Gouley's Vegetable Medicines.

UNPRECEDENTED SUCCESS!

No medicine has, perhaps, ever met with such decided and general success as Gouley's Vegetable Bitters.

THIS medicine has been but a few years before the public, and the demand for it has already become so great, that the subscriber finds it difficult to supply the numerous orders which he is constantly receiving. Innumerable Certificates in his possession bear testimony to its medicinal virtues and attest the fact of its having preserved the lives of hundreds both in this city and elsewhere.

His VEGETABLE COUGH DROPS,

a new article, are also getting into general use, having been productive of the most beneficial effects in hundreds of families of the first respectability in this city and vicinity! and although they have in one instance, but without any foundation or truth, been pronounced poisonous, HUNDREDS of certificates can be produced of their having performed positive and effectual cures in the most obstinate cases, both on young and old, and he now challenges any one to produce satisfactory evidence that there is one particle of any ingredient in their composition that can injure a person in the lowest stage of any disease.

Having administered his medicines in almost all diseases to which the human family are subjected, he never, in a single instance, found them to produce any injurious effects, but, on the contrary, they have been attended with the most complete success.

N. B.—As the Fever and Ague is very prevalent at this season of the year, he can confidently recommend his

VEGETABLE BITTERS

as a CERTAIN CURE, and invites all who may be afflicted with this dreadful disease to make trial of them. The attention of Masters and Owners of Vessels is called to this medicine; it will be found of great benefit among their crews, and a sure preventative of many of the diseases to which the mariner is subject during long and tempestuous voyages.

To the Afflicted.

THE BEST PROOF which can be given of the UNRIVALLED EFFICACY of DR. RELF'S Botanical Drops.

in addition to the wonderful cures that have been effected through this extraordinary Medicine, is the following new and interesting case.

FEVER SORE! A most aggravated Case. Extract of a letter, dated November, "I am now using the Relfe's Botanical Drops in a very important and difficult case. It is of a person who has had a Fever Sore for more than twelve years, which has resisted the skill and medicines of the best Physicians—being applied to about five weeks since, I advised the use of the Botanical Drops, and they have had a most surprising effect, having reduced the leg (which was dreadfully swollen) more than six inches in circumference, and I think will effect a perfect cure; I am now out of the Drops, and wish you to send me some by the bearer."

Cure Completed.

[Extract of a letter from the subject of the foregoing communication, Mr. Jac. Cheney, of Reading, Mass.] "Sir—My leg which before did not look like a human limb, is now entirely healed up, and come to its proper shape. I am free from pain, and can walk without limping. My appetite is good, and my sleep refreshing and quiet, and I can follow my occupation with comfort. Previous to taking the Drops, I had given up all hopes of relief." The above remarkable case of cure is attested to by

Rev. JARED REID, and DANIEL CHUTE, Esq. Justice Peace, Reading, (Mass.)

Scrofula.

In 1831, an Agent writes,—"In another case (the Botanical Drops) undoubtedly had the happiest effect. In this instance the disease appeared to pervade the whole system. It was undoubtedly of a scrofulous nature. The glands in various parts became enlarged, hard and very painful, and became otherwise so affected with the disease as to be under the necessity of giving up business and confine himself to his room for several weeks; one or two of the swellings suppurated, and discharged a considerable quantity. The bones, the physician told him, were also materially diseased. It was precisely under these circumstances that he commenced the use of the Botanical Drops, and as he used nothing else, (with the exception of some purgative occasionally) and perfectly restored to health, we are (of course) warranted in drawing the conclusion, that this happy result was brought about solely by their agency."

Another Case.

"An Agent writes,—"There is a person in this place taking the Botanical Drops evidently with the greatest advantage. He declares, to use his own words, "It is doing wonders for him," and as it were "snatching him from the grave!"

St. Anthony's Fire.

A Lady of the first respectability, (writes an Agent) has recently been cured of a very obstinate case of St. Anthony's Fire, by the use of Dr. Relfe's Botanical Drops, after having previously received the best advice in vain.

Scabbed Eruptions.

