Garlegant's Balsam of Health,

Prepared only by the sole proprietor, JOHN S. MILLER, Frederick, Md.

THE subscriber has just received a further supply of this valuable medicine, which has gained a celebrity which few other articles have ever received in so short a time as this; the sale of which, has constantly increased, and will continue to increase, as its merits are made known.

This celebrated Balsam of Health, is a medicine and vegetable compound, warranted a safe and effectual remedy for the cure of Dyspepsia, and for the whole train of diseases resulting from, and connected with a disordered condition of the stomach and liver, or derangement of the digestive functions.

As a family medicine it stands unrivalled, and should be possessed by all heads of families, particularly, by all those that are subject to a constipation of the bowels: it operates as a gentle aperient, gives a tone and action to the stomach and bowels, and enlivening and invigorating the whole system.

This Balsam of Health does not contain a particle of Mercury, but it is composed altogether of vegetable matter, which renders it perfectly harmless, and it is no hindrance to business, nor any proper customary employment and habits.

The proprietor could give a great many certificates of cures performed by this medicine in this advertisement, if it did not occupy so much room; therefore he deems it quite unnecessary, as all those who wish to see them can, by applying to his agent in this place.

ALBANY LOCK HOSPITAL. SYPHILIS.

Encouraged by the uniform success attending his peculiar method of treatment, for the prevention and cure of venereal complaints, and confirmed by the experience of many years in a widely extended practice, sensible also of the happy effects resulting to the community, from having confided himself entirely to the study and care of a class of diseases, which there is every reason to deplore are too prevalent.

Dr. COOKE continues to direct his sole attention to the treatment of every disorder that occurs from impudence, whilst under the influence of intemperance or any other baneful excitement, and to the cure of those dreadful maladies, which too often arise therefrom. These sometimes commence in a most simple form, and through neglect or injudicious treatment afterwards assume a more aggravated state of disease, occasioning incessant ulceration, which too often terminates in puerco sypylis, cancer, prostatic urethra, and too often ends in a protracted incurable state of miserable existence.

Dr. COOKE, though professing exclusively the study and cure of these particular complaints, deems it proper to inform his friends and the public in general, in justice to his professional character, that he was properly educated and received his medical education from the community, from the same source, and in every branch of the profession as a general Practitioner in Europe.

Dr. COOKE may be consulted therefore at all times, as usual at his office, which are properly fitted up and arranged for confidential consultation. Country patients residing at a distance—and all other patients who prefer writing instead of a personal interview—can be treated with equal success on describing minutely their case by letter, and receiving in return, resistance for advice and medicine. There will be no difficulty in sending packages to any part of the United States, and the medicines will be securely packed, carefully protected from observation, and sent without delay to the place appointed.

DR. JAYNE'S EXPECTORANT.—This invaluable medicine is daily effecting some of the most astonishing and wonderful cures that have ever been known.

All who have suffered from Cough, Spitting of Blood, Hooping Cough, Croup or Hives, Consumption, Chronic Pleurisy, Hoarseness, Pain and Soreness of the Breast, Difficulty of Breathing, and every other disease of the Lungs and Throat, can do at least to its usefulness. Bronchitis, a disease which is annually sweeping thousands upon thousands to a premature grave, under the misapprehension of Consumption, is always cured by it. The usual symptoms of this disease (Bronchitis) are Cough, Soreness of the Lungs or Throat, Hoarseness, Difficulty of Breathing, Asthma, Hectic Fever, a spitting up of Phlegm or matter, and sometimes blood. It is an inflammation of the fine skin which lines the inside of the wind pipe, and of the arteries and veins which run through the substance of the Lungs. This Expectorant immediately suppresses the Cough, Pain, Inflammation, Fever and Difficulty of Breathing, and produces a free and easy Expectorant, and a cure is soon effected.

It always cures Asthma—two or three large doses will cure the Croup or Hives of Children, in from fifteen minutes to an hour's time. It immediately subdues the violence of Whooping Cough; and effects a speedy cure. Hundreds who have been given up by their physicians as incurable with "Consumption," have been restored to perfect health by it.

