out our city on the evening of to-morrow. under this restriction only, that by 10 in the evening, they be all extinguished—the eafety of the city requires that I should urge this precaution :-- when it is most ardently wished that every citizen will retire with grateful hearts to their respective abodes. Doubtless every patriotic sentiment will lead our citizens to concur in this recom- Clinton, mendation. But let the houses of absent Cayuge, tees, or orphans, &c. which may not be Chemung. lighted on this memorable occasion, be re- Cattaraugus, spected.

ROBERT GREENHOW, Mayor. MAYOR'S OFFICE, Sunday evening, 10, p. m."

We extract from Niles' Register, Vol. 5, Essex, nublished in 1813, the following paragraphs, Fulton, which gives some of the proceedings of a Franklin, grateful People, on the receipt of the news Greene, that Harrison's valor had changed the cur. Gennessee, rent of victory on the soil of our British Herkimer,

"Harrison's Victory.—'There was a general illumination in Philadelphia on the evening of the 24th ult. by recommendation of Livingston, the Mayor; "such expressions of joy being Madison, Monroe, prohibited by law," without his permission. Many of the public buildings in New York were illuminated in great style. The bells were rung and salutes fired from all the torts, from the navy yard and the floulla.-Such demonstrations of joy have been exhibited in almost every town and village we Orange,

at Washington, Alexandria, Wilmington, Putnam, (Del.) Philadelphia and New-York by bril- Queens,

place with rapture, with the thunder of can- Soneca, of joy to the deliverers of the frontier. Suffolk, force, (supposed to be about 2,000 regulars,) Tioga, proceeded with the troops thenext day, and arrived at Black Rock on the 24th; ately in the Ontario fleet, to join Wilkinby Gen. Harrison at Detroit, is about 1.000 | Yates, regulars and 2,000 militia, under command we believe, of Brig. Gen. Cass. Captain

Barclay, commander of the late British fleet on Erie, accompanied Harrison and Perry

The following is from the New Courier and Enquirer of Saturday: and it is thought will recover of his wounds.

"From St. Louis we have satisfactory accounts of the measures that have been tacounts of the measures that counts of the measures that have been taken to meet and punish the Indians in that quarter. But, it is probable, that Harriston's victory has given peace to all the west among the savage tribes, and point out the among the savage tribes, and point out the necessity of submission."—Nov. 6, 1813, page 173.

The subscribes and punish the Indians in this State. A more decisive and in its capacity as to burden. It is aff all important fact that in charging the stack, nothing but pure Anthracite Coal and Iron under date of the 3d inst., writes as follows:

Work. There is now little room to doubt wood or charcoal was used. Not a scrap of old metal, wood or charcoal was used. Not a scrap of old metal, wood or charcoal was used. Not a scrap of old metal, wood or charcoal was used. Not a scrap of old metal, wood or charcoal was used. State that they will have a large majority in both branches of the legislature; a result that nothing but pure Anthracite Coal and Iron under date of the 3d inst., writes as follows:

"The servants will be found careful and Iron under date of the 3d inst., writes as follows:

"I have not given you any army information for some time, as but little has been one by the troops, on account of the universal prevailing sickness, of the city of New York, but makes the office of careful and attentive hostlers.

These results will be cheering to many of our distant readers, who have taken a lively interest in their successful termination.

The servants will be found careful and Iron under date of the 3d inst., writes as follows:

"I have not given you any army information for some time, as but little has been one by the troops, on account of the universal prevailing sickness. Of the city of New York, but makes the output of the universal prevailing sickness.

These results will be cheering to make the office of careful and attentive hostlers.

The servants will be found careful and Iron under date of the 3d inst., writes as follows:

The servants will be found careful and Iron under date of the State.
