Gouley's Vegetable Medicines.

UNPRECEDENTED SUCCESS!

No medicine has, perhaps, ever met with such decided and general success as

Gouley's Vegetable Bitters.

THIS medicine has been but a few years before the public, and the demand for it has already become so great, that the subscriber finds it difficult to supply the numerous orders which he is constantly receiving. Innumerable Certificates in his possession bear testimony to its medicinal virtues and attest the fact of its having preserved the lives of hundreds both in this city and elsewhere.

His VEGETABLE COUGH DROPS, a new article, are also getting into general use, having been productive of the most beneficial effects in hundreds of families of the first respectability in this city and vicinity; and although they have in one instance, but without any foundation or truth, been pronounced poisonous, HUNDREDS of certificates can be produced of their having performed positive and effectual cures in the most obstinate cases, both on young and old, and he now challenges any one to produce satisfactory evidence that there is one particle of any ingredient in their composition that can injure a person in the lowest stage of any disease.

Having administered his medicines in almost all diseases to which the human family are subjected, he never, in a single instance, found them to produce any injurious effects, but, on the contrary, they have been attended with the most complete success. N. B.—As the Fever and Ague is very prevalent at this season of the year, he can confidently recommend his

VEGETABLE BITTERS

as a CERTAIN CURE, and invites all who may be afflicted with this dreadful disease to make trial of them.

The attention of Masters and Owners of Vessels is called to this medicine; it will be found of great benefit among their crews, and a sure preventative of many of the diseases to which the mariner is subject during long and tempestuous voyages.

DR. JAYNE'S EXPECTORANT.

—This invaluable medicine is daily effecting some of the most astonishing and wonderful cures that have ever been known. All who have ever used it for Asthma, Coughs, Spitting of Blood, Hooping Cough, Croup or Hives, Consumption, Chronic Pleurisy, Hoarseness, Pain and Soreness of the Breast, Difficulty of Breathing, and every Hoop disease of the Lungs and Bronch, can do at least to its usefulness. Bronchitis, a disease which is annually sweeping thousands upon thousands to a premature grave, under the mistaken name of Consumption, is always cured by it. The usual symptoms of this disease (Bronchitis) are Cough, Soreness of the Lungs, Inflammation, Fever, Difficulty of Breathing, and every Hoop disease, a spitting up of Phlegm or mucus, and sometimes blood. It is an inflammation of the fine skin which lines the inside of the whole of the wind tubes or air vessels, which run through every part of the Lungs. This Expectorant immediately suppresses the Cough, Pain, Inflammation, Fever and Difficulty of Breathing, and produces a free and easy Expectorant, and a cure is soon effected.

It always cures Asthma—two or three large doses will cure the Croup or Hives of Children, in fifteen minutes to an hour's time. It immediately subdues the violence of Whooping Cough; and effects a speedy cure. Hundreds are incurable with "Consumption," have been restored to perfect health by it.

REV. JOHNATHAN GOING, D. D. President of Granville College, Ohio, says—"who was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing, fever and immediate suffocation, was perfectly cured by using this Expectorant." Mrs. Dilks, of Salem, N. J. was cured of Asthma, of twenty years standing, by using two bottles of this medicine.—Mrs. Ward, also, of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was believed by her friends to be far gone with Consumption, was perfectly restored by three bottles. Dr. Hamilton, of St. James, South Carolina, was greatly affected by a cough, hoarseness and soreness of the lungs, and on using a bottle of this medicine, found permanent relief.

The following certificate is from a practicing Physician, and a much respected Clergyman of the Methodist Society, dated

Modest Town, Va. August 27, 1838.

Dr. Jayne—Dear Sir—I have been using your Expectorant, extensively, in my practice, for the last three months, and for all attacks of colds, inflammation of the lungs, consumption, asthma, pains and weakness of the chest, it is decidedly the best medicine I have ever tried.

Very respectfully yours,

R. W. WILLIAMS, M. D.

Numerous other certificates might be added, but the above are considered sufficient evidence of its great usefulness.

Prepared only by Dr. D. Jayne, No. 20 South Third street, Philadelphia. Price \$1.

