reduced so low by a pulmonary complaint, that symptoms of approaching dissolution began to exhibit themselves, so that her Physician intimated that nothing further could be done for her—that her case was past human skill, and the Doctor observed shortly after, while at a neighbors, that Mrs. W. was about to leave us. The same evening a relation recommended a trial of these (Relie's Asthmatic) Pills, they were accordingly administered, producing such relief, and effecting so favorable a change during the night, that in the morning strong hopes were afforded of at least a partial restoration of her health, which was effected, and made comparatively comfortable by a continued use of these Pills.
Timely Relief.
 A person recently from neglecting a slight cold, became so seriously affected with a severe cough, which notwithstanding every attempt to remove, became so bad as to oblige him to suspend attending to business, and finally to exhibit such alarming symptoms as to excite serious fears for the result—in these circumstances he was advised to make use of these Pills, which he did, and with such complete success, as to be able to resume his business in a few days, entirely cured!
 Much more testimony might be produced to prove this one of the best medicines ever discovered for all stages of Consumption, Coughs, Colds, Asthma, Hoarseness, Whooping, Difficulty of breathing, Tightness of the Chest, Pain in the Side, Spitting of Blood, &c. &c.
 Price—Whole Box of 30 Pills, \$1 00—Half Box of 12 Pills, 50 cents.
 None genuine unless signed T. KIDDER, on the wrapper, (sole proprietor and successor to Dr. Conway,) by whom they are for sale, at his counting room, No. 99, Court st. Boston, (up stairs,) and by his special appointment, at
 The Drug and Book Store of **S. H. BUEHLER.**
 Price \$1, or 6 bottles for \$5.
THE NECESSITY of a Restorative and Sustaining Medicine at this season of extreme trial to the nervous system and digestive organs, is felt by thousands of persons who never thought of taking the Camomile Tonic Pills prepared by Dr. Wm. Evans. Those who have once used them will readily bear testimony to their delightful effects.

Health and Happiness.
 Dr. WM. EVANS' CAMOMILE PILLS.
THE DIFFERENCE.
 It cannot be denied that whilst many medicines which are recommended to the public, have not even the negative merit of harmlessness, there are others which it would be great injustice indeed and suicidal prejudice to involve, untried, in a common condemnation. And when a medicine comes endorsed with all the great professions, and warranted by the seal and signature of long and uniform success, its proprietor makes no unreasonable demand upon public confidence, when he claims for it a superior consideration.
 THE CAMOMILE PREPARATION of Dr. Evans, of New York, is undeniably entitled to this enviable distinction; for whilst no medical authority in existence condemns it, every medical work which alludes to it, and every medical practitioner that is acquainted with it, freely acknowledges its pre-eminent virtues; and that the latter should do so in opposition to their personal interests, must be attributed either to their candor and love of truth, or to their unwillingness to fly in the face of all observation and the testimony of thousands.
 Dr. W. EVANS does not pretend that his Camomile Pills will cure all diseases—He frankly and conscientiously admits that they will not. He lays no claim to the discovery of the "Philosopher's Stone," and wishes nobody to believe that he sells the Elixir of Life; but he does say and he does believe and he can prove that in debilitated and impaired constitutions; in nervous diseases of all kinds; in weakness of the digestive organs; in incipient consumptions whether of the lungs or of the liver; in the dreadful debility occasioned by the use of purgatives; in palsy, rheumatism (more especially) in the sickness incident to mothers and females of relaxed nerves; in every case of delirium tremens; or that disease which is brought on by intemperance; in the wretched horrors of the mind and body which accrue from occasional inebriety; in the loss of appetite; languor, melancholy, pains in the head, limbs, or side; in corrupt, sallow, and uncomely complexions, which arise from the bad state of the fluids; in all these cases, and in some others mentioned in the bills and directions given with his medicines, he does say that the **Camomile Pills** interchanged occasionally with his **aperient family pills**, (the best known) which are sold with them, will affect immediate relief; and if used but for a fair period of trial, a perfect cure. This much is placed beyond doubt, by daily testimonies which would be given on oath; and for this much Dr. W. Evans can conscientiously request confidence. He therefore need only to add that his camomile pills, together with his excellent aperient pills, can be obtained, wholesale or retail at no. 19th north 8th st. Philadelphia. Also for sale at the Drug Store of **GEO. R. GILBERT & CO.** Gettysburg, Nov. 6, 1838.