Dr. JONATHAN GOING, D. D. President of Granville College, Ohio, says—"I was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using this Expectorant." Mrs. Dilks, of Salem, N. H., was cured of Asthma, of twenty years standing, by using two bottles of this medicine.

Mrs. Ward, also, of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was believed by her friends to be fast gone with Consumption, was perfectly restored by three bottles. Dr. Hamilton, of St. James, South Carolina, was greatly affected by a cough, Soreness and soreness of the lungs, and on using a bottle of this medicine, found permanent relief.

The following certificate is from a practicing Physician, and a much respected Clergyman of the Methodist Society, dated

Modest Town, Va. August 27, 1838.

Dr. Jayne—Dear Sir—I have been using your Expectorant, extensively, in my practice, for the last three months, and for all attacks of cold, inflammation of the lungs, consumption, asthma, pains and weakness of the breast, it is decidedly the best medicine I have ever tried.

Very respectfully yours, R. W. WILLIAMS, M. D.

Numerous other certificates might be added, but the above are considered sufficient evidence of its great usefulness.

Prepared only by Dr. D. Jayne, No. 20 South Third street, Philadelphia. Price 5¢.

Where also may be had Jayne's Carminative Balsam, for the cure of Bowel Complaint, &c.—Tonic Vegetable, for the removal of Worms, &c.—Sanative Pills, for Dyspepsia, Liver Complaints, and Female Diseases, &c. Also, Jayne's Hair Tonic, for the removal of Baldness and preservation of the Hair.

For sale at the Drug Store of S. H. BUEHLER, Gettysburg, Feb. 18, 1840.

HOOPING COUGH, AND CROUP.—TO PARENTS—Jayne's Expectorant, is with out exception the most valuable preparation in use, for the above diseases. It converts Hooping Cough into a mild and tractable disease, and shortens its duration more than one half, and produces a certain and speedy recovery. From half to one tea-spoonful, will certainly cure Croup in infants and young children, in half an hour to an hour. The lives of hundreds of children will be saved annually, by always keeping it on hand ready for every emergency. For sale at No. 20 South 3rd street, Philadelphia.

WORMS! WORMS! WORMS!!!

To remove these dangerous and troublesome inhabitants of the Stomach and Bowels, which so often impair the health and destroy the lives of children, use Dr. Jayne's Tonic Vermifuge, a certain and safe preparation for the removal of the various kinds of Worms, Dyspepsia, Sour Stomach, Want of Appetite, insipid Fever and Ague, and debility of the Stomach and Bowels, and organs of digestion. To be had at No. 20 South Third Street, Philadelphia. Price 5¢.

ADVERTISEMENTS.

JAYNE'S CARMINATIVE BALSAM

Is a certain, safe and effectual remedy for Dyspepsia, Diarrhoea, or Looseness, Cholera Morbus, Summer Complaint, Cholera, Griping Pains, Sore Stomach, Flatulency, &c. &c., and all Spasmodic and Nervous Diseases, as Sick and Nervous Headache, Hysteria, Cramp, &c. &c.

This is one of the most efficient, pleasant and safe compositions ever offered to the public for the cure of the various derangements of the stomach and bowels, and the only article worthy of the most confidence for curing Cholera Infantum or Summer Complaint; and in all the above diseases it really acts like a charm.

All persons are requested to try it, for there is "no mistake" about its being one of the most valuable family medicines ever yet discovered.

Over one thousand certificates have been received from Physicians, Clergymen, and families of the first respectability, bearing the most glowing testimony in its favor, too numerous to publish.

CERTIFICATES.

This is to certify that I have used Dr. Jayne's Carminative Balsam very extensively in Bowel Complaint, and have not the least hesitation in declaring it superior to any preparation that I have met with, for the relief of those diseases.

