LANCASTER CONVENTION.

To the Friends of Harrison and Tyler in Adams County.

The undersigned have been appointed a committee to make arrangements for the Convention of the friends of HARRISON and TYLER, which is to be held in the city of Lancaster, Pa., on FRIDAY, 18TH SEPTEMBER NEXT.

In accordance with the duty thus imposed upon them, the committee respectfully tender to the citizens of Adams County a cordial invitation to be present on the occasion, and assure them that ample accommodations will be made for the comfort and convenience of as many as may choose to come.

Every citizen friendly to the election of Harrison and Tyler—all who wish to see a return of national and individual prosperity—all who are opposed to the prodigality and corruption which exists in every department of the government at Washington—all who are opposed to such a reduction of the Poor Man's Wages as would place him upon a level with the serf of Russia and the slave of the Indies—all who are opposed to the Sub Treasury, but in favor of honesty in the management of the public revenue—all who are opposed to a Standing Army of 200,000 men—all who are opposed to a revival of the old Alien and Sedition Laws and the attendant horrors of the Reign of Terror—are earnestly invited to attend.

Let them come by hundreds and by thousands, and seal anew their devotion to our glorious Constitution, so long trampled upon by our rulers at Washington.

"Come as the ocean wave comes in its wrath, When the storm-spirit frowns on the deep; Come as the mountain wind comes in its path, When the tempest hath roused it from sleep."

The assembling of the convention will afford a fitting opportunity for the people of Pennsylvania to respond to the glorious intelligence which they are daily receiving from the Southern and Western States—to exult, not at the triumph of faction, but at the certainty of the deliverance of the Republic from the fearful tyranny that for the last few years has pressed upon it with a weight like that of death.

The Committee will only add that the Hon. N. P. Tallmadge, of New York, the Hon. Wm. C. Rives, of Virginia, the Buckeye Blacksmith, and other eloquent friends of Harrison and Tyler are expected to be present on the occasion.

TO FARMERS.

THE subscriber respectfully informs the public that he has invented a new and much improved HORSE POWER TRASHING MACHINE, Calculated for Two Horses, WHICH WILL THRASH UPWARDS OF ONE HUNDRED DOZEN PER DAY.

To obviate all objections brought against the plans of machines now in use, he has been led to seek for a better one, both in ease to man and horse, and has succeeded beyond his most sanguine expectations. As men are daily seeking improvements to lessen their labor by machinery in different ways, the subscriber is convinced that machines built upon this plan will, in a great measure, reduce the amount of labor, and remove all objections which are urged against the machines now in use. These machines are so constructed as to thrash in the open field, or in bank barns; they can also be removed with ease and placed under the over-shot, and the straw taken through the floor and attached to the machine. In this particular these machines have a great advantage over all others.

His work will be done in the very best manner; and his castings cannot be surpassed by any in point of durability. Being a practical Machinist, he flatters himself that nothing will be wanting on his part to render general satisfaction to all those who may see fit to give him a call. His shop is in Carlisle street, a few doors north of Mr. McClellan's Hotel. SAMUEL H. LITTLE. REFERENCES.—Wm. McClellan, Esq., Maj. S. S. King, Joel B. Danner, Esq. Gettysburg, June 16, 1840. N. B. He will also furnish THRASHING MACHINES, separate from the horse power, to those who may wish them. S. H. L.

Gouley's Vegetable Medicines. UNPRECEDENTED SUCCESS! No medicine has, perhaps, ever met with such decided and general success as Gouley's Vegetable Bitters.

THIS medicine has been but a few years before the public, and the demand for it has already become so great, that the subscriber finds it difficult to supply the numerous orders which he is constantly receiving. Innumerable Certificates in his possession bear testimony to its medicinal virtues and attest the fact of its having preserved the lives of hundreds both in this city and elsewhere.

