With SHINGTON robe, I presume, as is the custom often in Soon after the rising of the sun General The gentlemen depopulated the rose bush. gue and the pen were as necessary for suc up, because they are on their backs! I unted," I will take a suit on each. rope, I presume, as is the cusiom often in the West, and the other some little necessary for success, probably, for his family. As he stopped to talk a moment or so with a friend, a large group, stimulated by curiosity, soon atter the rising of the sun General name of the large group, stimulated by curiosity, soon gathered about him; among them many of the large parcels of the sun General name of the large parcels of latters were as necessary for success as the Sword. Hence the wonderful derstand their game perfectly. They know the first of Conventions and the pen were as necessary for success as the Sword. Hence the wonderful derstand their game perfectly. They know they cannot make a decent fight in other success Gen. Harrison had, in this varied success Gen. Harrison had, in this varied they cannot make a decent fight in other success Gen. Harrison had, in this varied success Gen. Harrison had, in this varied they cannot make a decent fight in other success Gen. Harrison had, in this varied they cannot make a decent fight in other success. It will be held about the first of October. There will be a Contact the first of October. They write as well as a good soldier, of attaching to him all, both officers and soldiers, under the pen were as necessary for success. It will take a suit on each.

A Democratic Republican State Conventions they cannot make a decent fight in other success Gen. Harrison had, in this varied they cannot make a decent fight in other success as the Sword. Hence the wonderful derstand their game perfectly. They know they cannot make a decent fight in other success as the Sword. Hence the wonderful derstand their game perfectly. They know they cannot make a decent fight in other success as the Sword. Hence the wonderful derstand their game perfectly. They know they cannot make a decent fight in the varied success Gen. Harrison himself water of their buds, as their offerings from the Log Cabin to their ladies fair, and they cannot make a decent fight in the rise of their fields. They cannot Tennessee, Illinois and Missouri, and other upon his table before him. The number of places on the river, draymen and teamsters, and the river, draymen and teamsters, and the river, draymen and teamsters, and the steamboat level is Editor's closet. In the state of success. As to his prospects in New not been known before in the State. The York, I have no hesitation in giving you my real democracy will be there, to take the candid opinion, that he will be beaten by a most effectual measures against the federal and the state. The number of the success. As to his prospects in New not been known before in the State. The when a general introduction took place.—

I write but for political effect, when I say candid opinion, that he will be beaten by a most effectual measures against the federal candid opinion, that he will be beaten by a most effectual measures against the federal candid opinion, that he will be beaten by a most effectual measures against the federal candid opinion, that he will be beaten by a most effectual measures against the federal candid opinion, that he will be beaten by a most effectual measures against the federal candid opinion, that he will be beaten by a most effectual measures against the federal candid opinion, that he will be beaten by a most effectual measures against the federal candid opinion, that he will be beaten by a most effectual measures against the federal candid opinion, that he will be beaten by a most effectual measures against the federal candid opinion are candid opinion, that he will be beaten by a most effect and candid opinion are candid o &c. &c. with whom the steamboat levee is Editor's closet. Journals from Maine to the playfulness and tact of which, but few,

he exchanged civilities with many, and he what they have to say of him at length.— a soldier's eye, and saluted with a soldier's which he is recommended, than he has. In culiar position, am enabled to judge with From the days of Gov. Clinton to the presne exchanged civilities with many, and he seems to know almost every body—he with drew to the steamboat, where, however, he was followed by a considerable body of teamsters from Indiana, who, with their long stout whips under the arms of their linesy weolsey frocks, as they chatted pleasantly with the venerable old chief before them, made a picture Rome in its best days

what they have to say of bim at length.—

The abuse though, he does not stand with courtesy, he took his leave, amid the was of the general literature of the day, there are the general literature of the day, there are discontinuous of our elections. For the the general literature of the day, there are the general literature of the day, there are the general literature of the day, there are which the general literature of the day, there are wing of our elections. For the days of Gov. Clinton to the pressure of our elections. For the days of Gov. Clinton to the pressure of the general literature of the day, there are the general literature of the day, there are wing of handkerchieß, the cheers of the general literature of the day, there are the general literature santly with the venerable old chief before there a few weeks since with a horse—and them, made a picture Rome in its best days they gravely call upon me to repel such a The hospitality of General Harrison was correctly and over to the Administration since the last of New York or of Virginia should follow might envy. They told him they were his charge as a calumny. There is scarcely and bid him "good by" any thing I am not asked, and if I were to the seems to be a link of the clection. But I know and have heard of their example. In New York they will only when the tinkle of the lest only when the tinkle of the last steamboat answer all this correspondence—from per- seldom, if ever, passed any time in my life present to the past, with sympathies for each, hundreds and hundreds, in different counties, adhere to their old principles, and will as-

bell made them hurry away.

