TO THE DEMOCRATIC HARRISON PAR-TY OF PENNSYLVANIA. Fellow Citizens:-The undersigned, with

unfeigned joy, congratulate you on the glorious result of the struggle which has jus terminated! As far as uscertained, it is indeed most cheering. But that, with so little concert of action for and so little interest manifested in the Election which has just taken place, that election should show beyond question a majority against the corrupt party, that now misrules, is as unexpected as it is decisive.