Where also may be had Jayne's Carminative Balsam, for the cure of Bowel Complaint, &c.—Tonic Vermifuge, for the removal of Worms, &c.—Sanative Pills, for Dyspepsia, Liver Complaints, and Female Diseases, &c. Also, Jayne's Hair Tonic, for the removal of Baldness and preservation of the Hair.

For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.

Diseases of the Lungs!

THE melancholy effects of which our obituaries painfully exhibit, have for some years been increasing to an alarming extent. The dreadful ravages of these complaints have in a vast number of cases been arrested, by the use of Dr. Kelle's Asthmatic or Consumptive Pills, which have proved one of the most useful medicines ever yet discovered, for complaints of the Lungs generally. This medicine has restored a large number of persons, from the very borders of the grave, to health and society, who had been given over by their friends, and in many instances even by their Physicians, as past relief! Among a large number of cases of cure by the use of this invaluable medicine, the following are presented to the public.

Copy of a Letter.

Dear Sir,—Having had a severe cough entirely removed by the use of your Dr. Kelle's Asthmatic Pills, (and occasional use of the Antibilious Pills) I feel it a duty incumbent on me to inform you more minutely for the benefit of others who may in like manner be afflicted.

To be more particular, I would say that for about ten years past with but little intermission, I have been afflicted with a hard, dry, hacking cough, attended with great pain and sinking of the stomach and with very little raising of phlegm—that I have tried from time to time many prescriptions, with no or at most, with a temporary relief and had become constrained to believe that I should receive no lasting relief when I was recommended to make trial of the above named Pills, which I did with little confidence of a beneficial result, but contrary to my expectation, in a few days my cough was wholly broken up, and subsequently removed!

I feel thankful for the benefit I have received, and am fully persuaded that many, if not all, who are afflicted in the manner that I have been, would find a complete cure by doing as I have done. You are at liberty to make use of this communication in any manner that you may deem most expedient or productive of good.

Respectfully yours, &c.

(Signed) HORATIO N. CRANE. Boston, March 14th, 1839.

Mr. Thompson Kidder.

Another Letter.

[From a gentleman of the first respectability, to whom reference can be made.]

Mr. Kidder,

Dear Sir,—Having been afflicted for several years past with weak lungs and a troublesome cough, which had become very alarming, I was induced to try the efficacy of your Kelle's Asthmatic Pills, from which I have derived so much benefit that I have recommended them to a number of my friends, as a cure for coughs, colds, &c. and have heard of no instance in which the patient has not been benefited.

Believing as I do that this medicine has been the means of prolonging my life, and that of a near friend, who is subject to a pulmonary complaint, you may rest assured that I shall avail myself of every opportunity to make others acquainted with its virtues.

Yours, truly,

South Boston, Feb. 22d, 1839. A. A.

A Remarkable Case.

A gentleman states an extraordinary case, that of his wife, who was reduced so low by a pulmonary complaint, that symptoms of approaching dissolution began to exhibit themselves, so that her Physician intimated that nothing further could be done for her—that her case was past human skill, and the Doctor observed shortly after, while at a neighbors, that Mrs. W. was about to leave us. The same evening a relation recommended a trial of these (Kelle's Asthmatic) Pills, they were accordingly administered, producing such relief, and effecting so favorable a change during the night, that in the morning strong hopes were afforded of at least a partial restoration of her health, which was effected, and made comparatively comfortable by a continued use of these Pills.

Timely Relief.

A person recently from neglecting a slight cold, became so seriously affected with a severe cough, which notwithstanding every attempt to remove, became so bad as to oblige him to suspend attending to business, and finally to exhibit such alarming symptoms as to excite serious fears for the result—in these circumstances he was advised to make use of these Pills, which he did, and with such complete success, as to be able to resume his business in a few days, entirely cured!

Much more testimony might be produced to prove this one of the best medicines ever discovered for all stages of Consumption, Coughs, Colds, Asthma, Hoarseness, Wheezing, Difficulty of breathing, Tightness of the Chest, Pain in the Side, Spitting of Blood, &c. &c.

Price—Whole Box of 30 Pills, \$1 00—Half Box of 12 Pills, 50 cents.