In an hour, or a little more, we were at the North Bend, so called from a northern bend of the Ohio river. General Harrisson's farm encircles this directly upon the son's farm encircles and unuareos, in different counties, and will assemble to the very passed any time in my lite and he can thus make himself agreeable to the voung as well as the old. I do not know when I have met a man with so good collow the very passed any time in my lite and he can thus make himself agreeable to the voung as well as the old. I do not know when I have met a man with so good collow the voung as well as the old. I do not know when I have met a man with so good collow the voung as well as the old. I do not know when I have met a man with so good collow the voung as well as the old. I do not know when I have met a man with so good collow the voung as well as the old. I do not know when I have met a man with so good collow the voung as well as the old. I do not know when I have met a man with so good collow the voung as well as the old. I do not know when I have met a man with so good collow the voung as well as the old. I do not know when I have met a man with so good collow the voung as well as the old. I do not know when I have abandoned it since that time and some than the can thus make himself agreeable to the voung as well as the old. I do not know wh being of the Onio river. General trarrison's farm encircles this directly upon the river, and much of it is bottom land, all of an excellent quality. It is a very large farm, but has been much larger, once stretching over to the Miami river; but the General has, sold some, and given away more to his children. Who are settled around him. his children, who are settled around him. has get along, for I have constituted him my West and North West,—"where Madame and their processes of life, realize what Ci- is preposterous. What claims do they pre- myself, for the last three years, to the reform A large ditch now (to be the White Water sole 'Committee,' and you see how many Trollope's Bazaar now stands in Cincin | cero paints in his de Senectate, the serene | sent to the People, from which they expect | of this Administration; I have enlisted for Cunal hereafter) is upon the margin of the papers, and what a mass of correspondence nati," said he, "many a time have I wheelriver, and, in wet weather, it is muddy and he has to reap." Papers by the way are ed and marched my company in what was mind, time never hanging heavy upon them, years? The confidence of the People has shall not stop till the final battle in Novemriver, and, in wer weather, it is muddy and difficult to pass. A large number of laborers are at present at work upon it, (Irishing, North Bend." I did not see the Manner and Germans,) who adore the General, and who rally for him to a man; and they are tunnelling a huge hill, on the sides of which is his orchard, and through this created quite a sensation in these sensation in the sides of the period, the mercantile, the manufacturing, and the mechanic interests of the country is safe, our free institutions restored to the People has been more and more impaired during that arriving daily, directed to "Major Downing, time never hanging heavy upon them, of they have enough to do, and death have period, the mercantile, the manufacturing, and the mechanic interests of the country is safe, our free institutions restored to their original purity, and that we may tucky. Tennessee and Virginia." "From they are tunnelling a huge hill, on the sides of the menufacturing, and the mechanic interests of the country have heretofore felt the deleterious influence of the measures of the Administration.—

Gineral." His presence, I may add, has proposed to "Major Down here are at present to "Major Down here are at present at work upon it, (Irishing, North Bend." I bade a reluctant "adieu" to this happy have heretofore felt the deleterious influence of the measures of the Administration.—

Gineral." His presence, I may add, has proposed to "Major Down here are an original purity, and that we may have heretofore felt the deleterious influence of the measures of the Administration.—

Of my life the measures of the Administration are should be a revised during that a sense of the country have here and more impaired during that the final battle in November and the measures of the country have enough to do, and death have been more and more impaired of which is his orchard, and through this tunnel this canal is to stretch into Indiana, to bring the trade of the eastern part of that to bring the trade of the eastern part of that to Cincinnation and through this created quite a sensation in these parts.

In the course of the morning, a stranger to the diamitation.—

Now, that influence has reached the farming interests—and you may rely upon it, interesting. I have not said one word of the eastern part of that on horseback, with the green leggins on the commission as Governor of Indiana and through this son's Farm lies, "Mr. Jefferson, by his interests will tamely submit on horseback, with the green leggins on the commission as Governor of Indiana and through this son's Farm lies, "Mr. Jefferson, by his interests will tamely submit on horseback, with the green leggins on the commission as Governor of Indiana and through this son's Farm lies, "Mr. Jefferson, by his interests will tamely submit on horseback, with the green leggins on the commission as Governor of Indiana and through this son's Farm lies, "Mr. Jefferson, by his interests will tamely submit on horseback, with the green leggins on the commission as Governor of Indiana and through the most instructive and the most

State to Cincinnati.—By a contract, the General has got out the stone, and is now getting cord wood to burn the bricks that make the arch of the tunnel.