His VEGETABLE COUGH DROPS, a new article, are also getting into general use, having been productive of the most beneficial effects in hundreds of families of the first respectability in this city and vicinity; and although they have in one instance, but without any foundation or truth, been pronounced poisonous, hundreds of certificates can be produced of their having performed positive and effectual cures in the most obstinate cases, both on young and old, and he now challenges any one to produce satisfactory evidence that there is one particle of any ingredient in their composition that can injure a person in the lowest stage of any disease.

Having administered his medicines in almost all diseases to which the human family are subjected, he never, in a single instance, found them to produce any injurious effects, but, on the contrary, they have been attended with the most complete success. N. B.—As the Fever and Ague is very prevalent at this season of the year, he can confidently recommend his VEGETABLE BITTERS as a CERTAIN CURE, and invites all who may be afflicted with this dreadful disease to make trial of them.

The attention of Masters and Owners of Vessels is called to this medicine; it will be found of great benefit among their crews, and a sure preventative of many of the diseases to which the mariner is subject during long and tempestuous voyages. LOUIS GOULEY, No. 213 Baltimore street, near the Centre Market, between Harrison and Frederick streets, Nov. 25 1y

ALBANY LOCK HOSPITAL. SYPHILIS. ONNES Principiis obsta. ENCOURAGED by the uniform success attending his peculiar method of treatment, for the prevention and cure of venereal complaints, and confirmed practice, sensible also of the happy effects resulting to the community, from having confined himself entirely to the study and care of a class of diseases which there is every reason to deplore are too prevalent.

Dr. COOKE continues to direct his sole attention to the treatment of every disorder that occurs from impudence, whilst under the influence of impure air, or any other baneful cause, and to the cure of those dreadful maladies, which too often arise therefrom. And through neglect or injudicious treatment afterwards assume a more aggravated state of disease, occasioning abscess, ulceration, nodes, caries of the bones, pseudo-syphilis, cancer, prostatic old age, and too often end in a protracted incurable state of miserable existence.

Dr. COOKE though professing exclusively the study and cure of these particular complaints, deems it proper to inform his friends and the public in general, in justice to his professional character, that he is a regularly educated and regularly initiated into every branch of the profession as a general Practitioner in Europe.

Dr. COOKE may be consulted therefore at all times, at usual office hours, which are properly fixed and arranged for confidential consultation. Country patients residing at a distance—and all other patients who prefer writing instead of a personal interview—can be treated with equal success on describing minutely their case by letter, and enclosing a remittance for advice and medicine. There will be no difficulty in sending packages to any part of the United States, and the medicines will be securely packed, carefully protected from observation, and sent without delay to the place appointed. OFFICES No. 3 Norton street, near Green street, Albany, New York. May 5, 1840. 1y.

DR. JAYNE'S EXPECTORANT.—This invaluable medicine is daily effecting some of the most astonishing and wonderful cures that have ever been known. All who have ever used it for Asthma, Coughs, Spitting of Blood, Hoop Cough, Croup or Hoarseness, Pain and Soreness of the Breast, Difficulty of Breathing, and every other disease of the Lungs and Breast, can do at least to its usefulness. Bronchitis, a disease which is annually sweeping thousands upon thousands to a premature grave, under the mistaken name of Consumption, is always cured by it. The usual symptoms of this disease, (Bronchitis) are Coughs, Soreness of the Lungs or Throat, Hoarseness, Difficulty of Breathing, Asthma, Hectic Fever, a spitting up of Phlegm or mucus, and sometimes blood. It is an inflammation of the fine skin which lines the inside of the whole of the wind pipes or air vessels, which run through every part of the Lungs. This Expectorant immediately suppresses the Cough, Pain, Inflammation, Fever and Difficulty of Breathing, and produces a free and easy Expectorant, and a cure is soon effected.

It always cures Asthma—two or three large doses will cure the Croup or Hoarseness of Children, in fifteen minutes to an hour's time. It immediately subdues the violence of Whooping Cough; and effects a speedy cure. Hundreds who have been given up by their physicians as incurable with "Consumption," have been restored to perfect health by it.

