VALUABLE IMPROVEMENT.

THE subscriber respectfully informs the public that he has invented a new and much improved

HORSE POWER

AND THRESHING MACHINE, Calculated for Two Horses, WHICH WILL THRASH UPWARDS OF ONE HUNDRED DOZEN PER DAY.

To obviate all objections brought against the plans of machines now in use, he has been led to seek for a better one, both in ease to man and horse, and has succeeded beyond his most sanguine expectations. As men are daily seeking improvements to lessen their labor by machinery in different ways, the subscriber is convinced that machines built upon this plan will, in a great measure, reduce the amount of labor, and remove all objections which are urged against the machines now in use. These machines are so constructed as to thrash in the open field, or in bank barns; they can also be removed with ease and placed under the over-shot, and the strap taken through the floor and attached to the machine. In this particular these machines have a great advantage over all others.

His work will be done in the very best manner; and his castings cannot be surpassed by any in point of durability. Being a practical Machinist, he flatters himself that nothing will be wanting on his part to render general satisfaction to all those who may see fit to give him a call. His shop is in Carlisle street, a few doors north of Mr. McClellan's Hotel.

SAMUEL H. LITTLE. REFERENCES.—Wm. McClellan, Esq., Maj. S. S. King, Joel B. Danner, Esq., Gettysburg, June 16, 1840. N. B. He will also furnish THRASHING MACHINES, separate from the horse power, to those who may wish them. S. H. L.

Gouley's Vegetable Medicines.

UNPRECEDENTED SUCCESS! No medicine has, perhaps, ever met with such decided and general success as Gouley's Vegetable Bitters.

THIS medicine has been but a few years before the public, and the demand for it has already become so great, that the subscriber finds it difficult to supply the numerous orders which he is constantly receiving. Innumerable Certificates in his possession bear testimony to its medicinal virtues and attest the fact of its having preserved the lives of hundreds both in this city and elsewhere.

HIS VEGETABLE COUGH DROPS, a new article, are also getting into general use, having been productive of the most beneficial effects in hundreds of families of the first respectability in this city and vicinity! and although they have in one instance, but without any foundation or truth, been pronounced poisonous, hundreds of certificates can be produced of their having performed positive and effectual cures in the most obstinate cases, both on young and old, and he now challenges any one to produce satisfactory evidence that there is one particle of any ingredient in their composition that can injure a person in the lowest stage of any disease.

Having administered his medicines in almost all diseases to which the human family are subjected, he never, in a single instance, found them to produce any injurious effects, but, on the contrary, they have been attended with the most complete success. N. B.—As the Fever and Ague is very prevalent at this season of the year, he can confidently recommend his VEGETABLE BITTERS AS A CERTAIN CURE, and invites all who may be afflicted with this dreadful disease to make trial of them.

The attention of Masters and Owners of Vessels is called to this medicine; it will be found of great benefit among their crews, and a sure preventative of many of the diseases to which the mariner is subject during long and tempestuous voyages.

To the Afflicted.

Diseases of the Lungs!

THE melancholy effects of which our obituaries painfully exhibit, have for some years been increasing to an alarming extent. The dreadful ravages of these complaints have in a vast number of cases been arrested, by the use of Dr. Relle's Asthmatic or Consumptive Pills, which have proved one of the most useful medicines ever yet discovered, for complaints of the Lungs generally. This medicine has restored a large number of persons, from the very borders of the grave, to health and society, who had been given over by their friends, and in many instances even by their Physicians, as past relief! Among a large number of cases of cure by the use of this invaluable medicine, the following are presented to the public.

Copy of a Letter. Dear Sir,—Having had a severe cough entirely removed by the use of your Dr. Relle's Asthmatic Pills, (and occasional use of the Antibrush Pills!) I feel it a duty incumbent on me to inform you more minutely for the benefit of others who may in like manner be affected.

To be more particular, I would say that for about ten years past with little intermission, I have been afflicted with a hard, dry, hacking cough, attended with great pain and sinking of the stomach and with very little raising of phlegm—that I have tried from time to time many prescriptions, with no or at most, with a temporary relief and had become constrained to believe that I should receive no lasting relief when I was recommended to make trial of the above named Pills, which I did with little confidence of a beneficial result, but contrary to my expectation, in a few days my cough was wholly broken up, and subsequently removed!

