Rev. Ezra Keller's CERTIFICATE.

THIS is to certify that I was severely afflicted with the disease technically termed Bronchitis, the Tonsils considerably swollen and much inflamed, the uvula or palate permanently elongated, the Trachea or Windpipe exceedingly painful, my disease was so extensive and aggravated, as to disqualify me from my professional avocations, and I was induced to make application to the celebrated Professor Doctor Smith of Baltimore, who cut off a part of the palate, which gave some little relief, but still did not cure the disease under which I was laboring. As a dernier resort I applied to Dr. F. J. Smith a Botanic Physician of Hanover, now of Gettysburg, by whose care, skill and judicious treatment, I have been perfectly and radically cured; and I thus make it public as an act of but common justice to the Doctor, and from a full & strong sense of gratitude to him, and at the same time as an inducement to others similarly afflicted to avail themselves of the like benefits, as witness my hand this 18th day of September, 1839. GODEY'S LADY'S BOOK.

EDITION, 25,000 Monthly. More than sixty figures of Fashions each year.—Great addition to the editorial department: Mrs. LYDIA H. SIGOURNEY, whose name is so intimately connected with the literature of our country, and who has justly been termed by the contemporary press, "The Heroine of America," will assist Mrs. HALE in the editorial department. It is with feelings of the greatest pleasure that the publisher of the Book makes this announcement. The editorial corps will now consist of Mrs. Sarah J. Hale, Mrs. L. H. Sigourney and Louis A. Godey. Mrs. Sigourney will commence her valuable aid with the January Number. The Lady's Book has always been noted for the purity of its contents; that marked distinction which characterizes it shall still be preserved; indeed, with such conductors, it will be impossible to go astray. This work has been emphatically termed, "The Ladies' National Magazine, as it is a receptacle for the contributions of the most celebrated Female Writers of America, most of whom of any eminence contribute to its pages.

Twelve volumes have already been issued. It is usual to announce that a small edition only will be published. Contrary to this, the proprietor of the Lady's Book announces that he will publish an immense edition, with which he hopes to supply all those who will favor him with orders, commencing with the January number. It will be seen by this advertisement that every effort has been made by the proprietor of this work to make it superior to any other in America, and as a New-Year's Gift, the Lady's Book is probably the most proper that could be desired for ladies, edited by their own sex and assisted as the editorial department is by the pictorial embellishments, it is positively the Bourdier companion.

There are other publications that advertise Fashion Plates. The publisher of the Lady's Book wishes it to be distinctly understood that the principal fashions in his work are colored, and in every number, which is not the case with any other work published in this country. Uncolored Plates of Fashions, also monthly. This is a novel feature in the work, and as it is no great expense to give plates of fashions without coloring, the publisher will give from three to six figures each month, in addition to the three colored—this will make nearly nine figures of fashions monthly.—Lace patterns and patterns of embroidery will be published at regular intervals.—These beautiful ornaments (particularly the former) have given great satisfaction.

The Musical Department is under the superintendance of G. Osborne, than whom no person is more capable of doing it justice. The Literary Department is placed under the superintendance of Mrs. Sarah J. Hale and Mrs. Lydia H. Sigourney. Two ladies so well known to the world, that to mention their names in connection with any publication is at once a guarantee of its morality, virtue, and utility. Of their capability to conduct the Lady's Book it is presumed no person will doubt, and the proprietor mentions with pleasure that no English or American Magazine can publish in connection with its Literary department two names so celebrated in the world of letters.

Fac Similes.—A great deal of curiosity is often expressed to see the Chirography of celebrated persons. We shall endeavor, as far as lies in our power to gratify this feeling, by giving from time to time correct imitations of the most celebrated Female writers of the day. General Features.—Literature, Tales, Essays, Legends, Romantic incidents in History, Extracts from the old Poets, Reviews, Female Education, Embellishments, Fashions, colored and uncolored, Lace, Embroidery, Fac Similes, Music, &c. More than 60 figures of fashions, yearly, colored and uncolored, the Proprietor being determined to consult all tastes. Any embellishments to be found in any other Magazine may be looked for in the Lady's Book.

Increase of Subscription.—In 1838, we published 10,500 copies; during the months of January, February and March, 1839, we increased the list to 13,500, and had then to reprint three numbers, and increase to 15,000. With the next volume we advanced to 17,000, and we now print 25,000 copies monthly, probably the greatest monthly list of subscribers in the world.

