"The Empire State,"
ENLARGED!
JANUARY 1, 1840.

PROSPECTUS.

DETERMINED to make adequate re-
turns for the liberal and increasing en-
couragement given to this paper, which
bears about the name, and defends the honor
and interests of the EMPIRE STATE—the
publishers propose, on the commence-
ment of the year 1840, to issue this paper
in the folio form, on an enlarged sheet of
Mammoth Size, to exceed in size and style
of execution, any weekly newspaper pub-
lished in this city or country. The most am-
ple arrangements are making to give to the
paper all those attractions, as a well con-
ducted Political, Literary and Miscellaneous
Journal, which the intelligence and good
taste of the present age require. In its ar-
rangement and execution, and the amount
of reading matter it will contain, as well as
in its early and faithful record of News, for-
eign and domestic, local and general, the
EMPIRE STATE will be unequalled. It
will remain staunch as it ever has been, in
support of sound Democratic Whig Prin-
ciples—an advocate of Public and Private
Economy, Public and Private Virtue, Equal
Rights and Equal Laws. And in entering
for the general reader, we shall spare no
pains or expense to render the paper attrac-
tive, valuable and useful. The choicest sec-
tions will be regularly made from the
current Literature of the day, together with
ample original contributions from the pens
of able and practised writers.

Terms of "The Empire State."
ENLARGED SERIES.
The paper will be published on a Mam-
moth folio sheet, on paper of superior qual-
ity and beautiful type.
The price will be \$2 50 per annum—in
all cases in advance. No paper sent until
the money is received; and no subscriptions
received for a less term than six months.
Those who are now subscribers, or wish
to avail themselves of the privileges of the
present terms, may do so by enclosing \$2
at any time prior to the 1st of January,
1840, and the paper will be sent for one
year. After that date, the terms will invari-
ably be \$2 50 per annum, in advance.

Gouley's Vegetable Medicines

UNPRECEDENTED SUCCESS!
No medicine has, perhaps, ever met with such
decided and general success as
Gouley's Vegetable Bitters.
THIS medicine has been but a few years
before the public, and the demand for
it has already become so great, that the sub-
scriber finds it difficult to supply the numer-
ous orders which he is constantly receiving.
January's Certificates in his possession
bear testimony to its medicinal virtues and
attest the fact of its having preserved the
lives of hundreds both in this city and else-
where.

HIS VEGETABLE COUGH DROPS,
a new article, are also getting into general
use, having been productive of the most be-
neficial effects in hundreds of families of the
first respectability in this city and vicinity,
and although they have in one instance, but
without any foundation or truth, been pro-
nounced poisonous, hundreds of certificates
can be produced of their having performed
positive and effectual cures in the most ob-
stinate cases, both on young and old, and he
now challenges any one to produce satisfac-
tory evidence that there is one particle of
any ingredient in their composition that can
injure a person in the lowest stage of any
disease.
Having administered his medicines in al-
most all diseases to which the human fam-
ily are subjected, he never, in a single in-
stance, found them to produce any injurious
effects, but, on the contrary, they have been
attended with the most complete success.
N. B.—As the Fever and Ague is very
prevalent at this season of the year, he can
confidently recommend his
VEGETABLE BITTERS
as a certain cure, and invites all who may
be afflicted with this dreadful disease to
make trial of them.
The attention of Masters and Owners of
Vessels is called to this medicine; it will be
found of great use in mending their crews,
and a sure preventative of many of the dis-
eases to which the mariner is subject during
long and tempestuous voyages.

Rev. Ezra Keller's
CERTIFICATE.

THIS is to certify that I was severely af-
flicted with the disease technically
termed Bronchitis, the Tonsils considerably
swollen and much inflamed, the uvula or pal-
ate permanently elongated, the Trachea or
Windpipe exceedingly painful, my disease
was so extensive and aggravated, as to dis-
qualify me from my professional avocations,
and I was induced to make application to
the celebrated Professor Doctor Smith of
Baltimore, who cut off a part of the palate,
which gave some little relief, but still did
not cure the disease under which I was lab-
oring.
As a dernier resort I applied to Dr. F.
J. Smith a Botanic Physician of Hanover,
now of Gettysburg, by whose care, skill
and judicious treatment, I have been perfect-
ly and radically cured; and I thus make it
public as an act of but common justice to
the Doctor, and from a full and strong sense of
gratitude to him and at the same time as
an inducement to others similarly afflicted
to avail themselves of the like benefits, as
witness my hand this 19th day of Septem-
ber, 1839. EZRA KELLER.

