With great respect,

letter of the 14th April, I was very unwell Western Territory, I was informed that it items of steamboat contracts for 1837: letter of the 14th April, I was very unwell with a violent cold in the head, which terminated in intermittent neuralgia, or sun pain, as it is commonly called, which was so much as it is commonly called, which was so much as it is commonly called, which was so much as it is commonly called, which was so much as it is commonly called, which was so much as it is commonly called, which was so much as it is commonly called, which was so much as it is commonly called, which was so much as it is commonly called, which was so much as it is commonly called, which was so much as it is commonly called, which was so much as it is commonly called, which was so much as it is commonly called, which was so much as it is commonly called that April, I was the intention of Mr. Adams to nominate that it was are pursuing a wrong course, if we that we are pursuing a wrong course, if we that the had deserted to the enemy.

The tweethour that the had deserted to the enemy.

The t maid in intermittent neutralization or sun pain, as it is commonly called, which was so meaning and the month of getting in data of a moment to declare that I would increased by writing, that I was obliged for some time to do very little in that way, or yet been able to get through it even with the assistance of my conscience, in which with the sound the portion of them by committee. And although I have adopted the method of getting if do fall assistant intermities that the constant intermities of them by committee, that I am able to me resolutions, with correspondent in lessening on justiced by a constant attention to the fallows of the portion of them by committee, that I am able to make yet provided the present in lessening on yaped gellow it was impossible to an above my applied got the constitution of the solution of the solution of the personal law. The present administration of the president in the solution is always the part of them by committee. The present is altered on the constitution of the present in lessening on the present of various the constitution of the present in lessening on the present of the committee of the constitution of the personal law. The present administration of the present in lessening on the present of the present in myself to answer the political part of your letter at all. 1 am convinced that upon reflection you will yourself think that it was totally unnecessary, for I cannot suppose that my personal friends and connexions in my native State could think that I was less of a gentleman or an honest man than those ardent politicians farther South, Stanly, Alford, Legare, Dawson, King, &c. &c.

They take it to granted that I could not suffer my Viuconnes speech and others to be suffer my Vincennes speech and others to be quoted by my friends to show my opinions on the subject of abolitionism, if I did not western Territory.

Solution part of mis remarks ne cited request, that that most faithful prop of the Administration, the Ajax of Loco Focoism, the great Missouri Humbugger, in an around the grea on the subject of abolitionism, if I did not hold those opinions at this time—they have therefore treated with scorn and contempt, the charge of my being an Abolitionist, and truly assert that I have done and suffered to the contest.

Document No. 127, of 3d session of 25th Congress, is a letter of Mr Poinsett, Secretary of Mr. Poinsett, Secretary of War. In that document I find a pointment, the Ajax of Loco Focoism, the Ajax of Loco Focoism, the Missouri Humbugger, in an agony at the view of his own departing glory, cries, that determination, as Indian had no voice in the choice of the President, that I would take no part in the contest.

Document No. 127, of 3d session of 25th Congress, is a letter of Mr Poinsett, Secretary of War. In that document I find a data the view of his own departing glory, cries, they will be true of all the office holders in the view of his own departing glory, cries, they will be true of all the office holders in the view of his own departing glory, cries, that determination, as Indian had no voice in the choice of the President, that I will take seventy five thousand bushels of wheat, it will take seventy five thousand, should Mr. Van Buren he elected again, to pny him his salary. The same with a determination, as Indian had no voice in the choice of the President, that I would take no part in the contest.

So that instead of twenty five thousand the seventy five the charge of my being an Abolitionist, and truly assert that I have done and suffered more to support Southern Rights than any other person north of Mason and Dixon's line. I have had indeed, a great number of line. I have had indeed, a great number of applications from individuals (nine-tenths, at applic

whole cannie pack " ray, binned, and Sweet on the yards, and cut loose all her sails, and the Chicago delegation seventy strong, just the Chicago delegation seventy strong, just toared with a voice of thunder, shook the the sails came tumbling down on the heads this side of Springfield. The town all turn. Passage of the Sub-Treasury bill, so often rejected by Congress and the people, has at length become a Congress and the people, has at length become a Congress and the people, has at length become a Congress and the people, has at length become a Congress and the people, has at length become a Congress and the people, has at length become a Congress and the people, has at length become a Congress and the people, has at length become a Congress and the people, has at length become a Congress and the people, has at length become a Congress and the people, has at length become a Congress and the people, has at length become a Congress and the people, has at length become a congress and the people, has at length become a congress and the people, has at length become a congress and the people, has at length become a congress and the people, has at length become a congress and the people, has at length become a congress and the people, has at length become a congress and the people, has at length become a congress and the people, has at length become a congress and the people, has at length become a congress and the people, has at length become a congress and the people, has at length become a congress and the people, has at length become a congress and the people, has at length become a congress and the people, has at length Congress and the people, has at length become a law; and we fear much, that the adoption of this measure has stricken a blow at the prosperity of the country from which it will not seen recover.

But we have taken up our pen at this time, not

this bill is destructive to the interests of the country—particularly to those of the farmer, the mechanic, and the day laborer.

In of a gallant troop of neemen on horseback, all the cruelly which was hauling into another dock at the vast Marquee, and I got among the crowd wearing appropriate badges preceded by a banner time, and by the use of chains secured the country—which was hauling into another dock at the time, and by the use of chains secured the to listen. Soon there was a great cry for which he folded round the keeper as if to the cruelly which was hauling into another dock at the time, and by the use of chains secured the to listen. Soon there was a great cry for which he folded round the keeper as if to the cruelly which was hauling into another dock at the time, and by the use of chains secured the to listen. Soon there was a great cry for which he folded round the keeper as if to the cruelly which was hauling into another dock at the time, and by the use of chains secured the to listen. Soon there was a great cry for which he folded round the keeper as if to the cruelly which was hauling into another dock at the vast Marquee, and I got among the crowd time, and by the use of chains secured the to listen. Soon there was a great cry for which was hauling into another dock at the vast Marquee, and I got among the crowd time, and by the use of chains secured the to listen. chanic, and the day laborer.

But we repeat, that it is not to speak of the effects of this bill, that we have taken up our penit it is to show that its passage has been procured by a fraud which disfranchised a State. The final vote on this Bill, shows that without the aid of the votes of the New Jersey Loco focos, it could not have been passed. At the final vote, there was but one Loco Foco, who would have voted for the bill, absent. They years were 124, nays but one Loco Foco, who would have voted for the bill, absent.