Transmission by Mail.—One advantage the subscribers of this work will have, is its early reception. It will be received at the remotest cities of the Union by the first day of the month of publication.

The January and succeeding numbers will be printed on an entirely new type, cast expressly for the work, and will be found, on inspection to be a truly beautiful letter, not too small to be read with ease, nor too large to prevent the usual quantity of matter given in each page. The paper is of the finest quality for periodical use.—indeed, the typographical execution has long been a subject of congratulation with those best acquainted with those matters.

The price of the Publication is \$3 00 per annum; two copies for \$5 00. The money to be positively received before a number is sent. No letters will be taken from the Post Office unless the postage on them is paid. Unless positive orders are given at the time of subscribing, the work is continued after the first year, and if not paid during the year, the price will be increased to \$4.

For the convenience of persons wishing to subscribe for any of the following publications: Burton's Magazine, The Saturday Courier, Saturday Chronicle, Weekly Messenger, Saturday Evening Post and News—they will be furnished with the Lady's Book and any one of these publications one year, upon the receipt of \$5 00, free of postage.

Diseases of the Lungs!

THE melancholy effects of which our obituaries painfully exhibit, have for some years been increasing to an alarming extent. The dreadful ravages of these complaints have in a vast number of cases been arrested, by the use of Dr. Reile's Asthmatic or Consumptive Pills, which have proved one of the most useful medicines ever yet discovered, for complaints of the Lungs generally. This medicine has restored a large number of persons, from the very borders of the grave, to health and society, who had been given over by their friends, and in many instances even by their Physicians, as past relief! Among a large number of cases of cure by the use of this invaluable medicine, the following are presented to the public.

Copy of a Letter.

Dear Sir,—Having had a severe cough entirely removed by the use of your Dr. Reile's Asthmatic Pills, (and occasional use of the Antibilious Pills!) I feel it a duty incumbent on me to inform you more minutely for the benefit of others who may in like manner be afflicted. To be more particular, I would say that for about ten years past with but little intermission, I have been afflicted with a hard, dry, hacking cough, attended with great pain and sinking of the stomach and with very little raising of phlegm—that I have tried from time to time many prescriptions, with no or at most, with a temporary relief and had become constrained to believe that I should receive no lasting relief when I was recommended to make trial of the above named Pills, which I did with little confidence of a beneficial result, but contrary to my expectation, in a few days my cough was wholly broken up, and subsequently removed.

I feel thankful for the benefit I have received, and am fully persuaded that many, if not all, who are afflicted in the manner that I have been, would find a complete cure by doing as I have done. You are at liberty to make use of this communication in any manner that you may deem most expedient or productive of good. Respectfully yours, &c. (Signed) HORATIO N. CRANE. Boston, March 14th, 1839. Mr. Thompson Kidder.

Another Letter.

[From a gentleman of the first respectability, to whom reference can be made.] Mr. Kidder,

Dear Sir:—Having been afflicted for several years past with weak lungs and a troublesome cough, which had become very alarming, I was induced to try the efficacy of your Reile's Asthmatic Pills, from which I have derived so much benefit that I have recommended them to a number of my friends as a cure for coughs, colds, &c. and have heard of no instance in which the patient has not been benefited. Believing as I do that this medicine has been the means of prolonging my life, and that of a near friend, who is subject to a pulmonary complaint, you may rest assured that I shall avail myself of every opportunity to make others acquainted with its virtues. Yours, truly, A. A.

South Boston, Feb. 23d, 1839.

A Remarkable Case.

A gentleman states an extraordinary case, that of his wife, who was reduced so low by a pulmonary complaint, that symptoms of approaching dissolution began to exhibit themselves, so that her Physician intimated that nothing further could be done for her—that her case was past human skill, and the Doctor observed shortly after, while at a neighbors, that Mrs. W. was about to leave us. The same evening a relation recommended a trial of these (Reile's Asthmatic) Pills, they were accordingly administered, producing such relief, and effecting so favorable a change during the night, that in the morning strong hopes were afforded of at least a partial restoration of her health, which was effected, and made comparatively comfortable by a continued use of these Pills.

Timely Relief.

