UNPRECEDENTED SUCCESS!

No medicine has, perhaps, ever met with such decided and general success as Gouley's Vegetable Bitters.

HIS medicine has been but a few years before the public, and the demand for it has already become so great, that the subscriber finds it difficult to supply the numerous orders which he is constantly receiving. Innumerable Certificates in his possession bear testimony to its medicinal virtues and attest the fact of its having preserved the ives of hundreds both in this city and else-

where. His VEGETABLE COUGH DROPS. a new article, are also getting into general use, having been productive of the most beneficial effects in hundreds of families of the first respectability in this city and vicinity ! and although they have in one instance, but without any foundation or truth, been pronounced poisonous, HUNDREDS of certificates can be produced of their having performed positive and effectual cures in the most obstinate cases, both on young and old, and he

PHILADELPHIA, August 16th, 1838. Mr. ATKINSON-Doar Sir: A few weeks ago I noticed in your paper, an account of the surprising effects of Jayne's Carminative, in restaringa great number of passengers on board a Mississippl steamboat, to perfect health who were affec-ted with Bowel Complaint. I was glad to see

you notice it so kindly; you may rest assured it deserves the praise bestowed upon it. The benefit I have received from this medicine, more especially his Expectorant, induces me to state my case to you, for the benefit of those who are afflicted in the same way. It has been my misfortune, sir, to labor under a cough and asthmatical op-pression, for more than half a century. When a oldior in the American camp, in 1778, I, with

many others, (owing to groat exposure,) had a violent attack of discase of the Lungs,by which I was disabled from duty for a long time. Since that period until recently, I have never been free from a violent Cough and difficulty of breathing. Year after year I have expectorated over a gill a day; often much more, and sometimes mixed with blood.
