For months together, night after night, I have had to sit or by bolstered up to obtain my breath. The weakness and debility caubeen a matter of asionishment to my family and friends that I am here to write this to you. I have had skilful physicians to attend me, and every thing done that was thought likely to give me relief, without any heneficial effect. Last winter I had another severe attack of Inflamation of the Lungs, which I fully expected would be the last. I then considered my care as past the aid of medicine, when I was persuaded to call on Dector Jayne. With the assistance of Divine Providence, through him, I was once more raised from my bed, but the coughing and wheezing wearied me day and night. He advised me to use mitigate my sufferings. Need I say how gratifi-ed I felt? It has EFFECTUALLY CURED me. As soon as I commenced taking it, I found it reached my case, and I began to breathe with more freedom. My expectoration became more casy, and my cough entirely left mo_{c_1} I now feel as well as ever I did in my life, and am better than I have been for the last SIXTY YEARS.