A person recently from neglecting a slight cold, became so seriously afflicted with a severe cough, which notwithstanding every attempt to remove, became so bad as to oblige him to suspend attending to business, and finally to exhibit such alarming symptoms as to excite serious fears for the result.—In these circumstances he was advised to make use of these Pills, which he did, and with such complete success, as to be able to resume his business in a few days, entirely cured!

Much more testimony might be produced to prove this one of the best medicines ever discovered for all stages of Consumption, Coughs, Colds, Asthma, Hoarseness, Wheezing, Difficulty of breathing, Tightness of the Chest, Pain in the Side, Spitting of Blood, &c. &c. Price—Whole Box of 30 Pills, \$1 00—Half Box of 12 Pills, 50 cents. None genuine unless signed T. KIDDER on the wrapper, (sole proprietor and successor to Dr. Conway,) by whom they are for sale, at his counting room, No. 99, Court st. Boston, (up stairs,) and by his special appointment at The Drug and Book Store of S. H. BUEHLER. Price \$1, or 6 bottles for \$5.

CHEAP CLOTHS.

A GOOD assortment embracing—Very fine wool dyed Black—Superior Blue, Invisible & Bottle Green, Olive, Brown and mixed Cloths. Superior Plain and Buckskin Cassimeres, Cassinets, Kentucky Jeans, Beaver Cloths, &c. &c. Just received and for sale by R. G. M'CREARY. Sept. 17. if

Brandreth's Vegetable Pills.

PUBLIC OPINION.—Public opinion is perhaps the only unerring guide from whose decision there is no appeal; and was there ever a manifestation of its approval, as there is with BRANDRETH'S VEGETABLE UNIVER SAL PILLS! Step by step has this Medicament wormed itself into favor, in spite of ENVY, DUNGEON, and SCORN.—Triumphant has been its progress to its present sphere of extensive usefulness. It has surmounted obstacles before which quackery sinks paralysed—and has gained for itself a reputation which neither PURSUIVANTS, nor slyly sordid counterfeiting apothecaries can ever injure. These charlatans nevertheless do assail it with the malignant shafts of their despicable envy, and which rebounds upon themselves with a power each day on the increase, until they themselves will be covered with the slime of their own manufaturing. They can no more injure the reputation of BRANDRETH'S PILLS than they can lay their hands upon the sun.

How to be secure from counterfeits. Never to purchase Brandreth's Pills without being positively sure that the person selling has a copperate certificate of Agency, and observe it has been renewed—no CERTIFICATE BEING ANY GUARANTEE AFTER TWELVE MONTHS FROM DATE that Pills sold by the holder are genuine.

All Pills having Wm. Brandreth on the label, and George Hodgkinson on the edge, are counterfeits, and made to DECEIVE THE PUBLIC and evade the law at the same time. These, and indeed ALL counterfeit Pills, if used according to the direction of my Pills, are calculated to DESTROY LIFE. They are made by men having no standing or respectability, without habitation or name—perfectly careless of consequences, provided money is obtained.

[Extract from Dr. B's address to Citizens of U.S.] And be careful to remember that I have never authorised any Doctor, Druggist, Apothecary, or Pedlar in the United States to sell my Pills. These contemptible rascals universally sell counterfeit. Never forget that this class, Doctors, Druggists, Apothecaries, and Pedlars are the men who sell counterfeits, and that all Tradesmen who are made agents, have each of them a COPPER-PLATE certificate of Agency, signed in writing with a pen by me; and which certificate requires renewal every twelve months, it being no guarantee for more than one year from date—observe the date is not WRITTEN, it is COPPERPLATE. The following respective persons are my duly authorized AGENTS in Adams county, Pa. whose names are,

- THOMAS J. COOPER, Gettysburg, JOHN M. STEVENSON, do. J. A. & J. S. DAVIS, Littlestown, WILLIAM HILDEBRAND, East Berlin, ADAM EPLY, New Chester, ABRAHAM KING, Hunterstown, HAY M'FARLAND, Abbotstown, COOK & TUDOR, Hampton, WM. ICKES, Petersburg. My offices in Philadelphia are at No. 8 North Eight Street, and 43 Chesnut Street. B. BRANDRETH, M.D. 241 Broadway, New York. N. B. All travellers from me have a power of Attorney, proved before the Clerk of the County of New York. Observe it.