I feel thankful for the benefit I have received, and am fully persuaded that many, if not all, who are afflicted in the manner that I have been, would find a complete cure by doing as I have done. You are at liberty to make use of this communication in any manner that you may deem most expedient or productive of good. Respectfully yours, &c. (Signed) HORATIO N. CRANE. Boston, March 14th, 1836. Mr. Thompson Kidder.

Another Letter. [From a gentleman of the first respectability, to whom reference can be made.] Mr. Kidder,

Dear Sir:—Having been afflicted for several years past with weak lungs and a troublesome cough, which had become very alarming, I was induced to try the efficacy of your Relle's Asthmatic Pills, from which I have derived so much benefit that I have recommended them to a number of my friends as a cure for coughs, colds, &c. and have heard of no instance in which the patient has not been benefited.

Believing as I do that this medicine has been the means of prolonging my life, and that of a near friend, who is subject to a pulmonary complaint, you may rest assured that I shall avail myself of every opportunity to make others acquainted with its virtues. Yours, truly, A. A. South Boston, Feb. 22d, 1836.

A Remarkable Case.

A gentleman states an extraordinary case, that of his wife, who was reduced so low by a pulmonary complaint, that symptoms of approaching dissolution began to exhibit themselves, so that her Physician intimated that nothing further could be done for her—that her case was past human skill, and the Doctor observed shortly after, while at a neighbors, that Mrs. W. was about to leave us. The same evening a relation recommended a trial of these (Relle's Asthmatic) Pills, they were accordingly administered, producing such relief, and effecting so favorable a change during the night, that in the morning strong hopes were afforded of at least a partial restoration of her health, which was effected, and made comparatively comfortable by a continued use of these Pills.

Timely Relief.

A person recently from neglecting a slight cold, became so seriously affected with a severe cough, which notwithstanding every attempt to remove, became so bad as to oblige him to suspend attending to business, and finally to exhibit such alarming symptoms as to excite serious fears for the result—in these circumstances he was advised to make use of these Pills, which he did, and with such complete success, as to be able to resume his business in a few days, entirely cured!

Much more testimony might be produced to prove this one of the best medicines ever discovered for all stages of Consumption, Coughs, Colds, Asthma, Hoarseness, Wheezing, Difficulty of breathing, Tightness of the Chest, Pain in the Side, Spitting of Blood, &c. &c. Price—Whole Box of 30 Pills, \$1 00—Half Box of 12 Pills, 50 cents. Notice genuine unless signed T. KIDDER, on the wrapper, (sole proprietor and successor to Dr. Conway,) by whom they are for sale, at his counting room, No. 99, Court st. Boston, (up stairs,) and by his special appointment at The Drug and Book Store of S. H. BUEHLER. Price \$1, or 6 bottles for \$5.

ALBANY LOOK HOSPITAL.

SYPHILIS. Omnes Principia obsta. ENCOURAGED by the uniform success attending his peculiar method of treatment, for the prevention and cure of venereal complaints, and confirmed by the experience of many years in a widely extended practice; sensible of the happy effects resulting to the community, from having confided himself entirely to the study and care of a class of diseases which there is every reason to deplore are too prevalent. COOKE continues to direct his sole attention to the treatment of every disorder that occurs from impudence, whilst under the influence of intemperance or any other baneful excitement, and to the cure of those dreadful maladies, which too often arise therefrom. These sometimes commence in a most simple form, and through neglect or injudicious treatment afterwards assume a more aggravated state of disease, occasioning abscess ulceration, nodes, caries of the bones, pseudo syphilis, cancer, prostrated old age, and too often end in a protracted incurable state of miserable existence.

Dr. COOKE though professing exclusively the study and cure of these particular complaints, deems it proper to inform his friends and the public in general, in justice to his professional character, that he was properly educated and regularly initiated in every branch of the profession as a general Practitioner in Europe.

Dr. COOKE may be consulted therefore at all times, as usual at his office, which are properly arranged for confidential consultation. Country patients residing at a distance—and all other patients who prefer writing instead of a personal interview—can be treated with equal success on describing minutely their case by letter, and enclosing a remittance for advice and medicine. There will be no difficulty in sending packages to any part of the United States, and the medicines will be securely packed, carefully protected for transportation, and sent without delay to the place appointed. OFFICES No. 3 Norton street, near Green street, Albany, New York. May 5, 1840. 1y.

