PUBLIC MEETINGS.

THE County Committee, hereby cordially invite the friends of both candidates for the Presidency, to attend all political meetings, which are advertised to be held, or which shall hereafter be advertised to be held during the present campaign. The committee also respectfully invite the candidates and orators of both parties to attend and address these meetings. It is highly desirable that they should do so; and no man can consistently claim the name of Democrat, who will refuse to take the trouble of appearing before the people, to make known his views in relation to public men and measures. The people have a right to require to see and hear those who are to be the representatives of their interests.

Garlegant's Balsam of Health,

Prepared only by the sole proprietor, JOHN S. MILLER, Frederick, Md.

THE subscriber has just received a further supply of this valuable medicine, which has acquired a celebrity which few other articles have ever received in so short a time as this; the sale of which, has constantly increased, and will continue to increase, as its merits are made known. This celebrated BALSAM OF HEALTH, is a medicine and vegetable compound, warranted a safe and effectual remedy for the cure of Dyspepsia, and for the whole train of diseases resulting from and connected with a disordered condition of the stomach and liver, or derangement of the digestive functions. As a family medicine it stands unrivalled, and should be possessed by all heads of families, particularly, by all those that are subject to a constipation of the bowels: it operates as a gentle aperient, gives a tone and action to the stomach and bowels, and enlivens and invigorates the whole system. This Balsam of Health does not contain a particle of Mercury, but it is composed altogether of vegetable matter, which renders it perfectly harmless, and it is no hindrance to business, nor any proper case of employment and habits. The proprietor could give a great many certificates of cures performed by this medicine in this advertisement, if it did not occupy so much room; therefore he deems it quite unnecessary, as all those who wish to see them can, by applying to his agent in this place.

FARMERS!

Attend to your interest!! THE subscriber respectfully informs the public, and the Farmers particularly, that he has ready for delivery his Improved Two Horse THRASHING MACHINES; One of which is now in the possession of Mr. Abraham Fisher, residing in Menallen township, Adams County, Pa. Messrs. Fisher and Forney having fairly tested the utility of this machine, furnish the following Certificate: CERTIFICATE.—We certify, that we have in use one of Mr. S. H. LITTLE'S PATENT HORSE POWERS, and believe it to be decidedly superior to any thing of the kind we have ever seen. From the small degree of friction and the rapidity of motion, two horses have thrashed at the rate of two hundred dozen a day, with the greatest ease, and without injury to the grain.

ABRAHAM FISHER, DANIEL FORNEY. Menallen township, Sept. 5, 1840.

WE, the undersigned, do hereby certify that we have seen one of S. H. Little's Two Horse Patent Portable Thrashing Machines in use and can assure the Farmers and the Public that it is worthy of the highest praise and patronage, as two horses can do the work of four with more ease and less hands. It saves one half the labour and performs the work in the best manner possible. It possesses a decided advantage over any other machine, being less liable to get out of order, and easily to be removed. To see it in operation is sufficient to satisfy any one of its great utility and the propriety of our statement.

Gouley's Vegetable Medicines.

UNPRECEDENTED SUCCESS! No medicine has, perhaps, ever met with such decided and general success as Gouley's Vegetable Bitters.

THIS medicine has been but a few years before the public, and the demand for it has already become so great, that the subscriber finds it difficult to supply the numerous orders which he is constantly receiving. Innumerable Certificates in his possession bear testimony to its medicinal virtues and attest the fact of its having preserved the lives of hundreds both in this city and elsewhere.

His VEGETABLE COUGH DROPS, a new article, are also getting into general use, having been productive of the most beneficial effects in hundreds of families of the first respectability in this city and vicinity! and although they have in one instance, but without any foundation or truth, been pronounced poisonous, hundreds of certificates can be produced of their having performed positive and effectual cures in the most obstinate cases, both on young and old, and he now challenges any one to produce satisfactory evidence that there is one particle of any ingredient in their composition that can injure a person in the lowest stage of any disease.