REV. JOHNATHAN GOING, D. D. President of Granville College, Ohio, says—"I was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using this Expectorant." Mrs. Dilks, of Twenty N. J., was cured of Asthma, of twenty years standing, by using two bottles of this medicine.—Mrs. Ward, also, of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was believed by her friends to be gone with Consumption, was perfectly restored to health by one bottle. Dr. Hamilton, of St. James, South Carolina, was greatly affected by a cough, hoarseness and soreness of the lungs, and on using a bottle of this medicine, found permanent relief.

The following certificate is from a practicing Physician, and a much respected Clergyman of the Methodist Society, dated Modest Town, Va. August 27, 1838. Dr. Jayne—Dear Sir—I have been using your Expectorant, extensively, in my practice, for the relief of colds, and for all attacks of colds, inflammation of the lungs, consumption, asthma, pain and weakness of the breast, it is decidedly the best medicine I have ever tried. Very respectfully yours, R. W. WILLIAMS, M. D. Numerous other certificates might be added, but the above are considered sufficient evidence of its great usefulness. Prepared only by Dr. D. Jayne, No. 20 South Third street, Philadelphia. Price \$1. Where also may be had Jayne's Carminative Balm, for the cure of Bowel Complaint, &c.—Tonic Vermifuge, for the removal of Worms, &c.—Sanative Pills, for Dyspepsia, Liver Complaints, and Female Diseases, &c. Also, Jayne's Hair Tonic, for the removal of Baldness and preservation of the Hair. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.

HOOPING COUGH, AND CROUP.—TO PARENTS—JAYNE'S EXPECTORANT is without exception the most valuable preparation in use, for the above diseases. It converts Hooping Cough into a mild and tractable disease, and shortens its duration more than one half; and produces a certain and speedy recovery. From half to one tea spoonful, will certainly cure Croup in infants and young children, in half an hour to an hour. The lives of hundreds of children will be saved annually, by always keeping it on hand ready for every emergency. For sale at No. 20 South 3rd street Philadelphia. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.

WORMS! WORMS!! WORMS!!! To remove these dangerous and troublesome inhabitants of the Stomach and Bowels, which often impair the health and destroy the lives of children, use Dr. Jayne's Tonic Vermifuge, a certain and safe preparation for the removal of the various kinds of Worms, Dyspepsia, Sour Stomach, Want of Appetite, infantile Fever and Ague, and debility of the Stomach and Bowels, and organs of digestion. To be had at No. 20 South Third Street, Philadelphia. Price \$1 cts. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.

JAYNE'S CARMINATIVE BALSAM

IS a certain, safe and effectual remedy for Dysentery, Diarrhoea, or Loose Stools, Cholera Morbus, Summer Complaint, Cholera Griping Pains, Sour Stomach, Flatulency, &c. &c., and all Spasmodic and Nervous Diseases, as Sickness and Nervous Headach, Hysteria, Cramp, &c. &c. This is one of the most efficient, pleasant and safe compositions ever offered to the public for the cure of the various derangements of the stomach and bowels, and the only article worthy of the least confidence, for curing Cholera Infantum or Summer Complaint; and in all the above diseases it really acts like a charm.

All persons are requested to try it, for there is 'no mistake' about its being one of the most valuable family medicines ever yet discovered.—Hundred: nay thousands, of certificates have been received from Physicians, Clergymen, and families of the first respectability, bearing the strongest testimony in its favour, too numerous to publish.

CERTIFICATES. This is to certify that I have used Dr. Jayne's Carminative Balm very extensively in Bowel Complaints, and have not the least hesitation in declaring it superior to any preparation that I have met with for the relief of those diseases. WILLIAM STEELING, M. D. Physician to the Cumberland, N. J. Almshouse. Bridgeton, July 19, 1836. Dr. D. JAYNE.—Dear Sir,—Having made use of your Carminative Balm in my family, and finding it to be admirably adapted to the complaints for which it is intended, I take pleasure in recommending it to the use of my friends and the public generally, believing those who are afflicted with any of these complaints will find relief in the use of this valuable medicine. JONATHAN GOING, M. D. President of Granville College, Ohio. New York, May 20, 1837. For Sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.