A distant Agent writes—"I have witnessed two most astonishing cures of eruptions or cutaneous disease, effected by the Botanical Drops, that had eluded the skill of the most eminent Physicians in the neighboring city (Philadelphia); they were cases of two or three years standing; one of which was literary covered with a kind of scabbed eruption. They are members of highly respectable families, and declare without reserve that they believe the Botanical drops to be one of the most valuable Medicines ever offered for diseases of that kind. The proprietor might exhibit numerous other testimonials to prove the extraordinary efficacy of this invaluable medicine. The prejudice of the most incredulous gave way on beholding the astonishing cures performed by it—and various Physicians who have witnessed its efficacy, not only approve of its use, but in many cases recommend it without reserve. These drops will be found one of the most powerful alterative, purifier, and sweener of the blood yet discovered, and may be used as one of the best remedies for the Scrofula, Salt Rheum, Leprosy, St. Anthony's Fire, Fever Sores, (even when the bones are affected) White Swellings (if applied with Dr. Jebb's Liniment,) foul and obstinate Ulcers, Sore Legs and Eyes, Scaldhead in Children, Scurvy and Scorbutic Gout, Pimples or Carbuncled Faces, Festering Eruptions, and Venereal Taints throughout the body, in which last case the Drops often cure when Mercury fails. They are also the best Spring and Autumnal Physic to purify and cleanse the system from humors which frequently appear at these seasons of the year. They also aid the process of digestion, and by purifying the blood, prevent the secretion of malignant humors on the lungs.

ADVERTISEMENTS.

Diseases of the Lungs!

THE melancholy effects of which our obituaries painfully exhibit, have for some years been increasing to an alarming extent. The dreadful ravages of these complaints have in a vast number of cases been arrested, by the use of Dr. Relfe's Asthmatic or Consumptive Pills, which have proved one of the most useful medicines ever yet discovered, for complaints of the Lungs generally. This medicine has restored a large number of persons, from the very borders of the grave, to health and society, who had been given over by their friends, and in many instances even by their Physicians, as past relief! Among a large number of cases of cure by the use of this invaluable medicine, the following are presented to the public.

Copy of a Letter.

Dear Sir,—Having had a severe cough entirely removed by the use of your Dr. Relfe's Asthmatic Pills, (and occasional use of the Antibilious Pills!) I feel it a duty incumbent on me to inform you more minutely for the benefit of others who may in like manner be affected.

To be more particular, I would say that for about ten years past with but little intermission, I have been afflicted with a hard, dry, hacking cough, attended with great pain and sinking of the stomach and with very little raising of phlegm—that I have tried from time to time many prescriptions, with no or at most, with a temporary relief and had become constrained to believe that I should receive no lasting relief when I was recommended to make trial of the above named Pills, which I did with little confidence of a beneficial result, but contrary to my expectation, in a few days my cough was wholly broken up, and subsequently removed!

I feel thankful for the benefit I have received, and am fully persuaded that many, if not all, who are affected in the manner that I have been, would find a complete cure by doing as I have done. You are at liberty to make use of this communication in any manner that you may deem most expedient or productive of good.

Respectfully yours, &c.

(Signed) HORATIO N. CRANE. Boston, March 14th, 1836.

Mr. Thompson Kidder.

Another Letter.

[From a gentleman of the first respectability, to whom reference can be made.]

Mr. Kidder,

Dear Sir:—Having been affected for several years past with weak lungs and a troublesome cough, which had become very alarming, I was induced to try the efficacy of your Relfe's Asthmatic Pills, from which I have derived so much benefit that I have recommended them to a number of my friends as a cure for coughs, colds, &c. and have heard of no instance in which the patient has not been benefited.

Believing as I do that this medicine has been the means of prolonging my life, and that of a near friend, who is subject to a pulmonary complaint, you may rest assured that I shall avail myself of every opportunity to make others acquainted with its virtues. Yours truly,

A. A. South Boston, Feb. 22d, 1836.

A Remarkable Case.

A gentleman states an extraordinary case that of his wife, who was reduced so low by a pulmonary complaint, that symptoms of approaching dissolution began to exhibit themselves, so that her Physicians intimated that nothing further could be done for her—that her case was past human skill, and the Doctor observed shortly after, while at a neighbors, that Mrs. W. was about to leave us. The same evening a relation recommended a trial of these (Relfe's Asthmatic) Pills, they were accordingly administered, producing such relief, and effecting so favorable a change during the night, that in the morning strong hopes were afforded of at least a partial restoration of her health, which was effected, and made comparatively comfortable, by a continued use of these Pills.

Timely Relief.

A person recently from neglecting a slight cold, became so seriously affected with a severe cough, which notwithstanding every attempt to remove, became so bad as to oblige him to suspend attending to business, and finally to exhibit such alarming symptoms as to excite serious fears for the result—in these circumstances he was advised to make use of these Pills, which he did, and with such complete success, as to be able to resume his business in a few days, entirely cured!

Much more testimony might be produced to prove this one of the best medicines ever discovered for all stages of Consumption, Coughs, Colds, Asthma, Hoarseness, Wheezing, Difficulty of breathing, Tightness of the Chest, Pain in the Side, Spitting of Blood, &c. &c.

Price—Whole Box of 30 Pills, \$1 00—Half Box of 12 Pills, 50 cents.