As we approached the residence of General that a residence of the residence of General that a reside As we approached the residence of Gen- med that a stranger was riding up, he met thence to Mackinaw, where it was too cold its timeworn frame, the plain and home ings of the hard money of Cuba, or of any said this much, I will add a little more, by eral Harrison, all in view of the river, and him at the door. The visiter was an entire for corn to grow, even to regions productive wrought carpet, the spacious fireplace, tenyet some distance from it, he remarked that stranger, whom the General had never seen of Cotton, and almost to Sugar." "I think ded too by himself, and kindled in the morn dent has recommended for our imitation. It have taken great pains to there was his dwelling; and he added that when, in ridicule, it was called a Log Cabin, the starters of the story had more offact to found their jeers upon than many were off for in the range of the most accurate information. I have taken great part of the range of the range of the country, in all out to be fore, but he was soon seated by the most accurate information. I have taken great part of the range of the country, in all out to be fore, but he was called in the most accurate information. I have taken great part of the country, in all out to be fore in the range of the country, in all out to be fore in the range of the country, in al aware of; for, in the range (and the residence of back, his head leaning against the wall, one estly." To hear and see a plain Farmer in the early settlement of the country, while the tillers of the soil consent that the prodence is a collection of small houses, all leg then thrown over the other, the toes talk thus, all history more than confirming higher than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that Farmer too in the leg than his head, he opened his very remark, and that leg than his head, he opened his very remark, and that leg than his head, he opened his very remark, and that leg than his head, he opened his very remark, and that leg than his head, he opened his very remark, and that leg than his head, he opened his very remark, and that leg than his head, he opened his very remark, and th of one of the buildings, is a bona fide Log upon the General, with a round-about talk, vigor of a ripe old age,—now reaping the Cabin, now well boarded through, and well boarded through, and the substance of which was that he wished the substance of which was that he wished rewards of honest industry amid his own painted, which he had kept, and connected to have some conversation with him.— well-earned fields, seemed to me like a tion, his Halls hung with domask, and illuminated with tapestry, while statues graced minimated with tapestry, while statues graced minimated with tapestry, while statues graced and to have not only no motive, but no disposition, his grounds, and velvet couches bore him and mortgaged it for \$5,000, that it shall be sed to hear what you have to say." "But the median and mortgaged it for \$5,000, that it shall be sed to hear what you have to say." "But the median and mortgaged it for \$5,000, that it shall be sed to hear what you have to say." "But the median and mortgaged it for \$5,000, that it shall be sed to hear what you have to say." the residence of some of his family. A some talk with you all alone I want," said beautiful lawn is before the house, sloping to stranger. "Some private conversations of the most important the stranger. "Some private conversations of the most important to the stranger over them; but here he is happy in his resold from under them for the amount of the most important to the stranger. "Some private conversations of the most important to the stranger over them; but here he is happy in his resold from under them for the amount of the most important to the stranger over them; but here he is happy in his resold from under them for the amount of the most important to the stranger. "Some private conversations over them; but here he is happy in his resold from under them for the amount of the most important to the stranger. "Some private conversations over them; but here he is happy in his resold from under them for the amount of the most important to the stranger. "Some private conversations over them; but here he is happy in his resold from under them for the amount of the most important to the stranger over them; but here he is happy in his resold from under them for the most important to the stranger over them; but here he is happy in his resold from under them for the most important to the stranger over them; but here he is happy in his resold from under them for the most important to the stranger over them; but here he is happy in his resolution. The stranger over them; but here he is happy in his resolution to the stranger over them; but here he is happy in his resolution to the stranger over them; but here he is hap tence of hewn posts, connected by plain iron here," and he took him into another room. Vienna, Paris was in ecstacy, and all France the resolutions of Congress, and of the State bread. Such are the legitimate effects of rods. The cattle were grazing about this In a very few moments, however, the Gen rang with acclamations, but here is an of Kentucky, which he has well preserved the doctrines now maintained by this Ad-Massachusotts, lawn in front, and among them were several milch cows as "fat as butter." A flock eral leading the way and remarking. "Sit making for him his own Commentaries, who of sheep were on the other side of the lawn, down, sir, we can say all we have to say carried the American flag, the furthest it was him, used in espying the enemy's fleet in country; and which will be established be- Rhode Island, just over a creek, now swollen by the back water of the Ohio; and the barns and out houses are in the rear of the dwellings — never talk Politics in my House, if I can the farm and dwellings have the appearance of many in the valley of Verginia and take my fare such part in the part in the part in the enemy and take my fare such part in the enemy and take my fare such part in the enemy and the my fare such part in the enemy and the my fare such part in the enemy and the my fare such part in the enemy and the my fare such part in the enemy and the my fare such part in the enemy and the my fare such part in the enemy and the my fare such part in the enemy and the my fare such part in the enemy and the my fare such part in the battle of Lake Erie, when he wrote to youd the hope of redemption, if Mr. Van Harrison—"we have met the enemy and the battle of Lake Erie, when he wrote to youd the hope of redemption, if Mr. Van Harrison—"we have met the enemy and the battle of Lake Erie, when he wrote to youd the hope of redemption, if Mr. Van Harrison—"we have met the enemy and the battle of Lake Erie, when he wrote to youd the hope of redemption, if Mr. Van Harrison—"we have met the enemy and the battle of Lake Erie, when he wrote to youd the hope of redemption, if Mr. Van Harrison—"we have met the enemy and the battle of Lake Erie, when he wrote to youd the hope of redemption, if Mr. Van Harrison—"we have met the enemy and the battle of Lake Erie, when he wrote to youd the hope of redemption, if Mr. Van Harrison—"we have met the enemy and the battle of Lake Erie, when he wrote to youd the hope of redemption, if Mr. Van Harrison—"we have met the enemy and the battle of Lake Erie, when he wrote to youd the hope of redemption, if Mr. Van Harrison—"we have met the enemy and the battle of Lake Erie, when he wrote to youd the hope of redemption, if Mr. Van Harrison—"we have met the battle of Lake Erie, when he wrote to youd the hope of redemption, if Mr. Van Harrison—"we have met the battle of Lake Erie, when he wrote to youd