WILLIAM STEELING, M. D. Physician to the Cumberland, N. J. Almshouse. Bridgeton, July 19, 1836.

Dr. D. Jayne—Dear Sir,—Having made use of your Carminative Balsam in my family, and finding it to be admirably adapted to the complaints of my children, I have recommended its use in recommending it to the use of my friends and the public generally, believing those who are afflicted with any of these complaints will find relief in the use of this valuable medicine.

ATTENTION BALD HEADS. NO APPLICATION FOR WIGS.

Of all the remedies ever devised for the restoration and preservation of the Hair, nothing has been found equal to Jayne's Hair Tonic. It seldom fails to restore the hair to health and beauty. Many who were bald a few months ago, can now exhibit luxuriant heads of hair by the use of it.

Copy of a letter from Dr. S. S. Fitch. PHILADELPHIA, May 10, 1839.

Dr. Jayne—Dear Sir—I feel that I can hardly say enough to you in favor of the Hair Tonic, prepared by you. My hair had been falling out about two years, and had become very thin threatening speedy baldness, when I commenced using this remedy. In about one week it ceased to fall off.

I have used it now about three months, and have a full and thick head of hair as I can possibly desire. I have recommended its use to a number of my friends, who all speak well of it. If faithfully employed, I have no doubt of its general success. I may add, that before using the Tonic, I had tried almost all the various articles employed for the hair, such as the Macassar Oil, all the different preparations of Beards Oil, Vegetable Hair Oil, &c. without experiencing much, if any benefit.

Respectfully yours, S. S. FITCH, No. 172 Chestnut street.

The Rev. LEONARD FLETCHER, Pastor of the Baptist Church, Great Valley, Pa. who had been more or less bald for many years, used three bottles of the Hair Tonic, and has now a fine growth of new hair over all that part of his head where he was bald, writes—

"My hair is growing finely, I assure you." L. FLETCHER, West Chester, Pa. March 2, 1839.

COUGH, ASTHMA, SPITTING OF BLOOD

of Sixty Years Standing, cured by Dr. Jayne's Expectorant.

Mr. ATKINSON—Dear Sir: A few weeks ago I noticed in your paper, an account of the surprising effects of Jayne's Carminative, in restoring a great number of passengers on board a Mississippi steamer, to perfect health who were affected with Bowel Complaint. I was glad to see such notice in a kind of your journal, and it deserves the praise bestowed upon it. The benefit I have received from this medicine, more especially his Expectorant, induces me to state my case to you, for the benefit of those who are afflicted in the same way. It has been my misfortune, sir, to labor under a cough and asthmatical oppression, for more than half a century. When a Soldier in the American army in 1778, I was many others, (owing to great exposure), had violent attacks of disease of the Lungs, which I was disabled from duty for a long time. Since that period until recently, I have never been free from a violent Cough and difficulty of breathing. Year after year I have expected over a gill of sputum, much more, and sometimes mixed with blood. I have tried every remedy, and every thing done that was thought likely to give me relief, without any beneficial effect. Last winter I had another severe attack of Inflammation of the Lungs, which I fully expected would be the last. I then considered my case as past the aid of medicine, when I was persuaded to call on Doctor Jayne. With the assistance of Divine Providence, through his aid, I was once more relieved from my bed, but the coughing and wheezing, worried me day and night. He advised me to use his Expectorant. I did so, with a strong hope, that as it had cured many of my acquaintances of various diseases of the Lungs, it might also mitigate my sufferings. Need you how gratified I felt! It has certainly cured me. As soon as I commenced taking it, I found it reached my case, and I began to breathe with more freedom. My expectation became more easy, and my cough entirely left me. I now feel as well as ever I did in my life, and am better than I have been for the last sixty years. Last summer I had a great deal of blood in my sputum, and I am perfectly cured. Now, Sir, after suffering so long, and finding at last such signal relief from Jayne's Expectorant, I feel anxious to inform my fellow citizens where relief may be had. It you think this worthy a place in your paper you will oblige me by noticing it.
