PRINCIPAL REASONS why Dr. HARRICH'S COMPOUND STRENGTHENING AND GERMAN APPETENT PILLS are used by all classes of people, in preference to other medicines: Because they are prepared from a pure extract of Herbs, a wholesome medicine, mild in its operation and pleasant in its effects; the most certain preserver of health, a safe and effectual cure of DYSPEPSIA, or INDIGESTION, and all Stomach Complaints, a preserver and purifier of the whole system. Because they soothe the nerves of sensibility, and fortify the nerves of motion, imparting to their most subtle fluid its pristine tone, thus giving strength and clearness of mind. Because they never destroy the coats of the stomach and bowels, as all strong purgatives do. Because science and experience teaches us that no more purgative alone will cure the diseases of the Stomach and Nerves. Weakness is the primary cause of a host of diseases, and by continually resorting to DRASTIC Purgatives, you make the disease much worse, instead of better. Because Dr. Harrich's Medicines are put up upon the common sense principle, "to cleanse and strengthen," which is the only course to pursue to effect a cure. Lastly, Because these Medicines REALLY DO CURE the diseases for which they are recommended. For Sale, in Gettysburg, at the Drug Store of S. S. FORNEY, Agent. October 27, 1840.

WE, the undersigned, do hereby certify that we have seen one of S. H. Gouley's Vegetable Medicines.

UNPRECEDENTED SUCCESS! No medicine has, perhaps, ever met with such decided and general success as Gouley's Vegetable Bitters.

THIS medicine has been but a few years

before the public, and the demand for it has already become so great, that the subscriber finds it difficult to supply the numerous orders which he is constantly receiving. Innumerable Certificates in his possession bear testimony to its medicinal virtues and attest the fact of its having preserved the lives of hundreds both in this city and elsewhere. His VEGETABLE COUGH DROPS, a new article, are also getting into general use, having been productive of the most beneficial effects in hundreds of families of the first respectability in this city and vicinity and although they have in one instance, but without any foundation or truth, been pronounced poisonous, hundreds of certificates can be produced of their having performed positive and effectual cures in the most obstinate cases, both on young and old, and he now challenges any one to produce satisfactory evidence that there is one particle of any ingredient in their composition that can injure a person in the lowest stage of any disease. Having administered his medicines in almost all diseases to which the human family are subjected, he never, in a single instance, found them to produce any injurious effects, but, on the contrary, they have been attended with the most complete success. N. B.—As the Fever and Ague is very prevalent at this season of the year, he can confidently recommend his VEGETABLE BITTERS as a CERTAIN CURE, and invites all who may be afflicted with this dreadful disease to make trial of them. The attention of Masters and Owners of Vessels is called to this medicine; it will be found of great benefit among their crews, and a sure preventative of many of the diseases to which the mariner is subject during long and tempestuous voyages. LOUIS GOULEY. No. 214 Baltimore street, near the Centre Market, between Harrison and Frederick streets. Nov. 25

ALBANY LOOK HOSPITAL.

SYPHILIS.

ENCOURAGED by the uniform success attending his peculiar method of treatment, for the prevention and cure of venereal complaints, and confirmed by the experience of many years in a widely extended practice, sensible also of the happy effects resulting to the community, from having confined himself entirely to the study and care of a class of diseases which there is every reason to deplore are too prevalent. Dr. COOKE continues to direct his sole attention to the treatment of every disorder that occurs from impudience, whilst under the influence of intemperance or any other baneful excitement, and the cure of those dreadful maladies, which too often arise therefrom. These sometimes commence in a most simple form, and through neglect or injudicious treatment afterwards assume a more aggravated state of disease, occasioning abscess, ulcers, cancer, caries of the bones, pseudo syphilis, cancer, premature old age, and too often end in a protracted incurable state of miserable existence. Dr. COOKE though professing exclusively the study and cure of these particular complaints, deems it proper to inform his friends and the public in general, in justice to his professional character, that he is properly educated and regularly graduated in the branch of the profession as a general Practitioner in Europe.

Dr. COOKE may be consulted therefore at all times, as usual at his office, where he properly fits out and arranges for confidential consultation. Country patients residing at a distance—and all other patients who prefer writing instead of a personal interview—can be treated with equal success, by enclosing minutely their case by letter, and enclosing a remittance for advice and medicine. There will be no difficulty in sending packages to any part of the United States, and the medicines will be securely packed, carefully protected from observation, and sent without delay to the place appointed. OFFICES No. 3 Norton street, near Green street, Albany, New York. May 5, 1840.

DR. JAYNE'S EXPECTORANT.

