CONSUMPTION—CONSUMPTION THAT FELL DESTROYED!—More proofs of the Efficacy of Dr. Swayne's Compound Syrup of Wild Cherry, in relieving afflicted Man. To DR. SWAYNE, Dear Sir:—The time has been, when I would not recommend a medicine advertised in the public prints over my own signature; I now feel different, I feel it my duty to inform the afflicted where they may find relief. I was reduced by a protracted COUGH for 6 months to a mere skeleton, no rest at night, soreness and pain in my breast, side, &c. Suffice it to say, I used your Compound Syrup of Wild Cherry, which in a few weeks relieved me effectually. I am certain had it not been for your medicine, (as life frequently depends on early attention to proper remedies,) I should now be in the silent grave. Let no person delay, but procure your Syrup and be relieved of their COUGHS and COLDS, as they are dangerous companions and often lead to fatal consequences. Your friend, ABRAHAM SKINNER, The above ORIGINAL may be seen at any time at the PRINCIPAL OFFICE, No. 19 North EIGHTH street, Philadelphia, where the Medicine can always be procured. TO FARMERS. VALUABLE IMPROVEMENT. THE subscriber respectfully informs the public that he has invented a new and much improved HORSE POWER AND TERASHING MACHINE, Calculated for Two Horses, WHICH WILL THRASH UPWARDS OF ONE HUNDRED DOZEN PER DAY. To obviate all objections brought against the plans of machines now in use, he has been led to seek for a better one, both in ease to man and horse, and has succeeded beyond his most sanguine expectations. As men are daily seeking improvements to lessen their labor by machinery in different ways, the subscriber is convinced that machines built upon this plan will, in a great measure, reduce the amount of labor, and remove all objections which are urged against the machines now in use. These machines are so constructed as to thrash in the open field, or in bank barns; they can also be removed with ease and placed under the over-shot, and the strap taken through the floor and attached to the machine. In this particular these machines have a great advantage over all others. His work will be done in the very best manner; and his castings cannot be surpassed by any in point of durability. Being a practical Machinist, he flatters himself that nothing will be wanting on his part to render general satisfaction to all those who may see fit to give him a call. His shop is in Carlisle street, a few doors north of Mr. McClellan's Hotel. SAMUEL H. LITTLE. REFERENCES.—Wm. McClellan, Esq., Maj. S. S. King, Joel B. Danner, Esq., Gettysburg, June 16, 1840. N. B. He will also furnish THRASHING MACHINES, separate from the horse power, to those who may wish them. S. H. L.

JEW DAVID'S OR HEHEW PLASTER. PRICE FIFTY CENTS. The peculiarities of this Chemical Compound, are owing to its extraordinary effects, upon the animal fibre or nerves, ligaments and muscles; its virtues being carried by them to the immediate seat of disease, or of pain and weakness. However good any internal remedy may be, this as an external application, will prove a powerful auxiliary in removing the disease and facilitating the cure in cases of Local Inflammation, Serofulous Affections, King's Evil, Gout, Inflammatory and Chronic Rheumatism, and in all cases where seated pain or weakness exist. Gouley's Vegetable Medicines. UNPRECEDENTED SUCCESS! No medicine has, perhaps, ever met with such decided and general success as Gouley's Vegetable Bitters. THIS medicine has been but a few years before the public, and the demand for it has already become so great, that the subscriber finds it difficult to supply the numerous orders which he is constantly receiving. Innumerable Certificates in his possession bear testimony to its medicinal virtues and attest the fact of its having preserved the lives of hundreds both in this city and elsewhere. His VEGETABLE COUGH DROPS, a new article, are also getting into general use, having been productive of the most beneficial effects in hundreds of families of the first respectability in this city and vicinity! and although they have in one instance, but without any foundation or truth, been pronounced poisonous, HUNDREDS of certificates can be produced of their having performed positive and effectual cures in the most obstinate cases, both on young and old, and he now challenges any one to produce satisfactory evidence that there is one particle of any ingredient in their composition that can injure a person in the lowest stage of any disease. Having administered his medicines in almost all diseases to which the human family are subjected, he never, in a single instance, found them to produce any injurious effects, but, on the contrary, they have been attended with the most complete success. N. B.—As the Fever and Ague is very prevalent at this season of the year, he can confidently recommend his VEGETABLE BITTERS as a CERTAIN CURE, and invites all who may be afflicted with this dreadful disease to make trial of them. The attention of Masters and Owners of Vessels is called to this medicine; it will be found of great benefit among their crews, and a sure preventative of many of the diseases to which the mariner is subject during long and tempestuous voyages. LOUIS GOULEY, No. 21½ Baltimore street, near the Centre Market, between Harrison and Frederick streets, Nov. 25

