Scrofula.

In 1831, an Agent writes,-"In another

case (the Botanical Drops)undoubtedly had

the happiest effect. In this instance the de-

sease appeared to pervade the whole system.

It was undoubtedly of a scrofulous nature.

The glands in various parts became enlar-

ged, hard and very painful, and became oth-

erwise so affected with the disease as to

be under the necessity of giving up business

and confine himself to his room for sever-

al weeks; one or two of the swellings sup-

purated, and discharged a considerable

quantity. The bones, the physician told

him, were also materially diseased. It

was precisely under these circumstances

that he commenced the use of the Botanical

the exception of some purgative occasion-

ally) and perfectly restored to health, we

are (of course) warranted in drawing the con

clusion, that this happy result was brought a-

ney, of Reading, Mass.]

Feb. 4.—tf. GEO. ARNOLD. DR. JAYNE'S EXPECTORANT.—This invaluable medicine is daily effecting some o the most astonishing and wonderful cures that have ever been known. All who have ever used it for Asthma, Coughs, Spitting of Blood, Hooping Cough, Croup or Hives, Consumption, Chronic Pleurisy, Hoarsoness, Pain and Scrences of the Breast, difficulty of Breathing, and every other test to its usefulness. Bronchitis,a disease which is annually sweeping thousands upon thousands to a premature grave, under the mistaken name of Consumption, is always cured by it. The usual symptoms of this disease (Bronchitts) are ver, a spiting up of Phlegui or matter, and sometimes blood. It is an inflamation of the fine skin which lines the inside of the whole of the wind tubes or air vessels, which run through every part of the Lungs. This Expecterant immediately suppresses the Cough, Pain, Inflamation, Fever and Difficulty of Breathing, and produces a free and easy Expectoration, and a cure is soon effect. Coughs, Screness of the Lungs or Throat, Hourse-