—This invaluable medicine is daily effecting some of the most astonishing and wonderful cures that have ever been known. All who have ever used it for Asthma, Coughs, Spitting of Blood, Hooping Cough, Croup or Hives, Consumption, Chronic Pleurisy, Hoarseness, Pain and Soreness of the Breast, difficulty of Breathing, and every other disease of the Lungs and Breast, can and do attest to its usefulness. Bronchitis, a disease which is annually sweeping thousands upon thousands to a premature grave, under the mistaken name of Consumption, is always cured by it. The most distressing symptoms of this disease (Bronchitis) are Cough, Soreness of the Lungs or Throat, Hoarseness, Difficulty of Breathing, Asthma, Hectic Fever, a spitting up of Phlegm or matter, and sometimes blood. It is an inflammation of the fine skin which lines the inside of the whole of the wind tubes or air vessels, which run through every part of the Lungs. This Expectorant immediately suppresses the Cough, Pain, Inflammation, Fever and Difficulty of Breathing, and produces a free and easy Expectorant, and a cure is soon effected. It always cures Asthma—two or three large doses will cure the Croup or Hives of Children, in fifteen minutes to an hour, and it immediately subdues the violence of Whooping Cough; and effects a speedy cure. Hundreds who have been given up by their physicians as incurable with "Consumption," have been restored to perfect health by it. REV. JOHNATHAN GOING, D. D. President of Granville College, Ohio, says— "I was seized under a severe cold, and excited over a labor that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using this Expectorant." Mrs. Dilks, of Salem, N. J. was cured of Asthma, of twenty years standing, by using two bottles of this medicine.— Mrs. Ward, also, of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was beloved by her friends to be far gone with Consumption, was perfectly restored by three bottles. Dr. Hamilton, of St. James, South Carolina, was greatly affected by a cough, hoarseness and soreness of the lungs, and on using a bottle of this medicine, found permanent relief. The following certificate is from a practicing Physician, and a much respected Clergyman of the Methodist Society, dated Modest Town, Va. August 27, 1838. Dr. Jayne—Dear Sir—I have been using your Expectorant, extensively, in my practice, for the last three months, and for all attacks of colds, inflammation of the lungs, consumption, asthma, pains and weakness of the breast, it is decidedly the best medicine I have ever tried. Very respectfully yours, R. W. WILLIAMS, M. D. Numerous other certificates might be added, but the above are considered sufficient evidence of its great usefulness. Prepared only by Dr. D. Jayne, No. 20 South Third street, Philadelphia. Price \$1. Where also may be had Jayne's Carminative Balsam, for the cure of Bowel Complaint, &c.—Tonic Vermifuge, for the removal of Worms, &c. Sanative Pills, for Dyspepsia, Liver Complaint, and Female Diseases, &c. Also, Jayne's Hair Tonic, for the removal of Baldness and preservation of the Hair. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.

HOOPING COUGH, AND CROUP.—TO

PARENTS—JAYNE'S EXPECTORANT, is without exception the most valuable preparation in use, for the above diseases. It converts Hooping Cough into a mild and tractable disease, and shortens its duration more than one half, and produces a certain and speedy recovery. From half to one tea spoonful, will certainly cure Croup in infants and young children, in half an hour to an hour. The lives of hundreds of children will be saved annually, by always keeping it on hand ready for every emergency. For sale at No. 20 South 3rd street Philadelphia. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.

ADVERTISEMENTS.

JAYNE'S CARMINATIVE BALSAM

IS a certain, safe and effectual remedy for Dysentery, Diarrhoea, or Looseness, Cholera Morbus, Summer Complaint, Cholera, Griping Pains, Sour Stomach, Flatulency, &c. &c., and all Spasmodic and Nervous Diseases, as Stomach and Nervous Headach, Hysteria, Cramp, &c. &c. This is one of the most efficient, pleasant and safe compositions ever offered to the public for the cure of the various derangements of the stomach and bowels, and the only article worthy of the least confidence for curing Cholera Infantum or Summer Complaint; and in all the above diseases it really acts like a charm. All persons are requested to try it, for there is no mistake about its being one of the most valuable family medicines ever yet discovered.—Hundred! nay thousands, of certificates have been received from Physicians, Clergymen, and families of the first respectability, bearing the strongest testimony in its favour, too numerous to publish.

CERTIFICATES.

This is to certify that I have used Dr. Jayne's Carminative Balsam very extensively in Bowel Complaints, and have not the least hesitation in declaring it superior to any preparation that I have met with, for the relief of those diseases. WILLIAM STEELING, M. D. Physician to the Cumberland, N. J. Almshouse. Bridgeton, July 19, 1836. Dr. D. Jayne—Dear Sir,—Having made use of your Carminative Balsam in my family, and finding it to be admirably adapted to the complaints for which it is intended, I take pleasure in recommending it to the use of my friends and the public generally, believing those who are afflicted with any of these complaints will find relief in the use of this valuable medicine. JONATHAN GOING, M. D. President of Granville College, Ohio. New York, May 20, 1837. For Sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.