ALBANY LOOK HOSPITAL. SYPHILIS. Omnes Principiis obsta. ENCOURAGED by the uniform success attending his peculiar method of treatment, for the prevention and cure of venereal complaints, and consequent practice, sensible also of the happy effects resulting to the community, from having confined himself entirely to the study and care of a class of diseases which there is every reason to deplore are too prevalent. Dr. COOKE continues to direct his sole attention to the treatment of every disorder that occurs from venereal disease, in a widely extended practice. He has seen the most distressing and painful cases, which too often arise therefrom. These sometimes commence in a most simple and unobtrusive manner, but in a short time they become more aggravated states of disease, occasionally abscess, nodes, caries of the bones, pseudo syphilis, cancer, premature old age, and too often end in a protracted incurable state of miserable existence. Dr. COOKE though professing exclusively the study and cure of these particular complaints, deems it proper to inform his friends and the public in general, in justice to his professional character, that he is a regularly educated and regularly initiated into every branch of the profession as a general Practitioner in Europe. Dr. COOKE may be consulted therefore at all times, as usual at his office, which are properly fitted up and arranged for confidential consultation. Country patients residing at a distance—and all other patients who prefer writing letters, or sending affidavits, can be treated with equal success on describing minutely their case by letter, and enclosing a remittance for advice and medicine. There will be no difficulty in sending packages to any part of the United States, and the medicines will be securely packed, carefully protected from observation, and sent without delay, to the place appointed. OFFICES No. 3 North street, near Green street, Albany, New York. 1y.

This is one of the most efficient, pleasant and safe compositions ever offered to the public for the cure of the various derangements of the stomach and bowels, and the only article worthy of the least confidence for curing Cholera Infantum or Summer Complaint; and in all the above diseases, it really acts like a charm. All persons are requested to try it, for there is "no mistake" about its being one of the most valuable family medicines ever yet discovered. It has cured hundreds of certificates have been received from Physicians, Clergymen, and families of the first respectability, bearing the strongest testimony in its favour, too numerous to publish. CERTIFICATES. This is to certify that I have used Dr. Jayne's Carminative Balsam very extensively in Bowel Complaints, and have not the least hesitation in declaring it superior to any preparation that I have met with, for the relief of those diseases. WILLIAM STEELING, M. D. Physician to the Cumberland, N. J. Almshouse. Bridgeton, July 19, 1836. Dr. D. JAYNE, Dear Sir,—Having made use of your Carminative Balsam in my family, and finding it to be admirably adapted to the complaint for which it is intended, I take pleasure in recommending it to the use of my friends and the public generally, believing those who are afflicted with any of these complaints will find relief in the use of this valuable medicine. JONATHAN GOING, M. D. President of Granville College, Ohio. New York, May 20, 1837. For Sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.