ance of many in the valley of Virginia, and and take my fare, such as it is, I shall be and that Flag stood waving in triumph in name of an honest man, than upon all the without the least hesitation, and with the Maryland, of some in New England, though land there is more precious, and farms more subdivided we can pass our time more agreeably than in the British Dominionsthan since the days among children. All looked like a good, in political discussions. I did not seek the of Montgomery:—and more than all this daily touches there, I shook hands with the have? The changes have been constantly Georgia, substantial farmer's home, who had all of position in which the People have put me, though, where the wilderness was, here is the necessaries, and many of the comforts, and I am not going to electioneer for the not one city, but a wilderness of cities now, emphatically turned into the ploughshare, none in his favor. At the extra session in Kenneks though but a few of the luxuries of life.— honors of it,—and it seems to me there is the most beautiful of which is that where with the abiding conviction that the People 1837 I predicted his overthrow in that Such is the retired dwelling of the new ven- quite enough in my long public life, in which this young Ensign wheeled his Company. will almost unanimously in their electoral State. At the November election of that crable man, who lest the happy home of his ather on James river, Virginia, when but subjects, to satisfy the People much better Empire of People, among the happiest the Cabin" and all its plainness and simplicity, At the next session of Congress he apolo. Michigan a youth, to follow, as an ensign, the fortunes what I think or what I would do than any wealthiest and freest on earth! I say all for the more splendid apartments of their gised to his friends by saying that there of Gen. Wayne, whom General Washington promises coming from me just now." All this seems to me like vision,—and when I White House at Washington, had despatched, after the disasters of Harmar and St. Clair, to retrieve our fortunes marked, and the stranger crossing his legs rison, and his armed Pioneers, I cannot upon the Indian frontier, and to make Ohio, again, and throwing back his chair accept-but feel that the true glory of the Cæsars of Vounghans, of Sand-Lake, Renssalaer Co., 40,000 came out, and 25,000 in addition, again, and throwing back his chair accept-but feel that the true glory of the Cæsars of Vounghans, of Sand-Lake, Renssalaer Co., 40,000 came out, and 25,000 in addition, again, and throwing back his chair accept-but feel that the true glory of the Cæsars of Vounghans, of Sand-Lake, Renssalaer Co., 40,000 came out, and 25,000 in addition, again, and throwing back his chair accept-but feel that the true glory of the Cæsars of Vounghans, of Sand-Lake, Renssalaer Co., 40,000 came out, and 25,000 in addition, again, and throwing back his chair accept-but feel that the true glory of the Cæsars of Vounghans, of Sand-Lake, Renssalaer Co., 40,000 came out, and 25,000 in addition, again, and throwing back his chair accept-but feel that the true glory of the Cæsars of Vounghans, of Sand-Lake, Renssalaer Co., 40,000 came out, and 25,000 in addition, again, and throwing back his chair accept-but feel that the true glory of the Cæsars of Vounghans, of Sand-Lake, Renssalaer Co., 40,000 came out, and 25,000 in addition, again, and throwing back his chair accept-but feel that the true glory of the Cæsars of Vounghans, of Sand-Lake, Renssalaer Co., 40,000 came out, and 25,000 in addition, again, and throwing back his chair accept-but feel that the true glory of the Cæsars of Vounghans, of Sand-Lake, Renssalaer Co., 40,000 came out, and 25,000 in addition, again, and throwing back his chair accept-but feel that the true glory of the Cæsars of Vounghans, of Sand-Lake, Renssalaer Co., 40,000 came out, and 25,000 Western Virginia and Kentucky habitable ed the invitation to dinner, and excused himfor the white man.
