NOTICE TO BRIDGE BUILDERS.

PROPOSALS will be received by the Managers of the Hanover and Carlisle Turnpike road company for rebuilding and repairing the Stone Bridge over the Conowago Creek, near the town of Hampton, in Adams county, which was lately injured by the ice and flood, in said creek. The piers, curtain wall, and arches to be rebuilt and repaired, and two additional ice-breakers to be added thereto; extending at least, from 12 to 15 feet up the stream, to be sheeted with good tough Whiteoak logs, to be bound down with iron strips. Proposals may be handed in to any or either of the managers prior to the 13th day of March next, or to the board of managers, prior to 12 o'clock of said day, who will then meet at the house of SOLOMON ALBERT, in the town of Hampton, in Adams county, for the purpose of giving out the work.

To the Directors of Common Schools, in Adams County.

THE following statement is made in compliance with the 10th section of the school law, of June, 1836.

Districts that have accepted the Common School System.

The amount which each accepting school district is entitled to receive the ensuing year, commencing on the 1st Tuesday of June next, out of the annual state appropriation, is a sum equal to ONE DOLLAR for each taxable inhabitant in the district.

The amount of School Tax required to be levied, to entitle a District to its share of the State appropriation, must be a sum equal to at least sixty cents, for each taxable inhabitant in the district.

Districts that have not accepted the Common School System.

The amount of undrawn balances remaining for the use of non-accepting districts, for the school years 1835, 1836, 1837, 1838 and 1839, is FOUR DOLLARS and FORTY CENTS, for each taxable inhabitant in a district, according to the enumeration of 1835; and for the school years 1840 and 1841, it is TWO DOLLARS for each taxable inhabitant, according to the enumeration of 1839. The school year 1841, will commence on the 1st Tuesday of June next.

Hence it follows that each non-accepting school district, in which the qualified citizens accept the system, at the next spring elections, and lay a tax equal to sixty cents for each taxable inhabitant, will be entitled to receive out of the state appropriations, a sum equal to more than six DOLLARS, for each taxable inhabitant in the district.

By a resolution of the Legislature, passed the 24th day of June, 1839, the above undrawn balances are to be retained for the use of non-accepting districts only until the 1st of November, 1840. On which day they are to be repaid into the common school fund.

Hence it follows, that as the law now stands, unless the non-accepting districts accept the system at the next spring elections, these undrawn balances amounting now to a sum adequate to the erection of school houses, and putting the system into complete operation, will be forfeited.

Taxable Inhabitants in the Districts.

Gouley's Vegetable Medicines.

UNPRECEDENTED SUCCESS!

No medicine has, perhaps, ever met with such decided and general success as

Gouley's Vegetable Bitters.

THIS medicine has been but a few years before the public, and the demand for it has already become so great, that the subscriber finds it difficult to supply the numerous orders which he is constantly receiving.

Having administered his medicines in almost all diseases to which the human family are subjected, he never, in a single instance, found them to produce any injurious effects, but, on the contrary, they have been attended with the most complete success.

N. B.—As the Fever and Ague is very prevalent at this season of the year, he can confidently recommend his

VEGETABLE BITTERS

as a CERTAIN CURE, and invites all who may be afflicted with this dreadful disease to make trial of them.

The attention of Masters and Owners of Vessels is called to this medicine; it will be found of great benefit among their crews, and a sure preventative of many of the diseases to which the mariner is subject during long and tempestuous voyages.

LOUIS GOULEY, No. 213 Baltimore street, near the Centre Market, between Harrison and Frederick streets, Nov. 25.

ADVERTISEMENTS.

Diseases of the Lungs!

THE melancholy effects of which our obituaries painfully exhibit, have for some years been increasing to an alarming extent. The dreadful ravages of these complaints have in a vast number of cases been arrested, by the use of Dr. Rellé's Asthmatic or Consumptive Pills, which have proved one of the most useful medicines ever yet discovered, for complaints of the Lungs generally. This medicine has restored a large number of persons, from the very borders of the grave, to health and society, who had been given over by their Physicians, and in many instances even by their Physicians, as past relief! Among a large number of cases of cure by the use of this invaluable medicine, the following are presented to the public.

Copy of a Letter.

Dear Sir,—Having had a severe cough entirely removed by the use of your Dr. Rellé's Asthmatic Pills, (and occasional use of the Antiphlogistic Pills) I feel it a duty incumbent on me to inform you more minutely for the benefit of others who may in like manner be afflicted.

