in proportion as the farmer, the mechanic, \$4,500. and the poor laborer suffer. 1 ask you, there-

that they will without a murmur, consent wine coolers. to be taxed with the price of his liquor stand, I have now, sir, arrived at the last class chasing silver paper and green silk for the and for silver and gold chains to hang labels of expenditures for the palace establishment, Greén room; and removing furniture from around the necks of his "foreign barrel shape viz: "Alterations and Repairs." And in the Audience room to the Major's room the ticket settled this day, to the undivided ter, Peter Yoh, carpenter. tled E. I. Madeira."

monstrates as clearly us if it were written committee to the law, I will submit sundry from the rains and winds of heaven." Don't lough, Courad-Snyder. in characters of living light, that the soul bills for disburgement under that law:

To Robert Keyworth, Dr. within the barrel of a milliner's thimble to 1837, perform all the evolutions of the whirling \$6 pirouette avec chasse a suivant, according los to the liberal gesticulations practised by the most celebrated danseura.

4 basements for same, 6 00 without grumbling; but, sir, there is no in-4 artificial wreaths, 1 50 tolligent man residing at the seat of Govern July 7, 1839. Received payment for P. ment who is not satisfied that Mr. Van Buren lays up annually from fifteen to twenty Chousand dollars. Can you inform me, sir To Wm. M. McCauley, Dr. what great expenses incumber his purse, which any other respectable gentleman who occupies a spacious mansion in this city has not to meet? All the individuals at the head of the various Departments of the Govern-I cortify the above to be correct. James ment have to hire horses, stables, pusturage, gardens and gardeners; they have to March 27, 1837. Received the within purchase household furniture, raise their own vegetables, and buy hay for their cattle: and yet they manage not only to get along comfortably, but to hold brilliant soit rees, and make duite a display in carriages and equipage, on \$6,000 per annum.--There are but two items in the expenditures

the disbursements for similar objects incur-GUSTIN RUSSELL." red by other respectable householders in "The United States, for the President's Washington. I refer to his state dinners

do handscrubs, 1 87 timate can soon be made. He probably do brooms, 1 87 gives 25 state dinners during the long ses-_____ sions of Congress, and 15 at the short ses \$7 50 sions-being an average of twenty dinners ved payment, SAM. REDFERN." allow \$2 to each guest, the actual cost of a "President's House, to E. M. Linthicum. state dinner will be \$80. 20 state dinners would therefore require \$1,600. The sum) of \$2 for each guest is a very liberal allowi ance, and within a lew france of the price 5 paid by Louis Phillippe King of the French, i the richest monarch in the world, to his purveyor, for providing the most sumptuous banquets at the Tuilleries and Fontainbleau.) In relation to the number of palace servants - I shall not be rigid. I am willing to allow 811 52 25. In that number I intend of course to include all servants that may be employed without as well as within the palace walls. I presume the following offices will suffice Mr. Chairman, these fificen small bills the President-1 charioteer, 2 postillions, which I have just read have been selected 4 footmen, 2 outriders, 2 grooms, 4 French from several large bundles of others, because | cooks, 1 butler, 1 chief corver, 1 cup bearthey afford a fair sample of the kind of ex |er, 1 porter, 1 turnspit, 1 scullion, and 5 penses that are daily incurred on account of chamber servants. I do not deem it proppenses that are daily incurred on account of the palace establishment. And I must be permitted to say, that I dogs"—although the "keeper of the King's curtains for a carpet, 2 pic-cannot see the propriety or the justice of dogs" in England is no inconsiderable no-bleman; and a recent London paper announ-to the function of the fun dling the Public with all the little disburge- ces that "Lord Kinnaird, the new master ments of his household. He receives an of "her Majcety's buckhounds, has just takannual salary of twenty five thousand dol. en for four "months Colonel Cavendish's Viz. To making and laving carlars, in gold and silver, which gives him mansion at St. Leonard's, within about ten 868 50 per day, or 82 81 for each and miles of Windsor, for the purpose of being every hour that passes during the four years | within the immediate neighborhood of the of his presidential term. If he enjoys him- place of official duties." Excellent servants self five hours at a state dinner, he rises can be hired in Washingotn at from \$8 to from his feast \$14 05 richer than when he \$10 per mouth-twenty-five servants would sat down. If he sleep eight hours, he is therefore at \$10 per month require a dissure to get up from his state bed \$22 48 bursement of \$2,000. Now, sir, notwith better off than before he closed his eyes .-- | standing my admission that twenty-five pal-Neither does the amount of his income de- ace servants may be necessary for Mr. Van pend upon good crops, good sensons, good Buren, I am unwilling to concede that a farming, or good prices. On the contrary, real bank Whig could not go ahead very whilst it is not diminished by any or all of well with one fifth of that number. I have these circumstances, which so vitally affect supposed, sir, that the state dinners and the income of the farmer, the President's palace servants of Mr. Van Buren may to salary is in fact always enhanced in value, gother possibly demand an exponditure of

