PHILADELPHIA, May 10, 1839.
Dr. Jayne. — Dear Sir. — I feel that I can hardly say enough to you in favor of the Hair Tonic," prepared by you. My hair had been falling off bout two years, and had become very thin, threatening speedy baldness, when I commenced using: this remody. In about one wook it ceased to.

I have used it now about three months, and have as full and thick a head of hair as I can possibly desire. I have recommended its use to a number of my friends, who all speak well of it. If faithfully employed, I have no doubt of its general success. I may add, that before using the Tonic, I had tried almost all the various articles employed for the hair, such as the Macassar Oil, all the different proparations of Bear's Oil, Vog-otable Hair Oil, &c. &c. without experiencing much, if any benefit.

Respectfully yours, S. S. FITCH, No. 172 Chestnut street. The Rev. LEGNARD FLETCHER, Paster of the Baptist Church, Great Valley, Pa. who had been more or less bald for many years, used three bettles of the Hair Tonic, and has now a fine growth of new hair over all that part of his head whose

OUGH, ASTHMA, SPITTING OF BLOOD, of Sixty Yours Standing of Sixty Years Standing, cured by Dr. Jayne's Expectorant!

PHILADELPHIA, August 16th, 1838. Mr. ATKINSON-Dear Sir: A few weeks ago I noticed in your paper, an account of the surprising effects of Jayno's Carminative, in restoring a great number of passengers on board a Missistubes or air vessels, which run through every part sippi steamboat, to perfect health who were affectubes or air vessels, which run through every part of the Lungs. This Expectorant immediately, suppresses the Cough, Pain, Inflamation, Fover and Difficulty of Breathing, and produces a free and easy Expectoration, and a cure is soon effective. and easy Expectoration, and a cure is soon ence:

ted.

It always cures Asthmas—two or three large doses will cure the Croup or Hives of Children, in from fifteen minutes to an hour's time. It immediately subdues the violence of Whooping Cough; and effects a speedy cure. Hundreds subdier in the American camp, in 1778, I, with who have been given up by their physicians as incurable with "Consumption," have been resto- violent attack of disease of the Lungs, by which I was disabled from duty for a long time. Since red to perfect health by it.

REV. JOHNATHAN GOING, D. D. Presithat period until recently, I have never been free dent of Granville College, Ohio, says—"he was laboring under a severe cold, cough and hoarse. Your after year I have expectorated over a gill a laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using this Expectoraut." Mrs. Dilks, of Salom, N. J. was cured of Asthma, of twenty years standing, by using two bottles of this medicine.—

Mrs. Ward, also, of Salom, was cured of the same complaint by one bottle. A young lady, also of friends that I am here to write this to you. I Mrs. Ward, also, of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was believed by her friends to be far gone with Consumption, was perfectly restored by three bottles. Dr. Hamilton, of St. James, South Carelina, was greatly affected by a cough, tion of the Lungs, which I fully expected would be the last. I then considered my case as past

> from my bed, but the coughing and wheezing wearled me day and night. He advised me to use his Expectorant. I did so, with a strong hope that, as it had sured many of my acquaintances of various diseases of the Lungs, it might at least mitigate my sufferings. Need I say how gratified I felt? It has Expectually cured me. As soon as I commenced taking it, I found it reached my case, and I began to breathe with more freedom. My expectoration became more casy, and my cough entirely loft me.