To be more particular, I would say that for about ten years past with but little intermission, I have been afflicted with a hard, dry, hacking cough, attended with great pain and sinking of the stomach and with very little raising of phlegm—that I have tried from time to time many prescriptions, with no or at most, with a temporary relief and had become constrained to believe that I should receive no lasting relief when I was recommended to make trial of the above named Pills, which I did with little confidence of a beneficial result, but contrary to my expectation, in a few days my cough was wholly broken up, and subsequently removed!

I feel thankful for the benefit I have received, and am fully persuaded that many, if not all, who are affected in the manner that I have been, would find a complete cure by doing as I have done. You are at liberty to make use of this communication in any manner that you may deem most expedient or productive of good.

Respectfully yours, &c. (Signed) HORATIO N. CRANE, Boston, March 14th, 1836.

Mr. Thompson Kidder.

Another Letter.

[From a gentleman of the first respectability, to whom reference can be made.]

Dear Sir—Having been afflicted for several years past with weak lungs and a troublesome cough, which had become very alarming, I was induced to try the efficacy of your Rellé's Asthmatic Pills, from which I have derived so much benefit that I have recommended them to a number of my friends as a cure for coughs, colds, &c. and have heard of no instance in which the patient has not been benefited.

Believing as I do that this medicine has been the means of prolonging my life, and that of a near friend, who is subject to a pulmonary complaint, you may rest assured that I shall avail myself of every opportunity to make others acquainted with its virtues.

Yours, truly, A. A. South Boston, Feb. 22d, 1836.

A Remarkable Case.

A gentleman states an extraordinary case, that of his wife, who was reduced so low by a pulmonary complaint, that symptoms of approaching dissolution began to exhibit themselves, so that her Physician intimated that nothing further could be done for her—that her case was past human skill, and the Doctor observed shortly after, while at a neighbors, that Mrs. W. was about to leave us. The same evening a relation recommended a trial of these (Rellé's Asthmatic) Pills, they were accordingly administered, producing such relief, and effecting so favorable a change during the night, that in the morning strong hopes were afforded of at least a partial restoration of her health, which was effected, and made comparatively comfortable by a continued use of these Pills.

Timely Relief.

A person recently from neglecting a slight cold, became so seriously affected with a severe cough, which notwithstanding every attempt to remove, became so bad as to oblige him to suspend attending to business, and finally to exhibit such alarming symptoms as to excite serious fears for the result—in these circumstances he was advised to make use of these Pills, which he did, and with such complete success, as to be able to resume his business in a few days, entirely cured!

Much more testimony might be produced to prove this one of the best medicines ever discovered for all stages of Consumption, Coughs, Colds, Asthma, Hoarseness, Wheezing, Difficulty of breathing, Tightness of the Chest, Pain in the Side, Spitting of Blood, &c. &c.

Price—Whole Box of 30 Pills, 81 00—Half Box of 12 Pills, 50 cents.

Nore genuine unless signed T. KIDDER, on the wrapper, (sole proprietor and successor to Dr. Conway,) by whom they are for sale, at his counting room, No. 99, Court st. Boston, (up stairs,) and by his special appointment, at

The Drug and Book Store of S. H. BUEHLER, Price 81, or 6 bottles for \$5.

ADVERTISEMENTS.

DR. FRANKLIN J. SMITH,

RESPECTFULLY calls the attention of his friends and the public generally, to the important and interesting fact, that he is fully prepared and qualified to cure the most inveterate cases of rheumatism.—The various diseases to which mankind are subject (if curable) can also be effectually and radically cured by him, safely and expeditiously, at moderate and reasonable charges, without subjecting the patient to the poisonous influence of minerals, such as mercury, arsenic, &c.

His remedies are mild, agreeable, and efficient, and operate in accordance with the laws of the animal economy.

Doctor F. Smith is ready at all times to attend patients at their houses. Patients living at a distance can be accommodated with board and medical attendance at moderate prices at his dwelling, in Carlisle street, the house formerly occupied by Dr. Berlichy.

Dr. Smith would also inform the public that his mode of treatment will perfectly remove the bad effects remaining in the system, from the use of mercury or any other poisonous mineral.

Medical men of the highest distinction and talent, such as Matthias, Alley, Cramp ton, Pearson, Abernethy, Carmichael, &c. affirm that chancres and buboes, ulcerations in the throat, together with diseases of the periosteum, tendons, cartilages, ligaments, fascia, and eruptions of a highly obstinate character, are the consequence from the administration or use of mercury. These awful effects of mercury are not novel, for every physician of veracity will acknowledge them to be of frequent and melancholy occurrence.

DR. JAYNE'S EXPECTORANT.