ATTENTION BALD HEADS. NO AP

PROLOGY FOR WIGS. OF all the remedies ever devised for the restoration and preservation of the Hair, nothing has been found equal to Jayne's Hair Tonic. It seldom fails to restore the hair to health and beauty. Many who were bald a few months ago, can now exhibit luxuriant heads of hair by the use of it. Copy of a letter from Dr. S. S. FITCH. PHILADELPHIA, May 10, 1839. Dr. Jayne—Dear Sir,—I feel that I can hardly say enough to you in favor of the Hair Tonic, prepared by you. My hair had been falling off about two years, and had become very thin threatening speedy baldness, when I commenced using this remedy. In about one week it ceased to fall off. I have used it now about three months, and have as full and thick a head of hair as I can possibly desire. I have recommended its use to a number of my friends, who all speak well of it. If faithfully employed, I have no doubt of its general success. I may add, that before using the Tonic, I had tried almost all the various articles employed for the cure of baldness, and used three or four of the different preparations of Beard's Oil, Vegetable Hair Oil, &c. &c. without experiencing much, if any benefit. Respectfully yours, S. S. FITCH, No. 172 Chestnut street. The Rev. LEONARD FLETCHER, Pastor of the Baptist Church, Great Valley, Pa. who had been one or two years bald, used three bottles of the Hair Tonic, and now a fine growth of new hair over all that part of his head where he was bald, writes— "My hair is growing finely, I assure you." L. FLETCHER. West Chester, Pa. March 2, 1839. Prepared by Dr. D. Jayne, sole proprietor, No. 20 South Third Street, Philadelphia. Price \$1 a bottle. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.

COUGH, ASTHMA, SPITTING OF BLOOD

OF Sixty Years Standing, cured by Dr. Jayne's Expectant.

PHILADELPHIA, August 16th, 1838. Mr. ATKINSON—Dear Sir: A few weeks ago I noticed in your paper, an account of the surprising effects of Jayne's Carminative, in restoring a great number of passengers on board a Mississippi steambot, to perfect health who were afflicted with Bowel Complaint. I was glad to see you notice it so kindly; you may rest assured it deserves the praise bestowed upon it. The benefit I have received from this medicine, more especially his Expectant, induces me to state my case to you for the benefit of those who are afflicted in the same way. It has been my misfortune, sir, to labor under a cough and asthmatic oppression, for more than half a century. When a soldier in the American camp, in 1778, I with many others, (owing to great exposure), had a violent attack of disease of the Lungs, by which I was disabled from duty for a long time. Since that period until recently, I have never been free from a violent Cough and difficulty of breathing. Year after year, I have excruciated over a gill of phlegm, or much more, and sometimes mixed with blood. For months together, night after night, I have had to sit or be bolstered up to obtain my breath. The weakness and debility caused by such constant expectation, frequently brought me to a state bordering on death. It has been a matter of astonishment to my family and friends that I am here to write this to you. I have had skilful physicians attend me, and every thing done that was thought likely to give me relief, without any beneficial effect. Last winter I had another severe attack of Inflammation of the Lungs, which I fully expected would be the last. I then considered my case as past the aid of medicine, when I was persuaded to call on Doctor Jayne. With the assistance of Dr. Jayne's Carminative, through his kind assistance I was freed from my bed, the coughing and wheezing wearied me day and night. He advised me to use his Expectant. I did so, with a strong hope, for that, as it had cured many of my acquaintances, of various diseases of the Lu. ga, it might at least mitigate my sufferings. Need I say how gratified I felt! It has EXTERMINATED my cough. As I commenced taking it, I found it reached me, and I began to breathe with more freedom. My expectation became more easy, and my cough entirely left me. I now feel as well as ever I did in my life, and am better than I have been for the last sixty years. Last summer I spit a great deal of blood; now, thank God, I am perfectly cured. Now, Sir, after suffering so long, and finding at last such signal relief from Jayne's Expectant, I feel anxious to inform my fellow citizens where relief may be had. If you think this worthy a place in your paper you will oblige me by noticing it. NICHOLAS HARRIS, SEN. No. 35 Lombard Street. Dr. Jayne's Office is No. 20 South Third street, Philadelphia. For sale at the Drug Store of S. H. BUEHLER. Gettysburg, Feb. 18, 1840.
