PHILADELPHIA, August 16th, 1838. Mr. ATKINSON-Dear Sir: A few weeks ago F nuticed in your paper, an account of the surpris-sing effects of Jayno's Carminative, in restoring great number of passengers on board a Mississippi steamboat, to perfect health who were affected with Bowel Complaint. I was glad to say you notice it so kindly; you may rest assured it bserves the praise bestowed upon it. The benfit I have received from this medicine, more ospecially his Expectorant, induces me to state my case to you for the benefit of those who are afflic. ted in the same way. It has been my misfortune. sir, to labor under a cough and asthmatical oppression, for more than half a century. When a soldier in the American camp, in 1778, I. with many others, (owing to great exposure,) had a violent attack of disease of the Lungs, by which I was disabled from duty for a long time. Since that period until recently, I have never been free from a violent Cough and difficulty of breathing, Year after year I have expectorated over a gill a day; often much more, and sometimes mixed with blood. For months together, night after night, I have had to sit or he bolstered up to obtain my breath The weakness and debility cau. sed by such constant expecteration, frequently brought me to a state borderin on death. It has been a matter of astonishment to my family and friends that I am here to write this to you. I have had skilful physicians to attend me, and every thing done that was thought likely to give ne relief, without any beneficial effect. Last winter I had another severe attack of Inflama. tion of the Lungs, which I fully expected would be the last. I then considered my case as past the aid of medicino, when I was persuaded to call on Doctor Jayne. With the assistance of Divine Providence, through him, I was once more raised from my bed, but the coughing and wheezing wearled me day and night. He advised me to use his Expectorant. 1 did so, with a strong hope that, as it had cured many of my acquaintances the of various diseases of the La ga, it might at least mitigate my sufforings. Need I say how gratified I felt? It has EFFECTUALLY CURED me. As soon as I commenced taking it. I found it reached my cuse, and I began to breatho with more freedom. My expectoration became more easy, and my cough entirely left mo. I now feel as well as ever I did in my life, and am better than I have been for the lust SIXTY YEARS. Last sum. mer I spit a groat deal of blond; now, thank God, I nm parfectly cured Now, Sir, after suffering so long, and finding at last such signal relief from Jayne's Expectorant, I feel anxious to inform Tonic Vermifuge, for the removal of Worms, &c my fellow citizons where relief may be had. 10 you think this worthy a place in your paperyou