GOUGH, ASTHMA, SPITTING OF BLOOD, of Sixty Years Standing, cured by Dr. Jayne's Expectant! PHILADELPHIA, August 16th, 1838. Mr. ATKINSON, Dear Sir:—A few weeks ago I noticed in your paper, an account of the surprising effects of Jayne's Carminative, in restoring a great number of passengers on board a Mississippi steamboat, to perfect health who were afflicted with Bowel Complaint. I was glad to see you notice it so kindly; you may rest assured it deserves the praise bestow'd upon it. I have recently had a patient under my care, in whom I saw the effects of your medicine, more especially his Expectant, induces me to state my case to you, for the benefit of those who are afflicted in the same way. It has been my misfortune, sir, to labor under a cough and asthmatic oppression, for more than half a century. When a soldier in the American camp, in 1775, I with violent attacks of cough, and was obliged to be disabled from duty for a long time. Since that period until recently, I have never been free from a violent Cough and difficulty of breathing. Year after year I have expected over a gill a day; often much more, and sometimes mixed with blood. For months together, night after night, I have had to sit or be bolstered up to obtain my breath; and I have seen the same attack by such constant expectation, frequently brought me to a state bordering on death. It has been a matter of astonishment to my family and friends that I am here to write this to you. I have had skillful physicians to attend me, and every thing done that was thought likely to give me relief, without any beneficial effect. For winter I had another attack of cough and inflammation of the Lungs, which I fully expected would be the last. I then considered my case as past the aid of medicine, when I was persuaded to call on Doctor Jayne. With the assistance of Divine Providence, through him, I was once more raised from my bed, but the coughing and wheezing which I had under my care, were not to be overcome by any other means than the use of your medicine. I had an anxious time to use that, as it had cured many of my acquaintances of various diseases of the Lungs, it might at least mitigate my sufferings. Need I say how gratified I felt? It has EFFECTUALLY cured me. As soon as I commenced taking it, I found it reached my case, and I began to breathe with more freedom; my cough entirely ceased. I now feel as well as ever I did in my life, and am better than I have been for the last sixty years. Last summer I spit a great deal of blood; now, thank God, I am perfectly cured. Now, Sir, after suffering so long, and finding at last such signal relief from Jayne's Expectant, I feel anxious to inform my fellow citizens where relief may be had. If you think this worthy a place in your paper you will oblige me by noticing it. NICHOLAS HARRIS, SEN. No. 35 Lombard Street. Dr. Jayne's Office is No. 20 South Third street Philadelphia. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.

ATTENTION BALD HEADS. NO APOLOGY FOR WIGS. Of all the remedies ever devised for the restoration and preservation of the Hair, nothing has been found equal to Jayne's Hair Tonic. It seldom fails to restore the hair to health and beauty. Many who were bald a few months ago, can now exhibit luxuriant heads of hair by the use of it. Copy of a letter from Dr. S. S. Fitch. PHILADELPHIA, May 10, 1839. Dr. Jayne.—Dear Sir—I feel that I can hardly say enough to you in favor of the Hair Tonic prepared by you. My hair had been falling off about two years, and had become very thin threatening speedy baldness when I commenced using this remedy. In about one week it ceased to fall off. I have used it now about three months, and have as full and thick a head of hair as I can possibly desire. I have recommended it to a number of my friends, who all speak well of it. If faithfully employed, I have no doubt of its general success. I may add, that before using the Tonic, I had tried almost all the various articles employed for the hair, such as the Necessair Oil all the different preparations of Bear's Oil, Vegetable Hair Oil, &c. &c. without experiencing much, if any benefit. Respectfully yours, S. S. FITCH, No. 172 Chestnut street. The Rev. LEONARD FLETCHER, Pastor of the Baptist Church, Great Valley, Pa., who had been more or less bald for many years, used three bottles of the Hair Tonic, and has now a fine growth of new hair over all that part of his head which he was bald, writes— "My hair is growing finely. I assure you." L. FLETCHER. West Chester, Pa. March 2, 1839. Prepared only by Dr. D. Jayne, sole proprietor, No. 20 South Third Street, Philadelphia. Price \$1 a bottle. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.