Diseases of the Lungs!

THE melancholy effects of which our
obituaries painfully exhibit, have for
some years been increasing to an alarming
extent. The dreadful ravages of these
complaints have in a vast number of cases
been arrested, by the use of Dr. Relfe's
Asthmatic or Consumptive Pills, which have
proved one of the most useful medicines
ever yet discovered, for complaints of the
Lungs generally. This medicine has re-
stored a large number of persons, from the
very borders of the grave, to health and
society, who had been given over by
their friends, and in many instances even by
their Physicians, as past relief! Among a
large number of cases of cure by the use
of this invaluable medicine, the following
are presented to the public.

Copy of a Letter.

Dear Sir,—Having had a severe cough en-
tirely removed by the use of your Dr. Rel-
fe's Asthmatic Pills, (and occasional use of
the Antibilious Pills!) I feel it a duty im-
plicit on me to inform you more fully
of the benefit of others who may be af-
fected like manner be afflicted.
To be more particular, I would say that
for about ten years past with but little in-
termission, I have been afflicted with a hard,
dry, hacking cough, attended with great
pain and sinking of the stomach and with
very little raising of phlegm—that I have
tried from time to time many prescriptions,
with no or at most, with a temporary relief
and had become constrained to believe
that I should receive no lasting relief when
I was recommended to make trial of the
above named Pills which I did with lith-
tle confidence of a beneficial result, but con-
trary to my expectation, in a few days, my
cough was wholly broken up, and subse-
quently removed!

I feel thankful for the benefit I have re-
ceived, and am fully persuaded that many,
if not all, who are afflicted in the manner
that I have been, would find a complete cure
by doing as I have done. You are at lib-
erty to make use of this communication in
any manner that you may deem most ex-
pedient or productive of good.
Respectfully yours, &c.
(Signed) HORATIO N. CRANE.
Boston, March 14th, 1836.
Mr. Thompson Kidder.

Another Letter.

[From a gentleman of the first respectabil-
ity, to whom reference can be made.]
Mr. Kidder,
Dear Sir,—Having been afflicted for
several years past with weak lungs and a
troublesome cough, which had become very
alarming, I was induced to try the efficacy
of your Relfe's Asthmatic Pills, from which
I have derived so much benefit that I have
recommended them to a number of my
friends as a cure for coughs, colds, &c. and
have heard of no instance in which the pa-
tient has not been benefited.
Believing as I do that this medicine has
been the means of prolonging my life, and
that of a near friend, who is subject to a
pulmonary complaint, you may rest assured
that I shall avail myself of every opportu-
nity to make others acquainted with its vir-
tues.
Yours, truly,
A. A.
South Boston, Feb. 22d, 1836.

A Remarkable Case.

A gentleman states an extraordinary
case, that of his wife, who was reduced so
low by a pulmonary complaint, that sym-
ptoms of approaching dissolution began to
exhibit themselves, so that her Physician
intimated that nothing further could be
done for her—that her case was past hu-
man skill, and the Doctor observed shortly
after, while at a neighbors, that Mrs. W.
was about to leave us. The same evening
a relation recommended a trial of these
(Relfe's Asthmatic) Pills, they were accord-
ingly administered, producing such relief,
and effecting so favorable a change during
the night, that in the morning strong hopes
were afforded of at least a partial restora-
tion of her health, which was effected, and made
comparatively comfortable by a continu-
ance of these Pills.

Timely Relief.

A person recently from neglecting a
slight cold, became so seriously affected
with a severe cough, which notwithstanding
every attempt to remove, became so bad
as to oblige him to suspend attending to
business, and finally to exhibit such alarm-
ing symptoms as to excite serious fears for
the result—in these circumstances he was
advised to make use of these Pills, which
he did, and with such complete success,
as to be able to resume his business in a few
days, entirely cured!
Much more testimony might be produced
to prove this one of the best medicines ever
discovered for all stages of Consumption,
Coughs, Colds, Asthma, Hoarseness,
Whooping, Difficulty of breathing, Tight-
ness of the Chest, Pain in the Side, Spitting
of Blood, &c. &c.

ADVERTISEMENTS.

To the Afflicted.

THE BEST PROOF which can be given of
the UNRIVALLED EFFICACY of
DR. RELFE'S
Botanical Drops.