COUGH, ASTHMA, SPITTING OF BLOOD OF Sixty Years Standing, cured by Dr. Jayne's Expectorant! PHILADELPHIA, August 16th, 1838. Mr. ATKINSON—Dear Sir: A few weeks ago I noticed in your paper, an account of the surprising effects of Dr. Jayne's Carminative Balm, in restoring a great number of passengers on board a Mississippi steamboat, to perfect health who were afflicted with Bowel Complaint. I was glad to see you notice it so kindly; you may rest assured it deserves the praise bestowed upon it. The benefit I have received from this medicine, more especially his Expectorant, indeed, those who are afflicted with it in the same way. It has been my misfortune, to labor under a cough and asthmatic oppression, for more than half a century. When a soldier in the American camp, in 1778, I, with many others, (owing to great exposure,) had a violent attack of disease of the Lungs, by which I was disabled from duty for a long time. During that period, which I have never been free from, a violent Cough and difficulty of breathing. Year after year I have expected over a gill a day; often much more, and sometimes mixed with blood. For months together, night after night, I have had to sit or be bolstered up to obtain my breath. The weakness and debility caused by such constant and excessive evacuations, brought me to a state bordering on death. It has been a matter of astonishment to my family and friends that I am here to write this to you. I have had skillful physicians to attend me, and every thing done that was thought likely to give me relief, without any beneficial effect. Last winter I had another severe attack of this kind, and I thought I was fully expected to die. To the last, I then considered my case as past the aid of medicine, when I was persuaded to call on Doctor Jayne. With the assistance of Divine Providence, through him, I was once more raised from my bed, but the coughing and wheezing which my Expectant relieved, I had a strong hope that, as it had cured many of my acquaintances of various diseases of the Lungs, it might at least mitigate my sufferings. Need I say how gratified I felt? I had EXPECTEDLY CURED ME. As soon as I commenced taking it, I found it reached my case, and I began to breathe with more freedom. My expectant relieved me, and my cough and wheezing left me. I now feel as well as ever I did in my life, and am better than I have been for the last sixty years. Last summer I spent a great deal of blood; now, thank God, I am perfectly cured. Now, Sir, after suffering so long, and finding at last such signal relief from Jayne's Expectorant, I feel anxious to inform my fellow citizens, who are afflicted with it, that you think this worthy a place in your paper you will oblige me by noticing it. NICHOLAS HARRIS, SEN. No. 35 Lombard Street. Dr. Jayne's Office is No. 20 South Third street Philadelphia. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.

ATTENTION BALD HEADS. NO APPOINTMENT FOR WIGS. OF all the remedies ever devised for the restoration and preservation of the Hair, nothing has been found equal to Jayne's Hair Tonic. It accomplishes to restore the hair to health and beauty. Many who were bald a few months ago, can now exhibit luxuriant heads of hair by the use of it. Copy of a letter from Dr. S. S. Fitch. PHILADELPHIA, May 10, 1839. Dr. Jayne—Dear Sir—I feel that I can hardly say enough to you in favor of the Hair Tonic, which I have used for two years, and had become very thin threatening speedy baldness, when I commenced using this remedy. In about one week it ceased to fall off. I have used it now about three months, and have as full and thick a head of hair as I can possibly desire. I have recommended its use to a number of my friends, who all speak well of its efficacy and success. I may add, that before using the Tonic, I had tried almost all the various articles employed for the hair, such as the Macassar Oil and all the different preparations of Bear's Oil, Vegetable Hair Oil, &c. &c. without experiencing much, if any benefit. Respectfully yours, S. S. FITCH. No. 172 Chestnut street. The REV. LEONARD FLITCHER, Pastor of the Baptist Church, Great Valley, Pa. who had been more or less bald for many years, used three bottles of the Hair Tonic, and has now a fine growth of new hair over all that part of his head which was bald, writing— "My hair is growing finely. I assure you." West Chester, Pa. March 2, 1839. Prepared only by Dr. D. Jayne, sole proprietor, No. 20 South Third Street, Philadelphia. Price \$1 a bottle. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.