To that amount may be added about fore, whether it is just and equal for the \$2 500 for provisions of every kind, fuel, President to charge the farmer, the mechan. oil, candles, and corn for forage, and we ic, and the poor laborer with the costs of then have the gross sum of \$7,000, which making his sheets, pillow cases, and ser. embraces every cent that Mr. Van Buren vant's aprons-with the pitiful price paid annually disburses for clothing and ornafor hemming, yes, hemming his kitchen ments to decorate his person. And it he is rubbers, or dish cloths-straining cloths, or vain enough to spend his money in the strainer rags? The poor farmer has not on purchase of rubies for his neck, diamond ly to purchase a churn, milk strainers, and rings for his lingers, Brussels lace for his kimmers for his own family, but he is al- breast, filet gloves for his hands. and so taxed to pay for a churn, milk strainers, Inbrique de broderies-de bougran a Nan and skimmers for the President of the Uni- cy handkerchiefs for his pocket-if he chose ted States, and for hemming his strainer to lay out hundreds of dollars in supplying Cleaning and repairing a plateau 75 00 rags into the bargain. The poor laborer, with his flity cents a Victoria," Eau de Cologne, Triple Distilday, has not only to provide his own coffee led Savon Daveline Mons Sens, Bouquet pot and pewter spoons, but he is compelled and Arabic, Corinthian Oil of Cream. to purchase a coffee pot for the President, L'Huile de Rose, Hedysomia, Concentrated and pay for the spoons used by the Presi. Persian Essence, and Extract of Eglantine, "\$150. Z. NiCHOLAS". didate for Congress, and were unanimously in-dent's servants. Ay, sir, he is taxed for the most charming perfume for the bardier inverting to the latter the most charming perfume for the subscriber will, if desired, deliver the net at 2 o'clock discussed to meet at servants in the President's kitchen use in ea. handkerchief an agreeable, refreshing, and Congress last mentioned, for what are doting their victuals. The President of the lasting odor, and "patronized by her most nominated 'repairs of the President's house," United States, in my opinion, should have Gracious Majesty Queen Victoria and her during the first six months of Mr. Van Buand more pride of character than to charge Royal Highness Dowager Queen Adelaide" | ren's term, amounting altogether to the sun | fowing Tickett the People with the price of his plate war- -if, I say, Mr. Van Buren sees fit to spend of \$4,127 98. By these bills we are taught mers, his toasters, his market baskets, his his cash in buying these and other perfumes what is meant by the phrase "repairs of the tart pans, and larding needles to stuff his and cosmetics for his toilet, it can constitute President's House," in the palace vocabupuddings and saucissions. Martin Van Bu- no valid reason for charging the farmers, lary. It appears that "repairs of the Presi ren must suppose, forsonth, that the farmers, | laborers, and mechanics of the country with | dent's House" consist in buying scarlet damechanics, and laborers of the United States bills for hemming his dish rags, for his lar- mask and Brussels carpet for the Presiare so very stupid, or so very good-natured, ding needles, liquor stands, and foreign cut dent's office; scraping or scrubbing, and