Having administered his medicines in almost all diseases to which the human family are subjected, he never, in a single instance, found them to produce any injurious effects, but, on the contrary, they have been attended with the most complete success. N. B.—As the Fever and Ague is very prevalent at this season of the year, he can confidently recommend his VEGETABLE BITTERS as a CERTAIN CURE, and invites all who may be afflicted with this dreadful disease to make trial of them.

The attention of Masters and Owners of Vessels is called to this medicine; it will be found of great benefit among their crews, and a sure preventative of many of the diseases to which the mariner is subject during long and tempestuous voyages. ALBANY LOOK HOSPITAL.

SYPHILIS. Omnes Principis obsta. ENCOURAGED by the uniform success attending his peculiar method of treatment, for the prevention and cure of venereal complaints, and confirmed by the experience of many years in a widely extended practice, sensible also of the happy effects of his treatment to the community, from having confided himself entirely to the study and care of a class of diseases which there is every reason to deplore are too prevalent.

Dr. COOKE continues to direct his sole attention to the treatment of every disorder that occurs from imprudence, whilst under the influence of intemperance or any other baneful excitement, and to the cure of those dreadful maladies which too often arise therefrom. These sometimes commence in a most simple form, and through neglect or injudicious treatment afterwards assume a more aggravated state of disease, occasioning abscess ulceration, nodes, caries of the bones, pseudo syphilis, cancer, premature old age, and too often end in a protracted incurable state of miserable existence.

Dr. COOKE though professing exclusively the study and cure of these particular complaints, deems it proper to inform his friends and the public in general, in justice to his professional character, that he was properly educated in regular medicine, and received his branch of the profession as a general Practitioner in Europe.

Dr. COOKE may be consulted therefore at all times, as usual at his office, which is properly situated up and arranged for confidential consultation. Country patients residing at a distance—and all other patients who prefer writing instead of a personal interview—can be treated with equal success on describing minutely their case by letter, and enclosing remittance for advice and medicine. There will be no difficulty in sending packages to any part of the United States, and the medicines will be securely packed, carefully protected from observation, and without delay to the place appointed. JAYNE'S EXPECTORANT.

—This invaluable medicine is daily effecting some of the most astonishing and wonderful cures that have ever been known. All who have ever used it for Asthma, Coughs, Spitting of Blood, Hooping Cough, Croup or Hives, Consumption, Chronic Pleurisy, Hoarseness, Pain and Soreness of the Breast, difficulty of Breathing, and every other disease of the Lungs and Breast, can and do attest to its usefulness. Bronchitis, a disease which is annually sweeping thousands upon thousands to a premature grave, under the mistaken name of Consumption, is always cured by it. The usual symptoms of this disease (Bronchitis) are Cough, Soreness of the Lungs or Throat, Hoarseness, Difficulty of Breathing, Asthma, Hectic Fever, a spitting up of Phlegm or matter, and sometimes blood. It is an inflammation of the fine skin which lines the inside of the whole of the wind tubes or air vessels, which run through every part of the Lungs. This Expectorant immediately suppresses the Cough, Pain, Inflammation, Fever and Difficulty of Breathing, and produces a free and easy Expectoration, and a cure is soon effected.

It always cures Asthma—two or three large doses will cure the Croup or Hives of Children, in from fifteen minutes to an hour's time. It immediately subdues the violence of Whooping Cough; and effects a speedy cure. Hundreds who have been given up by their physicians as incurable with "Consumption," have been restored to perfect health by it.

REV. JOHNATHAN GOING, D. D. President of Granville College, Ohio, says—"he was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using this Expectorant." Mrs. Dilk, of Salem, N. J. was cured of Asthma, of twenty years standing, by using two bottles of this medicine.—Mrs. Ward, also, of Salem, was cured of the same complaint by one bottle. A young lady, also, of Salem, who was believed by her friends to be far gone with Consumption, was perfectly restored by three bottles. Dr. Hamilton, of St. James, South Carolina, was greatly affected by a cough, hoarseness and soreness of the lungs, and on using a bottle of this medicine, found permanent relief.