In addition to the wonderful cures that have
been effected through this extraordinary
Medicine, is the following new and interest-
ing case.
FEVER SORE! A most aggravated Case.
Extract of a letter, dated Novem-
ber, — "I am now using the Relfe's
Botanical Drops in a very important and
difficult case. It is of a person who has had
a Fever Sore for more than twelve years,
which has resisted the skill and medicine
of the best Physicians—being applied to
about five weeks since, I advised the use of
the Botanical Drops, and they have had a
most surprising effect, having reduced the
leg (which was dreadfully swollen) more
than six inches in circumference, and I
think will effect a perfect cure; I am now out
of the Drops, and wish you to send me some
by the bearer."

Cure Completed.
[Extract of a letter from the subject of the
 foregoing communication, Mr. Jac. Che-
nev, of Reading, Mass.]
"Sir—My leg which before did not look
like a human limb, is now entirely healed
up, and come to its proper shape. I am
free from pain, and can walk without limp-
ing. My appetite is good, and my sleep re-
freshing and quiet, and I can follow my oc-
cupation with comfort. Previous to taking
the Drops, I had given up all hopes of relief."
The above remarkable case of cure is at-
tested to by
Rev. JARED REID, and
DANIEL CHUTE Esq.
Justice Peace, Reading, (Mass.)

Scrofula.
In 1831, an Agent writes,—"In another
case (the Botanical Drops) undoubtedly had
the happiest effect. In this instance the
disease appeared to pervade the whole system.
It was undoubtedly of a scrofulous nature.
The glands in various parts became enlarge-
d, hard and very painful, and became oth-
erwise so affected with the disease as to
be under the necessity of giving up business
and confine himself to his room for several
weeks; one or two of the swellings ap-
peared, and discharged a considerable
quantity. The bones, the physician told
him, were also materially diseased. It
was precisely under these circumstances
that he commenced the use of the Botanical
Drops, and as he used nothing else, (with
the exception of some purgative occasion-
ally) and perfectly restored to health, we
are (of course) warranted in drawing the con-
clusion that this happy result was brought
about solely by their agency."

Another Case.
An Agent writes—"There
is a person in this place taking the Botani-
cal Drops evidently with the greatest ad-
vantage. He declares, to use his own words,
"It is doing wonders for him," and as it
were "snatching him from the grave!"
St. Anthony's Fire.
A Lady of the first respectability,
(writes an Agent) has recently been cured
of a very obstinate case of St. Anthony's
Fire, by the use of Dr. Relfe's Botanical
Drops, after having previously received the
best advice in vain.

Scabbed Eruptions.
A distant Agent writes—"I have wit-
nessed two most astonishing cures of eruptions
or cutaneous disease, effected by the
Botanical Drops, that had eluded the skill
of the most eminent Physicians in the neigh-
boring city (Philadelphia); they were cases
of two or three years standing; one of
which was literary covered with a kind of
scabbed eruption. They are members of
highly respectable families, and declare
without reserve that they believe the Botani-
cal drops to be one of the most valuable
Medicines ever offered for diseases of that
kind.
The proprietor might exhibit numerous
other testimonials to prove the extraordi-
nary efficacy of this invaluable medicine.
The prejudice of the most incredulous given
up on beholding the astonishing cures
performed by it—and various Physicians
who have witnessed its efficacy, not only
approve of its use, but in many cases re-
commend it without reserve. These drops
will be found one of the most powerful al-
terative, purifier, and sweener of the
blood yet discovered, and may be used as
one of the best remedies for the Scrofula,
Salt Rheum, Leprosy, St. Anthony's Fire,
Fever Sores, (even when the bones are af-
fected) White Swellings (if applied with
Dr. Relfe's Liniment) foul and clamorous
Ulcers, Sore Legs and Eyes, Scalding in
Children, Scum and Scrofulous Gout, Pim-
pled or Carbuncled Faces, Fevers, Eruptions,
and Venereal Taints throughout their
life, in which last case the Drops often
cure when Mercury fails. They are also
the best Spring and Autumnal Physic to
purify and cleanse the system from humors
which frequently appear at these seasons of
the year. They also aid the process of di-
gestion, and by purifying the blood, prevent
the secretion of malignant humors on the
lungs.
None genuine unless signed T. KID-
DER, on the wrapper, (sole proprietor and
successor to Dr. Conway,) by whom they
are for sale, at his counting room, No. 99
Court st. Boston, (up stairs,) and by his
special appointment, at
The Drug and Book Store of
S. H. BUEHLER.
Price 81, or 6 bottles for \$5.

Notice.
Those persons having books in their pos-
session belonging to the "Gettysburg Lib-
rary Association," will please return them
immediately to Mr. Conrad Baker's office.
By order of the Proprietors.
