THE GARLAND.

-"With sweetest flowersenrich'd, From various gardens cull'd with care."

The following lines, which we copy from the Philadelphia Saturday Chronicle, were written by a young gentleman, after a visit to the cottage of a friend on the shore of Lake Sutherland.

MY MOUNTAIN HOME. My home is by the mountain lake, My cot by its rippling side: Where the fawn, at noonday comes, to slake It's thirst from the mirror'd tide: Where the wild deer o'er the hillock bounds, Or sports upon the lea; And the eagle's piercing cry resounds In music bold and free.

Where oft, at morn, the deep-mouthed hounds The peasant's slumbers break, And the fisher's fairy shallop bounds O'er the breast of the sylvan lake; And there the night-bird's song you hear At eve, in the forest glade; And nature's music lulls the ear In the song of the light cascade.

These rustic scenes are dearer still Than all on earth beside, When blithely straying o'er the hill, Or by the streamlet's tide. For they bring me back to boyhood's hours, When heart and soul were light; And life was, 'mid those flagrant flowers A vision calm and bright.

I would not leave that mountain home,-To dwell beneath a gilded dome, 'Mid splendor, rich and rare; For Happiness, upon my lot In balmy smiles is blent; And in my rude and humble cot Live Pleasure and Content.