The following certificate is from a practicing Physician, and a much respected Clergyman of the Methodist Society, dated

Modest Town, Va. August 27, 1838. Dr. Jayne—Dear Sir—I have been using your Expectorant, extensively, in my practice, for the last three months, and for all attacks of colds, inflammation of the lungs, consumption, asthma, pain and weakness of the breast, it is decidedly the best medicine I have ever tried.

Very respectfully yours, R. W. WILLIAMS, M. D. Numerous other certificates might be added, but the above are considered sufficient evidence of its great usefulness.

Prepared only by Dr. D. Jayne, No. 20 South Third street, Philadelphia. Price \$1.

Where also may be had Jayne's Carminative Balsam for the cure of Bowel Complaint, &c.—Tonic Vermifuge, for the removal of Worms, &c. Somatic Pills, for Dyspepsia, Liver Complaints, and Female Diseases, &c. Also, Jayne's Hair Tonic, for the removal of Baldness and preservation of the Hair.

HOOPING COUGH, AND CROUP.—TO PARENTS—JAYNE'S EXPECTORANT, is with

out exception the most valuable preparation in use, for the above diseases. It converts Hooping Cough into a mild and treatable disease and shortens its duration more than one half and produces a certain and speedy recovery. From half to one tea spoonful, will certainly cure Croup in infants and young children, in half an hour to an hour. The lives of hundreds of children will be saved annually, by always keeping it on hand ready for every emergency. For sale at No. 20 South 3rd street Philadelphia. For sale at the Drug Store of S. H. BUEHLER, Gettysburg, Feb. 18, 1840.

WORMS! WORMS! WORMS!!!

To remove these dangerous and troublesome inhabitants of the Stomach and Bowels, which so often impair the health and destroy the lives of children, use Dr. Jayne's Tonic Vermifuge, a certain and safe preparation for the removal of the various kinds of Worms, Dyspepsia, Sour Stomach, Want of Appetite, infantile Fever and Ague, and debility of the Stomach and Bowels, and organs of digestion. To be had at No. 20 South Third Street, Philadelphia. Price 50 cts. For sale at the Drug Store of S. H. BUEHLER, Gettysburg, Feb. 18, 1840.

JAYNE'S CARMINATIVE BALSAM

Is a certain, safe and effectual remedy for Dysentery, Diarrhoea, or Looseness, Cholera Morbus, Summer Complaint, Cholic, Griping Pain, Sour Stomach, Flatulency, &c. &c. and all Spasmodic and Nervous Diseases, as sick and Nervous Headach, Hysteria, Cramp, &c. &c.

This is one of the most efficient, pleasant and safe compositions ever offered to the public for the cure of the various derangements of the stomach and bowels, and the only one which is worthy of the first confidence for curing Cholera, Intestum or Summer Complaint; and in all the above diseases it really acts like a charm.

All persons are requested to try it, for there is 'no mistake' about its being one of the most valuable family medicines ever yet discovered.—Hundreds of thousands of certificates have been received from Physicians, Clergymen and families of the first respectability, bearing the strongest testimony in its favor, too numerous to publish.

This is to certify that I have used Dr. Jayne's Carminative Balsam very extensively in Bowel Complaints, and have not the least hesitation in declaring it superior to any preparation that I have met with for the relief of those disorders.

WILLIAM STEELING, M. D. Physician to the Cumberland, N. J. Almshouse. Bridgeton, July 19, 1836.

Dr. D. Jayne,—Dear Sir,—Having made use of your Carminative Balsam in my family, and finding it to be admirably adapted to the complaints for which it is intended, I take pleasure in recommending it to my friends and acquaintances as a public good, believing that those afflicted with any of these complaints will find relief in the use of this valuable medicine.