THE most astonishing and wonderful cure that has ever been known. All who have ever used it for Asthma, Coughs, Spitting of Blood, Hooping Cough, Croup or Hives, Consumption, Chronic Pleurisy, Hoarseness, Pain and Soreness of the Breast, Difficulty of Breathing, and every other disease of the Lungs and Chest, can and do attest to its usefulness. Bronchitis, a disease which is annually sweeping thousands upon thousands to a premature grave, under the mistaken name of Consumption, is always cured by it. The usual symptoms of this disease (Bronchitis) are Cough, Soreness of the Lungs or Throat, Hoarseness, Difficulty of Breathing, Asthma, Hectic Fever, a spitting up of Phlegm or matter, and sometimes blood. It is an inflammation of the fine skin which lines the inside of the whole of the wind tubes or air vessels, which run through every part of the Lungs. This Expectorant immediately suppresses the Cough, Pain, Inflammation, Fever and Difficulty of Breathing, and produces a free and easy Expectoration, and a cure is soon effected.

It always cures Asthma—two or three large doses will cure the Croup or Hives of Children, in from fifteen minutes to an hour's time. It immediately subdues the violence of Whooping Cough, and effects a speedy cure. Hundreds who have been given up by their physicians as incurable with "Consumption," have been restored to perfect health by it.

REV. JOHNATHAN GOING, D. D. President of Granville College, Ohio, says—"I was laboring under a severe cold, cough and hoarseness, and that the difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using this Expectorant." Mrs. Dilks, of Salem, N. J. was cured of Asthma, of twenty years standing, by using two bottles of this medicine.—Mrs. Ward, also, of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, was afflicted with a cough, hoarseness and soreness of the lungs, and on using a bottle of this medicine, found permanent relief.

The following certificate is from a practicing Physician, and a much respected Clergyman of the Methodist Society, dated

Modest Town, Va. August 27, 1838.

Dr. Jayne—Dear Sir—I have been using your Expectorant, extensively, in my practice, for the last three months, and for all attacks of cold, inflammation of the lungs, consumption, asthma, pains and weakness of the breast, it is decidedly the best medicine I have ever tried.

Very respectfully yours, R. W. WILLIAMS, M. D. Numerous other certificates might be added, but the above are considered sufficient evidence of its great usefulness.

Prepared only by Dr. D. Jayne, No. 20 South Third street, Philadelphia. Price 81

Where also may be had Jayne's Carmine Balsam for the cure of Bowel Complaint, &c.—Tonic Vermifuge, for the removal of Worms, &c.—Sanative Pills, for Dyspepsia, Liver Complaints, and Female Diseases, &c. Also, Jayne's Hair Tonic, for the removal of Baldness and preservation of the Hair. No. 35 Lombard Street.

For sale at the Drug Store of S. H. BUEHLER, Gettysburg, Feb. 18, 1840.

HOOPING COUGH, AND CROUP.—TO PARENTS—JAYNE'S EXPECTORANT, is without exception the most valuable preparation in use, for the above diseases. It cures Whooping Cough in a mild and tractable disease and shortens its duration more than one half, and produces a certain and speedy recovery. From one tea spoonful, will certainly cure Croup in infants and young children, in half an hour to an hour. The lives of hundreds of children will be saved annually, by always keeping it on hand ready for every emergency. For sale at No. 20 South 3rd street Philadelphia.

For sale at the Drug Store of S. H. BUEHLER, Gettysburg, Feb. 18, 1840.

ADVERTISEMENTS.

JAYNE'S CARMINATIVE BALSAM.

IS a certain, safe, and effectual remedy for Dysentery, Diarrhoea, or Looseness, Cholera Morbus, Summer Complaint, Cholera, Griping Pains, Sour Stomach, Flatulency, &c. &c., and all Spasmodic and Nervous Disorders, as Sick and Nervous Headach, Hysteria, Cramp, &c. &c.

This is one of the most efficient, pleasant and safe compositions ever offered to the public for the cure of the various derangements of the stomach and bowels, and the only article worthy of the least confidence for curing Cholera Infantum or Summer Complaint; and in all the above diseases it acts as a charm.

All persons are requested to try it, for there is 'no mistake' about its being one of the most valuable family medicines ever yet discovered.—Hundred of physicians, Clergymen, and families of the first respectability, bearing the strongest testimony in its favour, too numerous to publish.

CERTIFICATES.

This is to certify that I have used Dr. Jayne's Carminative Balsam very extensively in Bowes Complaints, and have not the least hesitation in declaring it superior to any preparation
