DR. FRANKLIN J. SMITH,

RESPECTFULLY calls the attention of his friends and the public generally, to the important and interesting fact, that he is fully prepared and qualified to cure the most inveterate cases of rheumatism.—The various diseases to which mankind are subject (if curable) can also be effectually and radically cured by him, safely and expeditiously, at moderate and reasonable charges, without subjecting the patient to the poisonous influence of minerals, such as mercury, arsenic, &c.
His remedies are mild, agreeable, and efficient, and operate in accordance with the laws of the animal economy.
Doctor F. Smith is ready at all times to attend patients at their homes. Patients living at a distance can be accommodated with board and medical attendance at moderate prices at his dwelling, in Carlisle street, the house formerly occupied by Dr. Berluchy.
Dr. Smith would also inform the public that his mode of treatment will perfectly remove the bad effects remaining in the system, from the use of mercury or any other poisonous mineral.
Medical men of the highest distinction and talent, such as Matthias, Alley, Cramp-ton, Penner, Abornethy, Carmichael, &c. affirm that chancres and buboes, ulcerations in the throat, together with diseases of the periosteum, tendons, cartilages, ligaments, fascia, and eruptions of a highly obstinate character, are the consequence from the administration or use of mercury.—These awful effects of mercury are not novel, for every physician of veracity will acknowledge them to be of frequent and melancholy occurrence.

Rev. Ezra Keller's
CERTIFICATE.

THIS is to certify that I was severely afflicted with the disease technically termed Bronchitis, the Tonsils considerably swollen and much inflamed, the uvula or palate permanently elongated, the Trachea or Windpipe exceedingly painful, my disease was so extensive and aggravated, as to disqualify me from my professional avocations, and I was induced to make application to the celebrated Professor Doctor Smith of Baltimore, who cut off a part of the palate, which gave some little relief, but still did not cure the disease under which I was laboring.

As a dernier resort I applied to Dr. F. J. Smith a Botanic Physician of Hanover, now of Gettysburg, by whose care, skill and judicious treatment, I have been perfectly and radically cured; and I thus make it public as an act of but common justice to the Doctor, and from a full & strong sense of gratitude to him, and at the same time as an inducement to others similarly affected unavail themselves of the like benefits, as witness my hand this 18th day of September, 1839.

To the Afflicted.

THE BEST PROOF which can be given of the UNRIVALLED EFFICACY of

DR. RELFE'S
Botanical Drops.

in addition to the wonderful cures that have been effected through this extraordinary Medicine, is the following new and interesting case:—
EVER SORE! A most aggravated Case.
Extract of a letter, dated November, ——"I am now using the Relfe's Botanical Drops in a very important and difficult case. It is of a person who has had a Fever Sore for more than twelve years, which has resisted the skill and medicines of the best Physicians—being applied to about five weeks since, I advised the use of the Botanical Drops, and they have had a most surprising effect, having reduced the leg (which was dreadfully swollen) more than six inches in circumference, and I think will effect a perfect cure; I am now out of the Drops, and wish you to send me some by the bearer."

Cure Completed.

[Extract of a letter from the subject of the foregoing communication, Mr. Jac. Cheney, of Reading, Mass.]
"Sir—My leg which before did not look like a human limb, is now entirely healed up, and come to its proper shape. I am free from pain, and can walk without limping. My appetite is good, and my sleep refreshing and quiet, and I can follow my occupation with comfort. Previous to taking the Drops, I had given up all hopes of relief."
The above remarkable case of cure is attested to by

Rev. JARED REID, and
DANIEL CHUTE, Esq.
Justice Peace, Reading, (Mass.)

Scrofula.