ATTENTION BALD HEADS. NO APPEAL FOR WIGS.

Of all the remedies ever devised for the restoration and preservation of the Hair, nothing has been found equal to Jayne's Hair Tonic. It seldom fails to restore the hair to health and beauty. Many who were bald a few years ago, can now exhibit luxuriant heads of hair by the use of it.

Copy of a letter from Dr. S. S. FITCH. PHILADELPHIA, May 10, 1839.

Dr. Jayne.—Dear Sir.—I feel that I can hardly say enough to you in favor of the Hair Tonic, prepared by you. My hair had been falling off for about two years, and had become very thin threatening to fall off entirely, when I commenced using this remedy. In about one week it ceased to fall off.

I have used it now about three months, and have as full and thick a head of hair as I can possibly desire. I have recommended it to a number of my friends, who all speak well of it. If I had fully employed, I have no doubt of its general success. I have used it for some time. I had tried almost all the various articles employed for the hair, such as the Maceaser Oil, all the different preparations of Boar's Oil, Vegetable Hair Oil, &c. &c. without experiencing much, if any benefit.

Respectfully yours, S. S. FITCH, No. 172 Chestnut street.

The Rev. LEONARD FITCH, Pastor of the Baptist Church, Great Valley, Pa. who had been more or less bald for many years, used three bottles of the Hair Tonic, and has now a fine growth of new hair over all that part of his head where he was bald, writes—

"My hair is growing finely, I assure you." L. FITCHER. West Chester, Pa. March 2, 1839.

COUGH, ASTHMA, SPITTING OF BLOOD

OF SEVEN YEARS' Standing, cured by Dr. Jayne's Expectorant!

PHILADELPHIA, August 16th, 1838.

Mr. ATKINSON—Dear Sir: A few weeks ago I noticed in your paper, an account of the surprising effects of Jayne's Carminative, in restoring a great number of passengers on board a Mississippi steamer, to perfect health who were afflicted with Bowel Complaint, &c. &c. When you notice it so kindly, you may rest assured it deserves the praise bestowed upon it. The benefit I have received from this medicine, more especially his Expectorant, induces me to state my case to you, for the benefit of those who are afflicted in the same way. It has been my misfortune, ever, to labor with a cough and asthmatical oppression, for more than ten years. When a soldier in the American camp, in 1778, I, with many others, (owing to great exposure), had a violent attack of disease of the Lungs, by which I was disabled from duty for a long time. Since that period until recently, I have never been free from a violent Cough and difficulty of breathing.

Year after year, have expected over a gill a day; often much more, and sometimes mixed with blood. For months together, night after night, I have had to sit or be bolstered up to obtain my breath. The weakness and debility caused by such constant expectation, frequently brought me to a state bordering on death. It has been a matter of astonishment to my family and friends that I am here to write this to you. I have had skillful physicians to attend me, and every thing done that was thought likely to give me relief, without any beneficial effect. Last winter I had another severe attack of Inflammation of the Lungs, which I fully expected would be the last. I then considered my case as past the aid of medicine, when I was persuaded to call on Dr. Jayne. With the assistance of Divine Providence, through him, I was once more released from my bed, but the coughing and whooping wearied me day and night. He advised me to use his Expectorant. I did so, with a strong hope that, as it had cured many of my acquaintances of various diseases of the Lungs, it might at least mitigate my sufferings. Need I say how gratifying a relief it afforded? I was especially cured. As soon as I commenced taking it, I found it reached my case, and I began to breathe with more freedom. My expectation became more easy, and my cough entirely left me. I am now well as well as ever I did in my life, and a better than I have been for the last SIXTY YEARS. Last summer I spit a great deal of blood; now, thank God, I am perfectly cured. Now, Sir, after suffering so long and fitfully, at last such a relief from Jayne's Expectorant, I feel anxious to inform my fellow citizens where relief may be had. If you think this worthy a place in your paper, you will oblige me by noticing it.