HYPOCHONDRIACISM.
 Cured by Dr. Evans' Camomile Tonic and Family Aperient Pills.
MRS. GOOD, of Mount Joy, Lancaster county, Pa., was afflicted for seven years with distressing symptoms of which she was confined to her bed for nine months. Her symptoms were, depression of spirits, sickness at the stomach, headache, impaired appetite, great pressure and weight at the stomach after eating, great mental despondency, flying pains in the chest, back and sides; costiveness, emaciation, coldness and weakness of the extremities, a dislike for society or conversation, involuntary sighing and weeping, and languor and lassitude upon the least exercise. Mrs. Good was in the most desperate situation, and could obtain no relief until she was advised by her neighbors to make trial of Dr. Evans' Camomile Pills of which she is happy to state that she is now enjoying all the blessings of perfect health. Persons desirous of further information will be satisfied by applying at No. 10, N. Eighth street Philadelphia, or at her residence.

To Dr. Wm. Evans.
 Georgetown, D. C. June 25, 1838.
RESPECTED FRIEND.—I am truly gratified that I can return my sincere thanks to you, who have been the cause of my being restored to perfect health. For five months past I have been laboring under a severe Chronic Inflammatory Rheumatism, attended with debility, loss of appetite, lowness of spirits, &c. Having frequently heard of the truly excellent quality of your Camomile Pills, I at last determined to make trial of them, although not without considerable opposition from my physician and family. At last seeing my determination they agreed to the trial; and upon trying the third package, I was altogether restored to health. How can I express my gratitude and sincere regard for such a savior of human frames? My case was almost together hopeless, and I must confess myself surprised at the extraordinary result. No people were ever more blessed than we are with such remedies. The many quack advertisements which appear in the papers which I receive from your city, deterred me from using your pills before I did. I can truly say that no medicine in the known world has had such a beneficial effect as your Camomile and Aperient Pills. What makes the cure more extraordinary is that I am more than forty years of age, and for the last four years could just move about, and only at short intervals. I am at present entirely recovered, and my hopes are that you may enjoy a long and prosperous life. If I am spared, I will almost certainly come to Philadelphia to see you.
 My name and letter will be of any service to you, you are at perfect liberty to make use of them and all I can do to aid you will be done with unbounded pleasure. Your truly grateful and humble servant,
WILLIAM JOHNSON.

Brandreth's Vegetable Pills.
PUBLIC OPINION.—Public opinion is perhaps the only unerring guide from whose decision there is no appeal; and was there ever such a manifestation of its approval, as there is with **BRANDRETH'S VEGETABLE UNIVERSAL PILLS!** Step by step has this Medicinewormed itself into favor, in spite of envy, malice and scorn. Triumphant has been its progress to its present sphere of extensive usefulness. It has surmounted obstacles before which quakery sinks paralyzed—and has gained for itself a reputation which neither sybarites, nor dissipated and counterfeiting apothecaries can ever injure. These charlatans nevertheless do assail it with the malignant shafts of their spiteful envy, and which rebounds upon themselves with a power each day on the increase, until they themselves will be covered with the slime of their own manufacturing. They can no more injure the reputation of BRANDRETH'S PILLS than they can lay their hands upon the sun.
 How to be secure from counterfeits. Never to purchase Brandreth's Pills without being positively sure that the person selling has a copperplate certificate of Agency, and observe it has been renewed—no CERTIFICATE BEING ANY GUARANTEE AFTER TWELVE MONTHS FROM DATE that Pills sold by the holder are genuine.
 All Pills having Wm. Brandreth on the label, and George Hodgkinson on the edge, are counterfeits, and made to DECEIVE THE PUBLIC and evade the law at the same time.
 These, and indeed all counterfeits, if used according to the direction of my Pills, (as stated) to DESTROY LIFE. They are made by men having no standing or respectability, without habit or name—perfectly careless of consequences, provided money is obtained.
 [Extract from Dr. B's address to Citizens of U.S.]
 And be careful to remember that I have never authorized any Doctor, Druggist, Apothecary, or Pedlar in the United States to sell my Pills. These contemptible rascals universally sell counterfeit. Never forget that this class, Doctors, Druggists, Apothecaries, and Pedlars are the men who sell counterfeits, and that all Tradesmen who are made agents, have each of them a COPPER-PLATE certificate of Agency, signed in writing with a pen by me; and which certificate requires renewal every twelve months, it being no guarantee for more than one year from date—observe the date is not WRITTEN, it is COPPERPLATE.
 The following respective persons are my duly authorized AGENTS in Adams county, Pa. whose names are,
