Rev. Ezra Keller's CERTIFICATE.

THIS is to certify that I was severely afflicted with the disease technically termed Bronchitis, the Tonsils considerably swollen and much inflamed, the uvula or palate permanently elongated, the Trachea or Windpipe exceedingly painful, my disease was so extensive and aggravated, as to disqualify me from my professional avocations, and I was induced to make application to the celebrated Professor Doctor Smith of Baltimore, who cut off a part of the palate, which gave some little relief, but still did not cure the disease under which I was laboring.

As a dernier resort I applied to Dr. F. J. Smith a Botanic Physician of Hanover, now of Gettysburg, by whose care, skill and judicious treatment, I have been perfectly and radically cured; and I thus make it public as an act of but common justice to the Do ctor, and from a full & strong sense of gratitude to him, and at the same time as an inducement to others similarly affected to avail themselves of the like benefits, as witness my hand this 18th day of September, 1839.

1. BECAUSE experience has established their merits, and decided them to be the best, as also the most popular of modern medical discoveries.

2. Because they are composed of simples which have the power to do good in an immense number of cases, without possessing the means to do injury in any.

3. Because they are not a quick medicine, but the scientific compound of a regular physician, who has made his profession the study of his life and are hence recommended as a standard family medicine by the regular faculty.

Brandreth's Vegetable Pills.

PUBLIC OPINION.—Public opinion is the only unerring guide from whose decision there is no appeal; and was there ever such a manifestation of its approval, as there is with BRANDRETH'S VEGETABLE UNIVERBAL PILLS? Step by step has this Medicinewormed itself into favor, in spite of every opposition and scorn. Triumphant has been its progress to its present sphere of extensive usefulness.

It has surmounted obstacles before which quackery sinks paralyzed—and has gained for itself a reputation which neither flattery, nor sycophancy, nor sordid counterfeiting apothecaries can ever injure. These charlatans nevertheless do assail it with the malignant shafts of their despicable envy, and which rebounds upon themselves with a power each day on the increase, until they themselves will be covered with the slime of their own manufacturing. They can no more injure the reputation of BRANDRETH'S PILLS than they can lay their hands upon the sun.

How to be secure from counterfeits. Never to purchase Brandreth's Pills without being positively sure that the person selling has a copperplate certificate of Agency, and observe it has ANY GUARANTEE AFTER TWELVE MONTHS FROM DATE that Pills sold by the holder are genuine.

All Pills having Wm. Brandreth on the label, and George Hodgkinson on the edge, are counterfeits, and made to DECEIVE THE PUBLIC and evade the law at the same time.

These, and indeed all counterfeit Pills, if used according to the direction of my Pills, are calculated to DESTROY LIFE. They are made by men having no standing or respectability, without habitation or name—perfectly careless of consequences, provided money is obtained.

(Extract from Dr. B.'s address to Citizens of U. S.) And be careful to remember that I have never authorized any Doctor, Druggist, Apothecary, or Pedlar in the United States to sell my Pills. These contemptible rascals universally sell counterfeits. Never forget that this class, Doctors, Druggists, Apothecaries, and Pedlars are the men who sell counterfeits, and that all Tradesmen who are made agents, have each of them a COPPER-PLATE certificate of Agency, signed in writing with a pen by me; and which certificate requires renewal every twelve months, it being no guarantee for more than one year from date—observe the date is not WRITTEN, it is COPPERPLATE.

The following respective persons are my duly authorized AGENTS in Adams county, Pa. whose names are:

- THOMAS J. COOPER, Gettysburg,
- JOHN M. STEVENSON, do.
- J. A. & J. S. DAVIS, Littlestown.
- WILLIAM HILDEBAND, East Berlin.
- ADAM EPLY, New Chester.
- ABRAHAM KING, Hunterstown.
- HAY M'FARLAND, Abbotstown.
- COOK & TUDOR, Hampton.
- WM. ICKES, Petersburg.

GODEY'S LADY'S BOOK.

EDITION, 25,000 Monthly. More than sixty figures of Fashions each year—Great addition to the editorial department—Mrs. LYDIA H. SIGOURNEY, whose name is so intimately connected with the literature of our country, and who has justly been termed by the contemporary press, "The Menans of America," will assist Mrs. HALE in the editorial department. It is with feelings of the greatest pleasure that the publisher of the Book makes this announcement.

The editorial corps will now consist of Mrs. Sarah J. Hale, Mrs. L. H. Sigourney and Louis A. Godey. Mrs. Sigourney will commence her valuable aid with the January Number. The Lady's Book has always been noted for the purity of its contents; that marked distinction which characterizes it shall still be preserved; indeed, with such conductors, it will be impossible to go astray. This work has been emphatically termed, "The Ladies' National Magazine, as it is a receptacle for the contributions of the most celebrated Female Writers of America, most of whom of any eminence contribute to its pages.

Twelve volumes have already been issued. It is usual to announce that a small edition only will be published. Contrary to this the proprietor of the Lady's Book announces that he will publish an immense edition, with which he hopes to supply all those who will favor him with orders, commencing with the January number. It will be seen by this advertisement that every effort has been made by the proprietor of this work to make it superior to any other in America, and as a New-Year's Gift, the Lady's Book is probably the most proper that could be desired for ladies, edited by their own sex and assisted as the editorial department is by the pictorial embellishments, it is positively the Boulder companion.