DR. JAYNE'S EXPECTORANT.—This invaluable medicine is daily effecting some of the most astonishing and wonderful cures that have ever been known. All who have ever used it for Asthma, Coughs, Spitting of Blood, Hooping Cough, Croup or Hives, Consumption, Chronic Pharyngitis, Hoarseness, Pain and Soreness of the Breast, Difficulty of Breathing, Asthma, Heart Disease, and all the affections of the Lungs, can and do attest to its usefulness. Bronchitis, a disease which is annually sweeping thousands upon thousands to a premature grave, under the mistaken name of Consumption, is always cured by it. The usual symptoms of this disease (Bronchitis) are Coughs, Soreness of the Lungs or Throat, Hoarseness, Difficulty of Breathing, Asthma, Heart Disease, a spitting up of Phlegm or mucus, and sometimes blood. It is an inflammation of the fine skin which lines the inside of the whole of the wind tubes or air vessels, which run through every part of the Lungs. This Expectorant immediately suppresses the Cough, Pain, Inflammation, Fever and Difficulty of Breathing, and produces a free and easy Expectorant, and a cure is soon effected.

It always cures Asthma—two or three large doses will cure the Croup or Hives of Children, in fifteen minutes to an hour's time. It immediately subdues the violence of Whooping Cough; and effects a speedy cure. Hundreds who have been given up by their physicians as incurable with "Consumption," have been restored to perfect health by it.

REV. JOHNATHAN GOING, D. D. President of Granville College, Ohio, writes that he was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using this Expectorant. Mrs. Dilks, of Twenty years N. B. was cured of Asthma, of twenty years standing, by using two bottles of this medicine. Mrs. Ward, also, of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was believed by her friends to be far gone with Consumption, was perfectly restored by three bottles. Dr. Hamilton, of St. James, South Carolina, was greatly affected by a cough, hoarseness and soreness of the lungs, and on using a bottle of this medicine, found permanent relief.

The following certificate is from a practicing Physician, and a much respected Clergyman of the Methodist Society, dated Modest Town, Va. August 27, 1838. Dr. Jayne—Dear Sir—I have been using your Expectorant, extensively, in my practice, for the last three months, and for all attacks of colds, inflammation of the lungs, consumption, asthma, pain and weakness of the breast, it is decidedly the best medicine I have ever tried. Very respectfully yours, R. W. WILLIAMS, M. D. Numerous other certificates might be added, but the above are considered sufficient evidence of its great usefulness. Prepared only by Dr. D. Jayne, No. 20 South Third street, Philadelphia. Price \$1. Where also may be had Jayne's Carminative Balsam, for the cure of Bowel Complaint, &c. &c. Tonic Vermifuge, for the removal of Worms, &c. Sanative Pills, for Dyspepsia, Liver Complaint, and Female Diseases, &c. Also, Jayne's Hair Tonic, for the removal of Baldness and preservation of the Hair. For sale at the Drug Store of S. H. JAYNE'S CARMINATIVE BALSM.

IS a certain, safe and effectual remedy for Dysentery, Diarrhoea, or Loose Stools, Cholera Morbus, Summer Complaint, Cholera, Chipping Pains, Sour Stomach, Flatulency, &c. &c., and all Spasmodic and Nervous Diseases, as sick and Nervous Headach, Hysteria, Cramp, &c. &c. This is one of the most efficient, pleasant and safe compositions ever offered to the public for the cure of the various derangements of the stomach and bowels, and the only article worthy of the confidence for curing Cholera Infantum or Summer Complaint; and in all the above diseases it really acts like a charm.

All persons are requested to try it, for there is "no mistake" about its being one of the most valuable family medicines ever yet discovered.—Hundred nay thousands, of certificates have been received from Physicians, Clergymen, and families of the first respectability, bearing the strongest testimony in its favour, too numerous to publish.

CERTIFICATES. This is to certify that I have used Dr. Jayne's Carminative Balsam very extensively in Bowel Complaints, and have not the least hesitation in declaring it superior to any preparation that I have met with, for the relief of those diseases. WILLIAM STEELING, M. D. Physician to the Cumberland, N. J. Almshouse. Bridgton, July 19, 1836. Dr. D. Jayne—Dear Sir,—Having made use of your Carminative Balsam in my family, and finding it to be admirably adapted to the complaints for which it is intended, I take pleasure in recommending it to the use of my friends and the public generally, believing those who are afflicted with any of those complaints will find relief in the use of this valuable medicine. JONATHAN GOING, M. D. President of Granville College, Ohio. New York, May 20, 1837. For Sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.

