**DISEASES OF THE LUNGS!**

THE melancholy effects of which our obituaries painfully exhibit, have for some years been increasing to an alarming extent. The dreadful ravages of these complaints have in a vast number of cases been arrested, by the use of Dr. Relfe's Asthmatic or Consumptive Pills, which have proved one of the most useful medicines ever yet discovered, for complaints of the Lungs generally. This medicine has restored a large number of persons, from the very borders of the grave, to health and society, who had been given over by their friends, and in many instances even by their Physicians, as past relief! Among a large number of cases of cure by the use of this invaluable medicine, the following are presented to the public.

**Copy of a Letter.**

Dear Sir,—Having had a severe cough entirely removed by the use of your Dr. Relfe's Asthmatic Pills, (and occasional use of the Antibilious Pills!) I feel it a duty incumbent on me to inform you more minutely for the benefit of others who may in like manner be afflicted.

To be more particular, I would say that for about ten years past with but little intermission, I have been afflicted with a hard, dry, hacking cough, attended with great pain and sinking of the stomach and with very little raising of phlegm—that I have tried from time to time many prescriptions, with no or at most, with a temporary relief and had become constrained to believe that I should receive no lasting relief when I was recommended to make trial of the above named Pills, which I did with little confidence of a beneficial result, but contrary to my expectation, in a few days my cough was wholly broken up, and subsequently removed!

I feel thankful for the benefit I have received, and am fully persuaded that many, if not all, who are affected in the manner that I have been, would find a complete cure by doing as I have done. You are at liberty to make use of this communication in any manner that you may deem most expedient or productive of good.

Respectfully yours, &c.  
 (Signed) **HORATIO N. CRANE.**

**CARMINATIVE BALSAM.**

IS a certain, safe and effectual remedy for Dysentery, Diarrhoea, or Looseness, Cholera Morbus, Summer Complaint, Cholera, Griping Pains, Sour Stomach, Flatulency, &c. &c., and all Spasmodic and Nervous Disorders, as Sick and Nervous Headache, Hysteria, Cramp, &c. &c.

This is one of the most efficient, pleasant and safe compositions ever offered to the public for the cure of the various derangements of the stomach and bowels, and the only article worthy of the least confidence for curing Cholera Infantum or Summer Complaint; and in all the above diseases it really acts like a charm.

All persons are requested to try it, for there is "no mistake" about its being one of the most valuable family medicines ever yet discovered. (Hundred) many thousands of certificates have been received from Physicians, Clergymen, and families of the first respectability, bearing the strongest testimony in its favour, too numerous to publish.

**CERTIFICATES.**

This is to certify that I have used Dr. Jayne's Carmivative Balsam very extensively in Bowel Complaints, and have not the least hesitation in declaring it superior to any preparation that I have met with, for the relief of these diseases.

 Physician to the Cumberland, N. J. Almshouse, Bridgeton, July 19, 1836.

Dr. D. Jayne.—Dear Sir.—Having made use of your Carmivative Balsam in my family, and finding it to be admirably adapted to the complaints for which it is intended, I take pleasure in recommending it to the use of my friends and the public generally, believing those who are afflicted with any of these complaints will find relief in the use of this valuable medicine.

**SYPHILIS.**  
*Omnes Principis obsta.*

ENCOURAGED by the uniform success attending his peculiar method of treatment, for the prevention and cure of venereal complaints, and confirmed by the experience of many years in a widely extended practice; sensible also of the happy effects resulting to the community, from having confined himself entirely to the study and care of a class of diseases which there is every reason to deplore are too prevalent.

Dr. COOKE continues to direct his sole attention to the cure of every disorder that occurs from impudence, whilst under the influence of impure and any other baneful excitement, and to the cure of those dreadful maladies, which too often arise therefrom. These sometimes commence in a most simple form, and through neglect or injudicious treatment afterwards assume a more aggravated state of disease, occasional abscess ulceration, nodes, caries of the bones, pseudo syphilis, cancer, premature old age, and too often end in a protracted incurable state of miserable existence.

Dr. COOKE though professing exclusively the study and cure of these particular complaints, deems it proper to inform his friends and the public in general, in justice to his professional character, that he was properly educated and regularly initiated into every branch of the profession as a general Practitioner in Europe.

Dr. COOKE may be consulted therefore at all times, as usual at his offices, which are properly fitted up and arranged for confidential consultation. Country patients residing at a distance—and all other patients who prefer writing instead of a personal interview—can be treated with equal success on describing minutely their case by letter, and enclosing a remittance for advice and medicine. There will be no difficulty in sending packages to any part of the United States, and the medicines will be securely packed, carefully protected from observation, and sent without delay to the place appointed.

**GOULEY'S VEGETABLE MEDICINES.**

**UNPRECEDENTED SUCCESS!**

No medicine has, perhaps, ever met with such decided and general success as **Gooley's Vegetable Bitters.**

THIS medicine has been but a few years before the public, and the demand for it has already become so great, that the subscriber finds it difficult to supply the numerous orders which he is constantly receiving. Innumerable Certificates in his possession bear testimony to its medicinal virtues and attest the fact of its having preserved the lives of hundreds both in this city and elsewhere.

**HIS VEGETABLE COUGH DROPS,** a new article, are also getting into general use, having been productive of the most beneficial effects in hundreds of families of the first respectability in this city and vicinity! and although they have in one instance, but without any foundation or truth, been pronounced poisonous, HUNDREDS of certificates can be produced of their having performed positive and effectual cures in the most obstinate cases, both on young and old, and he now challenges any one to produce satisfactory evidence that there is one particle of any ingredient in their composition that can injure a person in the lowest stage of any disease.

Having administered his medicines in almost all discharges to which the human family are subjected, he never, in a single instance, found them to produce any injurious effects, but, on the contrary, they have been attended with the most complete success.

N. B.—As the Fever and Ague is very prevalent at this season of the year, he can confidently recommend his **VEGETABLE BITTERS** as a CERTAIN CURE, and invites all who may be afflicted with this dreadful disease to make trial of them.

The attention of Masters and Owners of Vessels is called to this medicine; it will be found of great benefit among their crews, and a sure preventative of many of the diseases to which the mariner is subject during long and tempestuous voyages.