In 1831, an Agent writes,—"In another case (the Botanical Drops) undoubtedly had the happiest effect. In this instance the disease appeared to pervade the whole system. The glands in various parts became enlarged, hard and very painful, and became otherwise so affected with the disease as to be under the necessity of giving up business and confine himself to his room for several weeks; one or two of the swellings suppurated, and discharged a considerable quantity. The bones, the physician told him, were also materially diseased. It was precisely under these circumstances that he commenced the use of the Botanical Drops, and he used nothing else, with the exception of some purgative occasionally and perfectly restored to health, we are (of course) warranted in drawing the conclusion, that this happy result was brought about solely by their agency."

Another Case.

"There is a person in this place taking the Botanical Drops evidently with the greatest advantage. He declares, to use his own words, 'It is doing wonders for him,' and as it were 'snatching him from the grave!'"

St. Anthony's Fire.

"A Lady of the first respectability, (writes an Agent) has recently been cured of a very obstinate case of St. Anthony's Fire, after having previously received the best advice in vain."
Scabbed Eruptions.
"A distant Agent writes—'I have witnessed two most astonishing cures of eruptions or catapocous disease, effected by the Botanical Drops, that had eluded the skill of the most eminent Physicians in the neighboring city (Philadelphia); they were cases of two or three years standing; one of which was literary covered with a kind of scabbed eruption. They are members of highly respectable families, and declare without reserve that they believe the Botanical drops to be one of the most valuable Medicines ever offered for diseases of that kind."
The proprietor might exhibit numerous other testimonials to prove the extraordinary efficacy of this invaluable medicine. The prejudice of the most incredulous give way on beholding the astonishing cures performed by it—and various Physicians who have witnessed its efficacy, not only approve of its use, but in many cases recommend it without reserve. These drops will be found one of the most powerful alterative, purifier, and sweeter of the blood yet discovered, and may be used as one of the best remedies for the Scrofula, Salt Rheum, Leprosy, St. Anthony's Fire, Fever Sores, (even when the bones are affected) White Swellings (if applied with Dr. Jebb's Lintment,) foul and obstinate Ulcers, Sore Legs and Eyes, Scaldhead in Children, Scurvy and Scorbutic Gout, Pimpled or Carbuncled Faces, Festering Eruptions, and Venereal Taints throughout the body, in which last case the Drops often cure when Mercury fails. They are also the best Spring and Autumnal Physic to purify and cleanse the system from humors which frequently appear at these seasons of the year. They also aid the process of digestion, and by purifying the blood, prevent the secretion of malignant humors on the lungs.

Important to the Sick.

THE vicissitudes of the summer, and the preceding spring, have afforded peculiar opportunities for exemplifying to the country the happy effects of Dr. W. Evans' Camomile Tonic Pills upon debilitated constitutions. In cases of extreme nervous suffering, which stimulating tonics only momentarily relieve, and at length greatly aggravate, a single box of these beautifully compounded pills has proved an immediate and continual benefit. The loss of appetite and tremulous exhaustion which all invalids feel during this oppressive season, are relieved within two or three hours by one dose only; and in many cases a few doses will fortify the system a long time against a recurrence of these attacks. To Ladies especially, who suffer from nausea and lassitude incidental to interesting changes of health, these pills are friends indeed, and a bottle of them has hence become a favorite bandaid and toilette confidant of ladies in wedded life. If taken before exercise in the open air, they will generally prevent the lassitude and fatigue which frequently attend it at this season; and if taken afterwards they never fail to relieve these sensations in a few moments. That oppressive sensation of arterial fullness and throbbing in the head, which is generally experienced in fervid and sultry weather, is so speedily removed by those Pills that they are recommended by a great number of our best Physicians in preference to any other prescriptions, as they are well known to be in many other cases.

The cures, the great, effectual and undeniable cures which this fine tonic and restorative remedy effects in the cases that are particularly in other advertisements, are daily exciting the admiration and eliciting the candid acknowledgment of the medical profession who witness them. Directly for taking these Camomile Pills, as well as Dr. W. Evans' Aperient Family Pills, always accompany them; and they may be obtained a whole-sale and retail, at 19th, north 8th st. Philadelphia.