ATTENTION BALD HEADS. NO APOLOGY FOR WIGS. Of all the remedies ever devised for the restoration and preservation of the Hair, nothing has been found equal to Dr. Jayne's Hair Tonic. It seldom fails to restore the hair to health and beauty. Many who were bald a few months ago, can now exhibit luxuriant heads of hair by the use of it. Copy of a letter from Dr. S. Fitch. PHILADELPHIA, May 10, 1839. Dr. Jayne.—Dear Sir—I feel that I can hardly say enough to you in favor of the Hair Tonic, prepared by you. My hair had been falling off about two years, and had become very thin threatening speedy baldness, when I commenced using this remedy. In about one week it ceased to fall off. I have used it now about three months, and have as full and thick a head of hair as I can possibly desire. I have recommended its use to a number of my friends, who all speak well of it. If faithfully employed, I have no doubt of its general success. I may add, that before using the Tonic, I had tried almost all the various articles employed for the hair, such as the Macassar Oil, all the different preparations of Boar's Oil, Vegetable Hair Oil, &c. &c. without experiencing much, if any benefit. Respectfully yours, S. S. FITCH. No. 172 Chestnut street. The Rev. LEONARD FLETCHER, Pastor of the Baptist Church, Great Valley, Pa. who had been more or less bald for many years, used three bottles of the Hair Tonic, and has now a fine growth of new hair over all that part of his head where he was bald, writes— I assure you. "My hair is growing finely. I assure you." L. FLETCHER. West Chester, Pa. March 2, 1839. Prepared only by Dr. D. Jayne, sole proprietor, No. 20 South Third Street, Philadelphia. Price \$1 a bottle. ROUGH, ASTHMA, SPITTING OF BLOOD.

OF Sixty Years Standing, cured by Dr. Jayne's Expectorant! PHILADELPHIA, August 16th, 1838. Mr. ATKINSON—Dear Sir: A few weeks ago I noticed in your paper, an account of the surprising effects of Jayne's Carminative, in restoring a great number of passengers on board a Mississippi steamer, to a state of perfect health who were afflicted with Bowel Complaint. I was glad to see you notice it so kindly; you may rest assured it deserves the praise bestowed upon it. The benefit I have received from this medicine, more especially his Expectorant, induces me to state my case to you, for the benefit of those who are afflicted in the same way. It has been my misfortune, since I have used a cough and asthmatic oppression, for more than half a century. When a soldier in the American camp, in 1778, I, with many others, (owing to great exposure), had a violent attack of disease of the Lungs, by which I was disabled from duty for a long time. Since that period until recently I have never been free from a violent Cough and difficulty of breathing. Year after year I have expectorated over a gill a day; often much more, and sometimes mixed with blood. For months together, night after night, I have had to sit or be bolstered up to obtain my breath. The weakness and debility caused by such constant expectoration, frequently brought me to a state bordering on death. It was a matter of astonishment to my family and friends that I am here to write to you. I have had skillful physicians to attend me, and every thing done that was thought likely to give me relief, without any beneficial effect. Last winter I had another severe attack of Inflammation of the Lungs, which I fully expected would be the last. I then considered my case as past the aid of medicine, when I was persuaded to call on Doctor Jayne. With the assistance of Divine Providence, through him, I was once more relieved from my bed, but the coughing and wheezing worried me day and night. He advised me to use his Expectorant. I did so, with a strong hope that, as it had cured many of my acquaintances of various diseases of the lungs, it might at least mitigate my sufferings. Need I say how gratified I felt? It has EFFECTUALLY CURED ME. As soon as I commenced taking it, I found it reached my case, and I began to breathe with more freedom. My expectoration became more easy, and my cough entirely left me. I now feel as well as ever I did in my life, and am better than I have been for many last six years.—Last summer I spit a great deal of blood; now, thank God, I am perfectly cured. Now, Sir, after suffering so long, and finding at last such signal relief from Jayne's Expectorant, I feel anxious to inform my fellow citizens whose relief may be had. If you think this worthy a place in your paper you will oblige me by inserting it. NICHOLAS HARRIS, SEN. No. 35 Lombard street. Dr. Jayne's Office is No. 20 South Third Street Philadelphia. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.
